TITLE: **Public Hearing: Ordinance to Adopt the Restated Defined Benefit Retirement Plan**
 Consideration for approval of an Ordinance to adopt the Restated Adoption Agreement and General Addendum with Georgia Municipal Employees Benefit System (GMEBS) for the City's defined benefit retirement plan. This is needed in order to comply with IRS guidelines.

Summary:

The City previously adopted the Georgia Municipal Employees Benefit System ("GMEBS") Defined Benefit Retirement Plan ("Plan"), which is comprised of the Master Plan document ("Master Plan"), Adoption Agreement and General Addendum. GMEBS recently restated the Plan and received a favorable determination letter from the Internal Revenue Service ("IRS"). An employer providing retirement benefits through the GMEBS Plan has the assurance that GMEBS is maintaining a qualified pension benefit program that allows employees to accrue benefits tax-free until retirement benefits are distributed to them. Other than being updated to comply with federal tax law, the terms of the city's plan remain the same as those approved in the January 4, 2021 plan documents. To ensure continued tax-favored treatment for GMEBS member plans, the IRS requires that all GMEBS member employers adopt the restated Plan documents.

Recommendation:

The City Manager, Finance Director, and HR Director recommend the Council approve the Ordinance and authorize the Mayor to sign.

The Administrator will timely inform the Adopting Employer of any amendments made by the Board to the Plan.

21. TERMINATION OF THE ADOPTION AGREEMENT

This Adoption Agreement (and any Addendum) may be terminated only in accordance with the Plan. The Administrator will inform the Adopting Employer in the event the Board should decide to discontinue this pre-approved plan program.

22. EMPLOYER ADOPTION AND AUTHORIZATION FOR AMENDMENTS

Adoption. The Adopting Employer hereby adopts the terms of the Adoption Agreement and any Addendum, which is attached hereto and made a part of this ordinance. The Adoption Agreement (and, if applicable, the Addendum) sets forth the Employees to be covered by the Plan, the benefits to be provided by the Adopting Employer under the Plan, and any conditions imposed by the Adopting Employer with respect to, but not inconsistent with, the Plan. The Adopting Employer reserves the right to amend its elections under the Adoption Agreement and any Addendum, so long as the amendment is not inconsistent with the Plan or the Internal Revenue Code or other applicable law and is approved by the Board of Trustees of GMEBS. The Adopting Employer acknowledges that it may not be able to rely on the pre-approved plan opinion letter if it makes certain elections under the Adoption Agreement or the Addendum, and that the failure to properly complete the Adoption Agreement may result in a failure of the Adopting Employer's Plan to be a qualified plan.

The Adopting Employer hereby agrees to abide by the Basic Plan Document, Trust Agreement, and rules and regulations adopted by the Board of Trustees of GMEBS, as each may be amended from time to time, in all matters pertaining to the operation and administration of the Plan. It is intended that the Act creating the Board of Trustees of GMEBS, this Plan, and the rules and regulations of the Board are to be construed in harmony with each other. In the event of a conflict between the provisions of any of the foregoing, they shall govern in the following order:

- (1) The Act creating the Board of Trustees of The Georgia Municipal Employees' Benefit System, O.C.G.A. Section 47-5-1 *et seq.* (a copy of which is included in the Appendix to the Basic Defined Benefit Plan Document) and any other applicable provisions of O.C.G.A. Title 47;
- (2) The Basic Defined Benefit Plan Document and Trust Agreement;
- (3) This Ordinance and Adoption Agreement (and any Addendum); and
- (4) The rules and regulations of the Board.

In the event that any section, subsection, sentence, clause or phrase of this Plan shall be declared or adjudged invalid or unconstitutional, such adjudication shall in no manner affect the previously existing provisions or the other section or sections, subsections, sentences, clauses or phrases of this Plan, which shall remain in full force and effect, as if the section, subsection, sentence, clause or phrase so declared or adjudicated invalid or unconstitutional were not originally a part hereof. The Governing Authority hereby declares that it would have passed the remaining parts of this Plan or retained the previously existing provisions if it had known that such part or parts hereof would be declared or adjudicated invalid or unconstitutional.

This Adoption Agreement (and any Addendum) may only be used in conjunction with Georgia Municipal Employees Benefit System Basic Defined Benefit Retirement Plan Document approved by the Internal Revenue Service under opinion letter Q705465a dated August 31, 2023. The Adopting Employer understands that failure to properly complete this Adoption Agreement (or any Addendum), or to operate and maintain the Plan and Trust in accordance with the terms of the completed Adoption Agreement (and any Addendum), Basic Plan Document and Trust,

may result in disqualification of the Adopting Employer's Plan under the Internal Revenue Code. Inquiries regarding the adoption of the Plan, the meaning of Plan provisions, or the effect of the IRS opinion letter should be directed to the Administrator. The Administrator is Georgia Municipal Employees Benefit System, with its primary business offices located at: 201 Pryor Street, SW, Atlanta, Georgia, 30303. The business telephone number is: (404) 688-0472. The primary person to contact is: GMEBS Legal Counsel.

Authorization for Amendments. Effective on and after February 17, 2005, the Adopting Employer hereby authorizes the pre-approved plan provider who sponsors the Plan on behalf of GMEBS to prepare amendments to the Plan, for approval by the Board, on its behalf as provided under Revenue Procedure 2005-16, as superseded by Revenue Procedure 2015-36, Revenue Procedure 2011-49, and Announcement 2005-37. Effective January 1, 2013, Georgia Municipal Association, Inc., serves as the pre-approved plan provider for the Plan. Employer notice and signature requirements were met for the Adopting Employer before the effective date of February 17, 2005. The Adopting Employer understands that the implementing amendment reads as follows:

On and after February 17, 2005, the Board delegates to the Provider the authority to advise and prepare amendments to the Plan, for approval by the Board, on behalf of all Adopting Employers, including those Adopting Employers who have adopted the Plan prior to the January 1, 2013, restatement of the Plan, for changes in the Code, the regulations thereunder, revenue rulings, other statements published by Internal Revenue Service, including model, sample, or other required good faith amendments (but only if their adoption will not cause such Plan to be individually designed), and for corrections of prior approved plans. These amendments shall be applied to all Adopting Employers. Employer notice and signature requirements have been met for all Adopting Employers before the effective date of February 17, 2005. In any event, any amendment prepared by the Practitioner and approved by the Board will be provided by the Administrator to Adopting Employers.

Notwithstanding the foregoing paragraph, no amendment to the Plan shall be prepared on behalf of any Adopting Employer as of either:

- the date the Internal Revenue Service requires the Adopting Employer to file Form 5300 as an individually designed plan as a result of an amendment by the Adopting Employer to incorporate a type of Plan not allowable in a pre-approved plan as described in Revenue Procedure 2017-41; or
- as of the date the Plan is otherwise considered an individually designed plan due to the nature and extent of the amendments.

If the Adopting Employer is required to obtain a determination letter for any reason in order to maintain reliance on the opinion letter, the Provider's authority to amend the Plan on behalf of the Adopting Employer is conditioned on the Plan receiving a favorable determination letter.

The Adopting Employer further understands that, if it does not give its authorization hereunder or, in the alternative, adopt another pre-approved plan, its Plan will become an individually designed plan and will not be able to rely on the pre-approved plan opinion letter.

Reliance on Opinion Letter. As provided in Revenue Procedure 2017-41, the Adopting Employer may rely on the Plan's opinion letter, provided that the Adopting Employer's Plan is identical to the GMEBS Plan, and the Adopting Employer has not amended or made any modifications to the Plan other than to choose the options permitted under the Plan, Adoption Agreement, and any Addendum.

- (b) **Effect of April 5, 2016, Plan Freeze for Elected or Appointed Members of the Governing Authority**
 - (i) **Treatment of Elected or Appointed Members of the Governing Authority Who Hold Office on April 5, 2016** – Elected or appointed members of the Governing Authority who were in Service with the City of Kennesaw as of April 5, 2016, no longer accrue benefits under this Plan, effective April 5, 2016. Service with the City as an elected or appointed member of the Governing Authority on or after April 5, 2016, will not be taken into account for any purpose under this Plan (e.g., for purposes of meeting benefit eligibility requirements or computing the amount of any benefit payable under the Plan). Such a Participant's eligibility for Retirement and pre-retirement death benefits and the amount of any benefits payable under this Plan, if any, with respect to Service with the City prior to April 5, 2016, will be determined in accordance with the applicable terms of this Plan as of April 4, 2016, and the Participant's Credited Service with the City as of such date; provided, however, that said Participants will be considered 100% Vested in their Normal Retirement benefit accrued up until April 4, 2016, to the extent funded. See also Section 14 of this Addendum regarding Frozen Plan Provisions.
 - (ii) **Treatment of Elected or Appointed Members of the Governing Authority Who Initially Take Office on or after April 5, 2016** – Elected or appointed members of the Governing Authority who initially hold such office on or after April 5, 2016, will not be eligible to participate

in or accrue any benefits under this Plan with respect to service as an elected or appointed member of the Governing Authority.

- (iii) **Former Elected or Appointed Members of the Governing Authority; Effect of Return to Service; No Further Benefits to Accrue under this Plan** – Notwithstanding any provision to the contrary, if a former elected or appointed member of the Governing Authority who is not in Service as of April 5, 2016, returns to service with the City as an elected or appointed member of the Governing Authority after April 5, 2016, such former elected or appointed member of the Governing Authority shall not accrue any benefits under this Plan with respect to service with the City as an elected or appointed member of the Governing Authority on or after the date of said return to service. Such former elected or appointed member of the Governing Authority's Vested status, eligibility for Retirement and pre-retirement death benefits, and the amount of any benefits payable under this Plan, if any, with respect to Service with the City prior to said return to office will be determined in accordance with the applicable terms of this Plan in effect as of the date of said member's most recent vacation of office prior to April 5, 2016, and the former elected or appointed member of the Governing Authority's Credited Service with the City as of the date of said vacation of office. Service as an elected or appointed member of the Governing Authority on or after April 5, 2016, will not be taken into account for any purpose under this Plan (e.g., for purposes of meeting benefit eligibility requirements or computing amount of benefits payable under this Plan). See also Section 14 of this Addendum regarding Frozen Plan Provisions.
- (iv) **In-Service Death Benefit; Imputed Service** – Notwithstanding any provision in the Adoption Agreement to the contrary, for purposes of calculating the Actuarial Reserve In-Service Death Benefit set forth in Section 18(A)(2) of the Adoption Agreement, an elected or appointed member of the Governing Authority's Total Credited Service shall include Total Credited Service accrued prior to April 5, 2016, plus one-half (1/2) of the Participant's imputed Service between the Participant's date of death and the date that otherwise would have been the Participant's Normal Retirement date.

***** Item (15) of Pre-approved Addendum – Not Applicable *****

(16) Other (May include, but shall not be limited to, provisions relating to Basic Plan Document Sections 6.03, 6.06, 8.04, 8.06, 8.08, 8.09, 8.10, 8.12, 9.01, and 9.02) (must specify in a manner that satisfies the definite written program requirement of Treasury Regulation 1.401-1(a)(2) and the definitely determinable requirement of Treasury Regulation 1.401-1(b)(1)(i)):

(a) Enhanced Rule of 75 Benefit with 3 Year Final Average Earnings

- (i) 2003 Election by Employees.** During the month of February, 2003, Eligible Regular Employees were given the opportunity to elect to regularly contribute 2% of their Earnings to the Retirement Plan beginning with the pay period which commenced on March 1, 2003, and ended March 14, 2003, or if later the first pay period after they became a Participant in the Retirement Plan, in exchange for the opportunity to receive the enhanced "Rule of 75" retirement benefit ("Enhanced Rule of 75 Benefit") (see Section 14(C)(3) of the Adoption Agreement). Computation of the Enhanced Rule of 75 Benefit is based upon 36 Month Final Average Earnings, rather than 60 Month Final Average Earnings (see Section 15(B)(3) of Adoption Agreement). The Enhanced Rule of 75 Benefit is not available to elected or appointed members of the Governing Authority.
- (ii) Election Form Must Have Been Submitted by February 28, 2003.** Employees were given the opportunity to make an election to contribute 2% of their Earnings in exchange for the opportunity to receive the Enhanced Rule of 75 Benefit by completing and signing a form provided by the City for such purpose. To be effective, the election form must have been completed and submitted to the Pension Committee Secretary no later than the close of business on Friday, February 28, 2003. If an Eligible Regular Employee was initially employed or reemployed during the month of February 2003, the Employee had 30 days after becoming employed to submit the election form.
- (iii) Effect of Failure to Elect.** Any Employee who failed or declined to complete and submit a signed election form within the time limit specified in paragraph 16(a)(ii) above was deemed to have elected not to receive the Enhanced Rule of 75 Benefit. Said Employee is not required or permitted to make contributions to the Plan in exchange for the opportunity to receive the Enhanced Rule of 75 Benefit, and

such Employee will not be entitled to receive such benefit.

- (iv) **Election is Irrevocable.** An election made or deemed to have been made hereunder shall be irrevocable, notwithstanding the Employee's future Termination and reemployment with the Employer.
- (v) **Application to Eligible Regular Employees Initially Employed prior to January 4, 2021.** Eligible Regular Employees who were initially employed on or after March 1, 2003, but before January 4, 2021 (and Eligible Regular Employees not employed during the month of February, 2003, who became reemployed by the City on or after March 1, 2003 but before January 4, 2021), shall be required to contribute 2% of Earnings to the Plan upon becoming a Participant in the Retirement Plan or upon recommencing participation in the Plan, and said Employees shall have the opportunity to receive the Enhanced Rule of 75 Benefit, provided they otherwise qualify for said benefit.
- (vi) **Pre-Tax Treatment of Employee Contributions.** All Employee Contributions shall be made in the form of deductions by the City from the Earnings of each Employee. Employee Contributions made pursuant to this subsection, although designated as Employee Contributions, will be paid by the City in lieu of Contributions by the Employee pursuant to and in accordance with Internal Revenue Code §414(h). Employees shall not have the option of choosing to receive said amounts directly, instead of having them paid to the Plan by the City. The terms of the Basic Plan Document and Adoption Agreement concerning employer pick-up of Employee Contributions shall otherwise control the treatment of Contributions made to the Plan.
- (vii) **Interest on Contributions.** Contributions made pursuant to this subsection 16(a) shall earn a pro rata share of any and all interest, dividends, and capital gains or losses earned on the invested or reinvested funds of the GMEBS Investment Fund. Said interest shall be credited in accordance with procedures established by GMEBS.
- (viii) **Return of Contributions in Case of Termination Prior to Qualifying for Rule of 75; Eligible Regular Employees Initially Employed Prior to April 1, 2020.** This provision applies to Eligible Regular Employees who were initially employed prior to April 1, 2020, who are required by election or upon employment or reemployment to make 2% Employee Contributions under the Plan. If such a Participant Terminates employment before qualifying for the Enhanced Rule of 75 Benefit, then the Participant's Contributions plus credited interest shall be returned to the Participant upon such Termination. In such case, the Participant shall not be entitled to receive the Enhanced Rule of 75 Benefit, but shall not otherwise forfeit Credited Service under the Plan. The Participant's Retirement benefit, if any, shall be computed based

upon 60-month average earnings, unless the Participant is later reemployed with the City and repays said Contributions with interest as provided in paragraph 16(a)(ix) below, and unless the Participant otherwise qualifies for the Rule of 75 benefit. If Termination is due to the death of the Participant, contributions plus interest credited thereon shall be returned to the Participant's Pre-Retirement Beneficiary.

- (ix) **Repayment of Employee Contributions Following Reemployment; Mandatory Employee Contributions Following Reemployment.** This subparagraph relates to the following Participants who Terminate employment prior to reaching the Rule of 75 and become reemployed on or after March 1, 2003: (A) Eligible Regular Employees who previously elected the Enhanced Rule of 75 Benefit; and (B) Eligible Regular Employees referenced in paragraph 16(a)(v) above, who were initially employed prior to April 1, 2020. Such a Participant shall be required to repay to the Plan upon reemployment any Contributions previously returned to the Participant, with 5% interest compounded annually from the date of said return. Said repayment shall be made in the form of a single, lump-sum, after-tax contribution paid to the Plan within 1 year of reemployment. If such a Participant fails to repay the full amount of returned Contributions plus 5% interest within one year of reemployment (or if earlier, before the Participant's death or Termination of employment), then the opportunity to receive the Enhanced Rule of 75 Benefit (either in the form of an enhanced Retirement benefit or an enhanced in-service death benefit) shall be forfeited. Additionally, such Participants shall be required to contribute 2% of their Earnings to the Retirement Plan throughout their period of reemployment, regardless of whether previously withdrawn Employee Contributions are repaid (with interest) within the one-year period following reemployment described above. In the event a Participant described herein again Terminates employment prior to attaining the Rule of 75, the Participant's Employee Contributions shall be returned again in accordance with paragraph 16(a)(ix) above.
- (x) **Reemployment Where Election Declined.** If an Employee elected not to receive the Enhanced Rule of 75 Benefit pursuant to paragraphs 16(a)(i) and (ii) above (or is deemed to have elected not to receive said benefit pursuant to paragraph 16(a)(iii) above) and the Participant's employment with the City is Terminated on or after March 1, 2003, the Employee will not have the opportunity to elect the Enhanced Rule of 75 Benefit if the Employee later becomes reemployed with the City.

Said employee will not be required or permitted to make Contributions to fund such benefit upon reemployment.

- (xi) **Return of Contributions in Case of Death in Service After Meeting Rule of 75.** If a Participant who has made Contributions in accordance with this subsection 16(a) dies in the Service of the City after qualifying for the Enhanced Rule of 75 Benefit, then the pre-retirement death benefit payable on the Participant's behalf shall be computed taking into account the Participant's 36-month (rather than 60-month) Final Average Earnings. Contributions made by the Participant pursuant to this subsection 16(a) shall be used to fund the pre-retirement death benefit payable to the Participant's Pre-Retirement Beneficiary. If the Pre-Retirement Beneficiary dies after said Beneficiary has begun receiving death benefits, but before the sum of all benefits paid to the Pre-Retirement Beneficiary equals the amount of Contributions made by the Participant and interest credited thereon, then a lump sum payment in the amount of the difference will be paid in accordance with the applicable provisions of Section 13.06(c) of the Basic Plan Document, and no further benefits will be payable.
- (xii) **Return of Contributions in Case of Death After Retirement.** If a Participant retires with an Enhanced Rule of 75 Benefit, then any Contributions made by the Participant pursuant to this subsection 16(a) shall be used to fund the Participant's Retirement benefit and the post-retirement death benefit payable to the Participant's Post-Retirement Beneficiary, if any.

If said Participant has designated a Post-Retirement Beneficiary, and if the Post-Retirement Beneficiary dies after she said Beneficiary has begun receiving post-retirement death benefits, then in the event the sum of all benefits paid to the Participant and the Participant's Post-Retirement Beneficiary does not equal or exceed the amount of Contributions made by the Participant plus interest credited thereon, then a lump sum payment in the amount of the difference will be paid in accordance with the applicable provisions of Section 13.06(a) of the Basic Plan Document, and no further benefits will be payable.

If the Participant elects a form of benefit payment which does not permit designation of a Post-Retirement Beneficiary, or if the Participant elects a form of payment which permits such designation but the Participant's designated Post-Retirement Beneficiary does not survive the Participant, and if the sum of Retirement benefits paid to the Participant does not equal or exceed the sum of Contributions made by the Participant plus interest credited thereon, then a lump sum payment in the amount of the difference will be paid in accordance with the applicable provisions of Section 13.06(a) of the Basic Plan Document, and no further benefits will be payable.

- (xiii) **No Withdrawal of Contributions.** No person shall be permitted to withdraw all or any part of Contributions made pursuant to this subsection 16(a), except as otherwise provided herein.
 - (xiv) **Minimum Contribution Requirement.** In addition to any other Service requirements hereunder, a Participant to whom this subsection 16(a) applies must make 2% Contributions for at least one (1) year before applying to receive the Enhanced Rule of 75 Benefit.
 - (xv) **Return of Contributions after Attaining Rule of 75.** Participants who (A) were initially employed prior to April 1, 2020, (B) are required to make mandatory Employee Contributions, and (C) Terminate after attaining the Rule of 75, may request a return of said Employee Contributions upon Termination. Such Participants shall forfeit the Enhanced Rule of 75 benefit (including the 36-month Final Average Earnings calculation). Any such Participant who receives a return of Contributions under this paragraph 16(a)(xv) will otherwise retain all Credited Service and, upon applying for Early Retirement or Normal Retirement, as applicable, (or upon said Participant's death prior to Retirement) the 60-month Final Average Earnings will apply to determine the Participant's monthly Retirement benefit (or the pre-retirement death benefit payable on behalf of such Participant, if applicable).
 - (xvi) **Eligible Regular Employees Initially Employed on or after April 1, 2020 but before January 4, 2021; Withdrawal of Employee Contributions; Repayment upon Reemployment.** Notwithstanding any provision to the contrary, Eligible Regular Employees who were initially employed on or after April 1, 2020, but before January 4, 2021, shall be required to contribute 2% of their Earnings under the Plan. The provisions of Section 13.03 of the Basic Plan Document, relating to "Withdrawal of Employee Contributions" shall govern with respect to withdrawal of Contributions made by such Participants, and repayment thereof in the event of reemployment. For the sake of clarity, in the event such a Participant withdraws Employee Contributions following Termination of Employment, said Participant shall forfeit, for the Participant, the Participant's heirs and assigns, all rights, title and interest in the Plan, except as described in Section 13.03(d) of the Basic Plan Document relating to repayment of Employee Contributions upon reemployment. Regardless of whether such a Participant repays Employee Contributions upon reemployment, the Participant shall be required to make Employee Contributions throughout the Participant's period of reemployment.
- (b) **Eligible Regular Employees Initially Employed on or after January 4, 2021; No Opportunity for Enhanced Rule of 75 Benefit; 4% Employee Contributions.** Notwithstanding any provision to the contrary, Eligible

Regular Employees initially employed on or after January 4, 2021, shall not have the opportunity to receive the Enhanced Rule of 75 Benefit and shall be required to contribute 4% of Earnings to the Plan, as provided in the Adoption Agreement. The applicable provisions of the Adoption Agreement and Basic Plan Document shall govern treatment of Eligible Regular Employees initially employed on or after January 4, 2021.

- (c) **Waivers of Participation; Prior Waiver of Participation Irrevocable.** Effective March 1, 2003, participation in the Plan will be mandatory for all Eligible Employees (including elected and appointed members of the Governing Authority, until April 5, 2016, on which date the Plan was frozen with respect to participation by elected or appointed members of the Governing Authority) who satisfy the eligibility conditions specified in the Adoption Agreement, except for future City Managers for whom participation will be optional in accordance with the provisions in Section 12 of the Adoption Agreement. For such City Managers, the time limit for electing to participate will be 30 days, rather than the 120-day limit referred to in Section 12 of the Adoption Agreement. If an election is not made within this time limit, this will be deemed an irrevocable election not to participate in the Plan.

Notwithstanding the foregoing, any Eligible Employee who prior to March 1, 2003, elected not to participate in the Plan will not be permitted to participate in the Plan or receive credit for any purpose under the Plan (e.g., for Vesting, benefit eligibility, or benefit computation purposes) for any period of service before or after March 1, 2003.

MEMORANDUM VIA E-MAIL
(backer@kennesaw-ga.gov)

TO: Mr. Brian Acker
HR Director

FROM: Ms. Gwin Hall
Senior Associate General Counsel

SUBJECT: **Action Required: Georgia Municipal Employees Benefit System
Defined Benefit Retirement Plan Restatement**

The City of Kennesaw previously adopted the Georgia Municipal Employees Benefit System ("GMEBS") Defined Benefit Retirement Plan ("Plan"), which is comprised of the Basic Plan Document, Adoption Agreement, and General Addendum. The Plan is considered a "qualified plan" under the Internal Revenue Code, which is important to ensure the tax-exempt status of the trust fund.

To protect the Plan's tax-qualified status, GMEBS filed draft restated Plan documents, updated to include recent amendments and comply with changes in federal tax law, with the IRS on June 29, 2022. On August 31, 2023, the IRS issued a favorable opinion letter ("IRS opinion letter") for the restated Plan documents. The IRS opinion letter provides assurance to employers providing retirement benefits for their employees through the GMEBS Plan that GMEBS is maintaining a qualified pension benefit program that allows employees to accrue benefits tax-free until retirement benefits are distributed to them.

To ensure continued tax-qualified status for all GMEBS-member retirement plans, all participating employers must readopt their plans using the most recent IRS-approved document templates. To this end, we have completed the attached Adoption Agreement and General Addendum, which include the benefit and eligibility provisions that you currently have in place, for the city's approval.

If the draft documents are acceptable, please have the designated representatives sign and date where indicated (Adoption Agreement, p. 39, and General Addendum, p. 11). Next, please scan and email the documents to Gina Gresham at rgresham@gacities.com no later than **July 2, 2024**. We will then countersign the documents and return electronic copies to you. Please note, GMEBS will not execute documents that have been edited by the city. If the documents require revisions, please let us know before adopting them.

Mr. Brian Acker

May 2, 2024

The draft documents will take effect on the date of their approval by the city. **Please note that per O.C.G.A. § 47-5-40, the Adoption Agreement has been drafted in the form of an ordinance.**

Please note the General Addendum contains certain provisions (Section 16) which do not fit squarely within the standard GMEBS General Addendum format. Thus, it will be necessary to file the city's Plan with the IRS for a separate opinion letter. Following the city's approval of the enclosed restated Plan documents, we will work with GMEBS's tax counsel to prepare the IRS filing documents for the city's signature.

We have also attached a copy of the restated Basic Plan Document and Amendment 1, which do not need to be adopted by the city. Finally, we have included a summary of key amendments to the Plan relating to the restatement.

If you have any questions about the contents of this letter or require further information, please contact Gina Gresham.

Dear Applicant:

In our opinion, the form of the plan shown above is acceptable for employers to use for their employees' benefit under Internal Revenue Code (IRC) Section 401.

We considered the changes in qualification requirements in the 2020 Cumulative List of Notice 2020-14, 2020-13 Internal Revenue Bulletin (I.R.B.) 555. Our opinion relates only to the acceptability of the form of the plan under the IRC. We didn't consider the effect of other federal or local statutes.

You must provide the following to each employer who adopts this plan:

- . A copy of this letter
- . A copy of the approved plan
- . Copies of any subsequent amendments including their dates of adoption
- . Direct contact information including address and telephone number of the plan provider

Our opinion of the plan's form acceptability is a determination of the plan's qualification as adopted by a particular employer only under the circumstances, and to the extent, described in Revenue Procedure (Rev. Proc.) 2017-41, 2017-29 I.R.B. 92. The employer who adopts this plan can generally rely on this letter to the extent described in Rev. Proc. 2017-41. Thus, Employee Plans Determinations, except as provided in Section 12 of Rev. Proc. 2023-4, 2023-01 I.R.B. 162 (as updated annually), will not issue a determination letter to an employer who adopts this plan. Review Rev. Proc. 2023-4 to determine if an adopting employer is eligible to submit a determination letter application and, if so, how. The employer must also follow the terms of the plan in operation.

Except as provided below, our opinion doesn't apply to the requirements of IRC Sections 401(a)(4), 401(a)(26), 401(l), 410(b), and 414(s). Our opinion doesn't apply to IRC Sections 415 and 416 if an employer maintains or ever maintained another qualified plan for one or more employees covered by this plan.

Our opinion doesn't apply to:

- . Treasury Regulations (Treas. Reg.) Section 1.401(a)-1(b)(2) requirements where the normal retirement age under the employer's plan is below 62.
- . Proposed Treas. Reg. 1.401(a)-1(b)(2) requirements where the employer's plan is a governmental plan and its normal retirement age doesn't satisfy one of the safe harbors under the proposed regulations.

Our opinion doesn't constitute a determination:

- . That the plan is an IRC Section 414(d) governmental plan. Nor is this a ruling as to the tax treatment of contributions that are picked up by the governmental employing unit per IRC Section 414(h)(2).
- . That the plan is an IRC Section 414(e) church plan.

A non-electing church plan may not rely on our opinion for rules governing pre-Employee Retirement Income Security Act (ERISA) participation and coverage.

Our opinion applies to the requirements of IRC Sections 410(b) and 401(a)(26) (other than the 401(a)(26) requirements that apply to a prior benefit structure) if 100% of all non-excludable employees benefit under the plan.

Employers who choose a safe harbor benefit formula and a safe harbor compensation definition may also rely on this opinion letter for the non-discriminatory amounts requirement under IRC Section 401(a)(4).

If this plan provides for voluntary employee contributions subject to IRC Section 401(m), the employer may rely on the opinion letter for the form of the nondiscrimination test of IRC Section 401(m)(2) if the employer uses a safe harbor compensation definition.

Except as provided in Section 5.18(2) of Rev. Proc. 2017-41, an employer who adopts a cash balance plan cannot rely on an opinion letter for the requirements of IRC Section 411(b)(1) where the cash balance formula uses a structure of principal credits that increase with age, service, or other measure during a participant's employment.

This opinion letter doesn't cover any provisions in trust or custodial account documents:

- . Trusts or custodial account documents can't contain a provision that the provisions of the trust override the provisions of the plan.
- . This plan's provisions override any conflicting provision in the trust or custodial account documents used with the plan.
- . An adopting employer may not rely on this letter to the extent a trust or custodial account's provisions in a separate part of the plan override or conflict with the plan document provisions.
- . This letter does not constitute a ruling or determination as to the exempt status of related trusts or custodial accounts under IRC Section 501(a).

An employer who adopts this plan may not rely on this letter when the employer:

- . Uses the plan to amend or restate a plan which wasn't previously qualified.
- . Adopts it before the opinion letter is issued.
- . Doesn't correctly complete the adoption agreement or other elective provisions in the plan.
- . Made amendments that cause the plan not to be considered identical to the pre-approved plan, as described in Section 8.03 of Rev. Proc. 2017-41.

Our opinion doesn't:

- . Apply to what is contained in any applicable documents referenced outside the plan or adoption agreement, such as a collective bargaining agreement.
- . Consider issues under ERISA Title I, which are administered by the Department of Labor.

You must include your address and telephone number on the pre-approved plan or the plan's adoption agreement, if applicable, so that adopting employers can contact you directly.

If you, the pre-approved plan provider, have questions about your case, you can:

- . Call the telephone number at the top of the first page of this letter. This number is only for the provider's use. Individual participants or adopting employers with questions about the plan should contact you.
- . Write to us - provide your telephone number and the best time to call if we need more information.

Whether you call or write, reference the letter serial number and file folder number at the top of the first page of this letter.

Let us know if you change or discontinue sponsorship of this plan.

Keep a copy of this letter for your records.

Sincerely,

Daniel Dragoo

**SUMMARY OF KEY AMENDMENTS
TO THE RESTATED
GEORGIA MUNICIPAL EMPLOYEES BENEFIT SYSTEM
DEFINED BENEFIT RETIREMENT PLAN**

I. GENERAL OVERVIEW

On August 31, 2023, the IRS issued a favorable opinion letter for the Amended and Restated Third Six-Year Cycle Georgia Municipal Employees Benefit System Defined Benefit Retirement Plan ("DB Plan" or "Plan"). The Plan, as approved, incorporates required federal law updates, as well as administrative updates adopted by the Board of Trustees of GMEBS over the last several years. The IRS requires that each Adopting Employer sign an updated DB Plan Adoption Agreement (and Addendum, if applicable).

II. SUMMARY OF KEY CHANGES TO THE BASIC PLAN DOCUMENT

Participating employers have already been apprised of the content of all amendments adopted by the Board before August 31, 2023. However, during its review, the IRS required GMEBS to include additional amendments in the restated Plan documents. The following information summarizes those amendments, as well as Amendment 1 to the Basic Plan Document, which was approved by the Board of Trustees on September 22, 2023.

- ❖ **Change from “Master Plan Document” to “Basic Plan Document”** – The IRS changed its terminology for pre-approved plan documents from “Master Plan document” to Basic Plan Document.”
- ❖ **Removal of Outdated Language** – GMEBS amended the Plan for administrative purposes to move provisions that were no longer in effect or no longer applicable.
- ❖ **Minimum Age Limits for In-Service Distribution** – As a general rule, employees or elected officials may not draw retirement benefits while employed. The Basic Plan document states that if a plan allows in-service distribution, a participant must be at least age 62, or satisfy certain “safe harbor” age and service combinations established in IRS regulations, to receive retirement benefits while employed. If a plan allows in-service distribution and has an alternative normal retirement provision with a minimum age of at least 50 specifically for public safety employees (or that satisfies certain IRS “safe harbor” age and service qualifications that apply to public safety employees), public safety employees who are eligible for the alternative normal retirement may receive an in-service distribution even if they are younger than age 62. Though Congress amended federal law in 2019 to allow plans to set normal retirement ages at a minimum age of 59 ½, the IRS’s opinion letter for the DB Plan specified it would not apply to plans that allowed in-service distribution at ages younger than 62 (or 50 for public safety employees) or that did not satisfy one of the IRS’s safe harbors for in-service distribution. **As in prior restatements, GMEBS plans that currently have in-service distribution provisions that don’t meet these requirements will have the opportunity to file for separate IRS approval of these provisions.** “In-service distribution” means a distribution of normal or alternative normal retirement benefits without a bona fide separation from service. A “bona fide

SUMMARY OF KEY AMENDMENTS

separation from service” is a separation from service of at least six months with no expectation of returning to service.

- ❖ **Removal of Public Employment Related Crime Provisions** – At the request of the IRS, GMEBS removed language concerning the reduction or forfeiture of a participant’s benefits following a final conviction of a public employment related crime from the Basic Plan Document. State laws requiring a reduction in or forfeiture of retirement benefits if a participant is convicted of a public employment related crime still apply but are no longer mentioned in the Plan documents.
- ❖ **Clarification of Process for Locating an Individual Owed Benefits** – As required by the IRS, the restated Basic Plan Document details the steps an employer offering benefits under the DB Plan must take to locate an individual to whom benefits are owed under the Plan. These steps include searching Plan-related and publicly available records or directories for alternative contact information; sending certified mail to the individual’s last known mailing address and reaching out through appropriate means for address or contact information (such as email addresses and phone numbers) available to the employer; and using either a commercial locator service, a credit reporting agency or internet search tools to find the individual.
- ❖ **Federal Tax Law Updates** – The Basic Plan Document contains several federal tax law updates, including allowing rollovers to SIMPLE IRAs in certain situations, updating mortality table language relating to annual benefit limits, and allowing employers to amend the plan as necessary to satisfy Section 415 of the Internal Revenue Code, even if doing so impacts benefits.
- ❖ **Voting Representative; Trustees** – GMEBS updated language in the Basic Plan Document designating employers’ voting representative for GMEBS purposes to be consistent with the GMEBS Bylaws. The language provides that, unless otherwise directed by an employer’s chief executive, a GMEBS trustee will be considered his or her employer’s designated voting representative. For all other employers, the chief executive or administrative officer will be the employer’s voting representative.
- ❖ **Use of Trust Fund Assets** – The Basic Plan Document stipulates that trust fund assets can be used to pay reasonable fees, taxes and expenses of the Plan and Trust.
- ❖ **Reversion of Assets in Event of Plan Termination** – Per the request of the IRS, GMEBS amended the Basic Plan Document to state that, in the event an employer’s plan is terminated, excess trust fund assets remaining after paying all vested accrued benefits to all participants can only revert to the employer if the excess was due to an actuarial error.
- ❖ **Added Language to Adoption Agreement Regarding Compliance with Federal Law when an Employer Has More than One Defined Benefit Retirement Plan** – Per the request of the IRS, the Adoption Agreement contains a new Section 15(G) concerning Section 415(b) of the Internal Revenue Code, when an employer has more than one defined benefit retirement plan. This provision will be blank in most GMEBS employers’ Adoption Agreements.

SUMMARY OF KEY AMENDMENTS

- ❖ **Adjusted Minimum Ages for Commencement of Required Minimum Contributions** – The SECURE Act of 2019 and 2022’s SECURE 2.0 raised the age at which participants have to start drawing retirement benefits. These changes were not included in the restated Basic Plan Document reviewed by the IRS. However, on September 23, 2023, the Board of Trustees of GMEBS adopted Amendment 1 to the Restated Plan to implement these updates. Currently, a terminated vested participant must retire no later than the April 1 following the date the participant turns 73. Starting in 2033, a terminated vested participant must retire no later than the April 1 following the date the participant turns 75.

the above identified child). If you fail to appear at the hearing on the Petition for Termination of Parental Rights, then the court can terminate your parental rights in your absence. If the court of the trial finds that the child is in the best interests of the child and that termination of your rights will serve the best interests of your child, the court can enter a judgment ending your rights to your child. If the judgment terminates your parental rights, you will no longer have any rights to your child. This means that you will not have the right to visit, contact, or have custody of your child or your child's earnings or property. Your child will be legally free to be adopted by someone else. Even if your parental rights are terminated, you will still be responsible for providing financial support (child support payments) for your child until your child is adopted and your child can still inherit from you unless and until your child is adopted. The Petition for Termination of Parental Rights is a very serious matter and it is suggested that you contact an attorney immediately so that you can be prepared for the court hearing on such petition. You have the right to hire an attorney and to have the attorney represent you. If you cannot afford to hire an attorney, then the juvenile court of Cobb County, Georgia, will appoint an attorney to represent you. If the court finds that you are an indigent person, whether or not you decide to hire an attorney or not, you have the right to have the right to attend the hearing on such petition, to call witnesses on your behalf, and to question those witnesses brought against you. A copy of the petition for termination of parental rights may be obtained from the clerk of the Juvenile Court of Cobb County, Georgia, which is located at 32 Woodell Street, Marietta, Cobb County, Georgia 30066, during regular business hours, Monday through Friday, 8:30 a.m. until 5:00 p.m., exclusive of holidays. A free copy shall be provided to you. (Judge referred to the child in the temporary custody of the Department of Family and Children Services of Cobb County, Georgia. The general nature of the allegations are that parental responsibilities and obligations owed to said child have been abandoned.)

Cheatham, 2774 Cobb Parkway NW, Suite 109-118, Marietta, Georgia, an answer or other responsive pleading within sixty (60) days of the date of the order for service by publication.

All concerned parties are informed that they are entitled to have an attorney represent them and if a party requests appointed counsel and qualifies for such appointment, then the court will appoint counsel at no cost if the party is unable, without financial hardship, to employ counsel.

A. **Resolution: Main Street Program Memorandum of Understanding**

Consideration to approve a resolution for the Georgia Start-Up Main Streets Program Memorandum of Understanding between the City of Kennesaw and the Georgia Department of Community Affairs.

Downtown/ Main Street Manager Miranda Taylor presented a resolution for the Georgia Start-Up Main Streets Program Memorandum of Understanding (MOU). The MOU outlines the expectations of the city's participation in the program and the support provided by the Department of Community Affairs.

After receiving confirmation from the Council, Mayor Easterling suggested moving the item to the Consent Agenda for the regular meeting.

B. **Discussion:** Potential South Main Street Assemblage.

Economic Development Director Luke Howe discussed the potential of a South Main Street assemblage and requested direction from the Mayor and Council before proceeding with the work it will take to put the assemblage together. After much discussion, the Mayor and Council determined they would like Mr. Howe to proceed. Mr. Howe noted that because this project would be a significant undertaking, he does not anticipate the project breaking ground until 2027.

C. **Discussion:** East Park Concept.

Economic Development Director Luke Howe discussed pivoting on a portion of the East Park development. The original plan for East Park called for 277 mid-rise apartments, 302 garden-style units, 194 senior units, a Lidl grocery store and approximately 3.25 acres of Cherokee-fronting commercial. Unfortunately, last fall, the senior apartment developer backed out of the deal, and staff, along with the property owner, have had difficulty in identifying a new senior apartment developer. The developer of Market District Crabapple in Milton and Adair Park in Woodstock has approached staff with a proposal for the balance of undeveloped property called the "Promenade."

Because the pivot in direction will require a lot of work, Mr. Howe wanted to gauge the Mayor and Council's interest in the proposal. The Mayor and Council were interested in proceeding with some notes for Mr. Howe to consider. Councilmember Ferris shared his concerns about the developer following through with the commercial piece and asked what options the city had to hold the developer to it. Councilmember Jones expressed interest in continuing to pursue senior apartments. Mayor Easterling emphasized the need for the balance of land to look like a planned development.

D. **Discussion:** Arris/ Core Commercial Parcel Section Abandonment.

Economic Development Director Luke Howe primed the Mayor and Council on the abandonment of a parcel for the Arris Holdings/Core sale. As the developers began negotiations to sell their commercial parcels, they realized a small sliver of the property is owned by the city. Legal has advised that an amendment to the Joint Development Agreement made back in 2019 will suffice to remedy the situation. The City Attorney is

still crafting the amendment.

21. Council Reports & Discussions

A. Discussion: Treehouse Demolition

As requested by Councilmember Madelyn Orochena

Councilmember Orochena requested a discussion about the demolition of the treehouse at 2924 Galt Place. Dr. Drobney had the city's Building Official, Scott Banks, go back out to the address over a week ago to meet with the property owner. The owner had been issued a notice to meet certain requirements given by Mr. Banks by June 8, 2024, to be able to retain the structure as a playground for the owners' children. The structure must not be used for commercial purposes. It is up to the property owner whether they choose to do so. However, if they do not, penalties will begin to accrue on June 9, 2024.

Mr. Banks further elaborated on the conversations he had with the property owner. He shared that the city's requirements would be to not use the treehouse in any commercial way. The beds and furniture must be removed and other commercial aspects such as the electrical and plumbing must be removed as well. The treehouse being used exclusively as a play structure is not covered by building code.

Once those requirements are met, the city will come into an agreement with the property owner and if the agreement is violated, the city would move straight into issuing citations.

Councilmember Jones asked if the property owner shows good faith and is attempting to come into compliance, but cannot do so before the deadline, could there be any leeway given. Mr. Banks responded that he would follow the process that treats everyone the same. If a citation is issued, that citation has a court date. At that time, the property owner could speak to Mr. Bentley to request extra time. In following the

process, it would be up to the Judge or the City Solicitor.

22. Executive Session

Pursuant to the provisions of O.C.G.A 50-14-3, the City Council could, at any time during the meeting, vote to close the public meeting and move to executive session to discuss matters relating to litigation, legal actions and/or communications from the City Attorney; and/or personnel matters; and/or real estate matters.

KENNESAW HISTORY

Kennesaw Mountain Hotel

Kennesaw Mountain in
1887

June 15, 1887
Kennesaw Gazette

Because Kennesaw Mountain is so well preserved today by the National Park Service, it is easy to forget that it could have been developed commercially. This almost happened back in 1888, when the Marietta and North Georgia Real Estate and Investment Company attempted to build a hotel at the summit.

The company in some accounts is given the lengthy abbreviation the M. & N. G. R. E. & I. Co., and was founded by a man named J. H. Mountain. The company planned to build a streetcar line to a mountain top hotel. The mountain's owner, the eccentric W. J. M. Hames, was involved initially with the development but later backed out. Because of his leaving the project, the company pivoted to building a neighborhood in Marietta, which also never came to fruition. J. H. Mountain, who conceived the idea, was arrested less than a decade later for defrauding a South Carolina town, so it is also possible his Kennesaw Mountain plan was nothing more than a scam.

Hello,

My name is Omid Ferdowsi. I'm writing in regards to the intersection of Cherokee Street and Big Shanty Drive. People often turn left onto Cherokee Street from Big Shanty Drive during hours it is not allowed. In addition to this, when a train comes and traffic backs up on Cherokee Street, some people will switch lanes and drive the wrong way on Cherokee Street to turn on Big Shanty. This happens even though people are turning right from Big Shanty onto Cherokee. There's a high risk of a head on accident waiting to happen here during afternoon rush hour.

I would love to see a crack down on the above-mentioned drivers who risk the lives of everyone else for their convenience. Further, can we get a sign on Cherokee Street that gives people directions to the detour that would take them around and above the train and onto Main Street?

I appreciate your time.

Thank you,

Omid Ferdowsi

Subject: Citizen Concern - Main Street Speeding

CAUTION: This email originated from outside the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Good evening Chief Westenberger,

I should have done this years ago but I am writing to you, the Mayor, and City Council in regards to the concerns I have around speeding on Main Street where I've lived for the past 8 years. I'm sure this is no news to you as it is probably the most common complaint I've heard around town and online in regards to our city.

My request to you and the KPD is an increased police presence on Main Street, specifically on the roads leading in/out of the Central Business District as most drivers seem to slow down on the main strip of downtown but speed up as soon as they're out of the business district. I sometimes do see officers posted in the parking lot of Kennesaw First Baptist and it's music to my ears when I hear them pull over a speeder. However, this is few and far between and my hope would be that a more consistent presence would encourage drivers to abide by the speed limit through the entire 25 mph zone and not just a small part of it. The KPD social media pages could also run a campaign so to speak to remind residents of where the 25 mph starts/stops in addition to giving notice that there will be an increased focus on speeding. Make it known that speeding through our downtown will more than likely end in a ticket. If increasing the frequency of officers on Main Street is not an option I'm genuinely curious as to the reasoning why?

In addition to all of the above, I'd like to call out that at the moment there are 9 children (the majority 5 and under) living in the homes on N. Main Street and I'm sure many many more in the surrounding townhomes and apartments. My wife and I recently completely redid the fence line around our home and the driving factor for this was to make it more difficult for our 2 kids to get even remotely close to Main Street while playing outside as we've watched people driving 45+ mph down it daily for years.

As for the Mayor and Council, I would love to see more permanent solutions put into place such as an additional "Your Speed" sign leading out of the CBD similar to the one leading into it. Most of the speeding I see is leaving the downtown area as opposed to going into it. Speed bumps would also be wonderful, however, I understand that this may not be possible due to the road being used by emergency vehicles? Regardless, this has been a consistent issue for some time and as our city grows now is the time to shore up the safety of our streets/sidewalks before someone ends up being seriously injured.

I greatly appreciate you all taking the time to read this and all that you do for our city.

Consideration for approval to amend the street closing time of Shirley Drive during the July 3, 2024 Salute to America event.

Summary:

Fireworks are being delivered to the Southern Museum's rear parking lot on the morning of July 3rd and need to be properly managed and secured. The Cobb County Fire Marshal's Office requires blocking access to the Museum's rear parking lot from the time the fireworks are delivered to the time the fireworks show has ended. On March 18, 2024, Mayor and Council approved all road closures for various City events throughout the year. Per the Fire Marshal's requirement, this would necessitate changing the originally approved road closure time of Shirley Drive from 5:00 PM - 10:00 PM to 10:00 AM - 10:00 PM. This proposed time change will not impact the operations of nearby businesses.

Recommendation:

The Parks and Recreation Director, Facilities Director, and Cobb County Fire Marshal's Office recommend approval.
