RE: Appeal Request of Notice to Suspend Occupational Tax Certificate for The Event Lounge Kennesaw

Attn: Lea Alvarez, Kennesaw City Clerk

I, Gary Swanson, owner of The Event Lounge Kennesaw, am humbly requesting an appeal hearing for the decision to suspend the Occupational Tax Certificate for The Event Lounge Kennesaw located at 1480 Shiloh Rd NW Suite 300 Kennesaw, GA 30144 under the following considerations:

1. I accept full responsibility for the infractions noted in the suspension, although there are some extenuating circumstances I would like to explain.
2. I am a retired military disabled Veteran who has attempted to grow a successful business in the city of Kennesaw. Although I have made several errors due to lack of knowledge and some miscommunications, I have done my best to learn from each mistake and make professional adjustments when necessary.
- 3. For context, the first two offenses in question happened between 1.5 to 2 years ago and have since been corrected; they are now fully in compliance, and we have obtained the proper permits, certificates, and licenses to operate our business. This is important to note as it signifies that I've taken accountability for the offenses, learned and now have plans in place to ensure full compliance. Additionally, I attended court for each offense and the fines were reduced due to being in compliance.
4. The citations from the third offense were a result of two entertainment events rented and paid for by students at Kennesaw State University. Part of the problem was the volume and behavior of these college students and that simply got out of hand. Going forward, we will have stricter oversight on these events and ensure proper behavior, decorum and compliance with local ordinances and the law.
5. Of note, the citation, conducting a closed function without compliance in violation of Section 6-7, does not apply as we were not issue said citation.
6. Finally, the citation for the presence of alcohol, - I understand this is a grave matter and the city of Kennesaw takes alcohol-related events very seriously. Alcohol was not being

• sold at our establishment, there was no illegal consumption to minors, and it was not open to the public; so, we were mindful of these risks. However, we understand that the presence of alcohol itself is not authorized and have since been educated of the code by law enforcement. There have been no incidents since October 2024. In addition, we do intend on applying for an alcohol license in February 2025, therefore ensuring 100% legal compliance with laws and alcohol-related ordinances.

Again, I realize that as a Kennesaw business owner, I am responsible for the actions and behaviors of the personnel in my establishment. I am maturely taking responsibility for the errors and continue to appreciate the City's support of my entrepreneurial goals. As a retired Air Force leader, integrity and values are top of mind for me and I now have a disciplined and comprehensive plan to ensure The Event Lounge Kennesaw LLC runs compliantly and responsibly – becoming a strong and highly reputable pillar of the community. I am respectfully requesting that the suspension be reconsidered, and our license be reinstated. We are committed to staying in compliance of all Kennesaw Code of Ordinances and want to build an excellent business relationship with the city of Kennesaw and have a successful business.

Sincerely,

•

House Bill 581

Statewide Floating Homestead Exemption and FLOST

- Passed by House and Senate in 2024
- Signed into Law April 18th, 2024
- Referendum passed by voters November 2024

City of Kennesaw

Statewide Floating Homestead Exemption

Establishes a statewide "floating homestead" exemption based on a rate of inflation determined by DOR (Consumer Price Index)

- Requires approval through referendum in November 2024 (HR 1022); Applies to taxable years beginning in 2025 (approved by voters)
- Exemption allows assessment on homesteaded properties to only rise annually at the rate of inflation
- Property value resets with a sale or adjusts with "substantial property change"
- If your local government has an existing homestead exemption the taxpayer will receive the exemption that is more beneficial

How does HB 581 effect the current Homestead Float in Kennesaw

- There is no effect to the current homestead float in Kennesaw, Cobb County or the other cities in Cobb that currently have a floating homestead freeze
- Kennesaw's homestead float keeps the owner's primary residence property taxes from going up as a result of reassessments by increasing the amount of homestead exemption
- The increased exemption only applies to property taxes for the city general fund. It does not affect taxes for schools or bond indebtedness
- The exemption automatically renews annually as long as the owner continues to occupy the residence as his or her homestead. It terminates when the property is sold or otherwise no longer qualifies for homestead exemption
- In Kennesaw each home with a Floating Homestead has an established base year value which does not change unless some improvement is made to the property.

Implications (or options) for the City of Kennesaw

- Opt-in (we don't do anything):
 - General Fund float will remain the same
 - Bond remains the same
 - Only Homestead properties will be capped on increases
 - Significantly increased administrative burden with no benefit or change - Kennesaw property owners will continue to receive the more beneficial floating homestead exemption
- Opt-out:
 - General Fund float will remain the same
 - Bond remains the same
 - Only Homestead properties receive the current float
 - Kennesaw property owners will see no change and continue to receive the more beneficial floating homestead exemption

Let's compare...

Total Taxes Paid over 10 Year Period:				\$ 8,032.74
Additional Taxes Paid Under HB 581				\$ 282.74

Recommendation

Staff recommendation is to **opt out** of HB 581 – staying in has no benefit for the Kennesaw tax-payers on their homestead property as our current Floating Homestead exemption with a property value “freeze” is always more beneficial.

Ms. Alvarez stated the amendments included removing the existing fees as codified in the ordinance and adding that all associated fees will be set forth in the master fee schedule adopted by the Mayor and City Council. The public hearing was advertised in the Marietta Daily Journal on January 3, 2025, and January 10, 2025. Further, Legal has reviewed the ordinance.

B. Ordinance: Rezoning Request for 2112 & 2114 Old 41 Highway, 1620 North Roberts Road

Consideration for approval of an ordinance authorizing a rezoning request submitted by Fabric Housing Acquisitions, LLC for the property located at 2112 & 2114 Old 41 Hwy, and 1620 N. Roberts Rd (20017501190, 20017501210, 20017500210, 20017400080). Case #RZ2024-04

Zoning Administrator Darryl Simmons presented an ordinance authorizing a rezoning request submitted by Fabric Housing Acquisitions, LLC for property located at 2112 & 2114 Old 41 Highway and 1620 North Roberts Road. Mr. Simmons shared a recap of the application, which began in November 2024. The request was to amend the previously approved master plan which was approved in 2018 and amended in 2022. The current application has went through a number of iterations, and the applicant has requested postponement each month since November. Mr. Simmons stated staff received a letter from the applicant earlier this afternoon requesting to postpone the application until the March cycle of meetings, including the March 5, 2025 Planning Commission meeting and the March 17, 2025 City Council regular meeting [See **Exhibit A**].

On behalf of the applicant, Attorney Kevin Moore stated that he has appreciated the Council's indulgence and patience. The applicant met with staff a week ago to update with ideas and plans in attempt to address concerns they have raised. Mr. Moore shared the applicant would have requested the hearing be postponed to February; however, there is a scheduling conflict, which required postponement until March.

A. Discussion: House Bill (HB) 581 Local Opt-out Floating Homestead Exemption

Continued discussion of HB 581 Statewide Floating Homestead Exemption and FLOST.

City Manager Jeff Drobney and Assistant Finance Director Jennifer Gordy gave a presentation on the House Bill Local Opt-out Floating Homestead Exemption

[See **Exhibit C**]. Dr. Drobney recommends opting out of House Bill 581 as remaining in has no benefit for the Kennesaw tax-payers on their homestead property. The City's current floating homestead exemption with a property value "freeze" is more beneficial. He discussed that if the Council agrees, staff is under a strict timeline to meet requirements handed down by the state. The City will hold three public hearings: January 27, 2025 at 6:00 p.m., February 3, 2025, at 10:30 a.m., and February 3, 2025, at 6:30 p.m. during the regular City Council meeting. The opt out resolution must be filed with the Secretary of State by March 1, 2025.

The Council directed the City Manager to proceed.

A. Central Business District Project Application: 3059 Cherokee Street

Consideration to review a CBD project application request for a mixed-use development on the parcel located at 3059 Cherokee Street (Parcel 20012900940). Case#CBD2024-03.

Zoning Administrator Darryl Simmons presented a Central Business District (CBD) project application request for a mixed-use development on the parcel located at 3059 Cherokee Street. The City of Kennesaw approved Phase 1 of the CBD project, which included 31 for-sale units with ground floor commercial. During the approval process of Phase 1, the applicant was in negotiation with the adjoining property owner. They were successful in securing the property and came back to the City with Phase 2.

Phase 2 will be a similar concept as approved in Phase 1, including the same architecture and setback. The application request is for 19 for-sale units. The range of the units is from 1,045 square feet to 1,650 square feet. Also, parking will be in the rear and to City standards. The Kennesaw Downtown Development Authority met on December 13, 2024, reviewed the business plan, and recommended approval. The property is within the Cherokee Street Historic District, so the application was heard by the Historic Preservation Commission on December 20, 2024. The HPC recommended approval with conditions. Mr. Simmons mentioned one thing to note is that within this phase, there is a historic building that is contributing to the district. Staff recommends that the structure be repurposed for commercial.

B. Resolution: Updated Master Fee Schedule

Consideration for approval of a Resolution to update fees on the Master Fee

Schedule, reflecting changes to fees associated with Building Services and Planning and Zoning.

City Clerk Lea Alvarez presented a resolution to update fees associated with Building Services and Planning and Zoning on the Master Fee Schedule. Ms. Alvarez noted that to comply with House Bill 461, Building Services fees must be updated to reflect the required recalculations of regulatory fees set forth in the bill.

Because the updates to the Master Fee Schedule are dependent on item 9. A being approved, the item will remain where it is on the agenda.

House Bill 581

Statewide Floating Homestead Exemption and FLOST

- Passed by House and Senate in 2024
- Signed into Law April 18th, 2024
- Referendum passed by voters November 2024

City of Kennesaw

Statewide Floating Homestead Exemption

Establishes a statewide "floating homestead" exemption based on a rate of inflation determined by DOR (Consumer Price Index)

- Requires approval through referendum in November 2024 (HR 1022); Applies to taxable years beginning in 2025 (approved by voters)
- Exemption allows assessment on homesteaded properties to only rise annually at the rate of inflation
- Property value resets with a sale or adjusts with "substantial property change"
- If your local government has an existing homestead exemption the taxpayer will receive the exemption that is more beneficial

How does HB 581 effect the current Homestead Float in Kennesaw

- There is no effect to the current homestead float in Kennesaw, Cobb County or the other cities in Cobb that currently have a floating homestead freeze
- Kennesaw's homestead float keeps the owner's primary residence property taxes from going up as a result of reassessments by increasing the amount of homestead exemption
- The increased exemption only applies to property taxes for the city general fund. It does not affect taxes for schools or bond indebtedness
- The exemption automatically renews annually as long as the owner continues to occupy the residence as his or her homestead. It terminates when the property is sold or otherwise no longer qualifies for homestead exemption
- In Kennesaw each home with a Floating Homestead has an established base year value which does not change unless some improvement is made to the property.

Implications (or options) for the City of Kennesaw

- Opt-in (we don't do anything):
 - General Fund float will remain the same
 - Bond remains the same
 - Only Homestead properties will be capped on increases
 - Significantly increased administrative burden with no benefit or change - Kennesaw property owners will continue to receive the more beneficial floating homestead exemption
- Opt-out:
 - General Fund float will remain the same
 - Bond remains the same
 - Only Homestead properties receive the current float
 - Kennesaw property owners will see no change and continue to receive the more beneficial floating homestead exemption

Let's compare...

Example of Current "Frozen" Homestead Exemption

Assumptions:

- Year 1 - Assessed Value of \$100,000
- Year 2 - Assessed Value increased to \$110,000 due to market changes
- Assessed Value increased every three years due to market changes
- Assuming an inflationary rate of 2%

Current "Frozen" Floating Homestead Exemption:				
Year	Assessed Value	Exemption	Frozen Base Year Value	Taxes Paid using current M&O millage rate of 7.75 MILLS
1	100,000	0	100,000	\$ 775.00

Total Taxes Paid over 10 Year Period:				\$ 7,750.00
Additional Taxes Paid under current "Frozen" Homestead				0.00

Let's compare...

Example of HB 581 "Adjustable" Floating Homestead Exemption

Assumptions:

- Year 1 - Assessed Value of \$100,000
- Year 2 - Assessed Value increased to \$110,000 due to market changes
- Assessed Value increased every three years due to market changes
- Assuming an inflationary rate of 2%

HB 581 "Adjustable" Floating Homestead Exemption:				
Adjusted Base Year				Taxes Paid using current M&O millage rate of 7.75 MILLS
Year	Assessed Value	Exemption	Value	
1	100,000	0	100,000	\$ 775.00
2	110,000	8,000	102,000	\$ 790.50

7	140,000	35,960	104,040	\$ 806.31
8	170,000	63,879	106,121	\$ 822.44
9	170,000	63,879	106,121	\$ 822.44
10	170,000	63,879	106,121	\$ 822.44
Total Taxes Paid over 10 Year Period:				\$ 8,032.74
Additional Taxes Paid Under HB 581				\$ 282.74

Recommendation

Staff recommendation is to **opt out** of HB 581 – staying in has no benefit for the Kennesaw tax-payers on their homestead property as our current Floating Homestead exemption with a property value “freeze” is always more beneficial.

Opt-out Proposed Timeline

- Formal Decision to Opt-out (January)
- Hold three required Public Hearings
 - 1st Hearing – prior to Council Work Session at 6:00 PM January 27th
 - 2nd Hearing – Special Called session at 10:30 AM February 3rd

- A. Central Business District Project Application: 3059 Cherokee Street**
Consideration to review a CBD project application request for a mixed-use development on the parcel located at 3059 Cherokee Street (Parcel 20012900940). Case#CBD2024-03.

Zoning Administrator Darryl Simmons presented a Central Business District (CBD) project application request for a mixed-use development on the parcel located at 3059 Cherokee Street. This application has gone through a multi-step process, including review and recommendations from the Kennesaw Downtown Development Authority (KDDA) and Historic Preservation Commission (HPC) prior to being brought before the Mayor and City Council. This application was submitted for 3059 Cherokee Street and is the second phase of a previously approved Central Business District application for the adjoining property approved in 2024. Phase 2 will add an additional 19 residential units and 1,200 square feet of commercial space. For the entire development, there will be a total of 50 for-sale units, including townhomes and stacked flats. The previously approved setback for Phase 1 will be carried over for Phase 2. The KDDA and the HPC approved the concept. The HPC inserted conditions that the applicant must come back with their final architectural plans prior to Plan Review and submission of any building plans to staff. Staff recommends conceptual approval with all conditions as recommended by the KDDA and the HPC.

Mayor Pro Tem Ferris is frustrated with mixed-use developments where the residential is built first and the commercial sits undeveloped. He asked Mr. Simmons to research ways to encourage the completion of the commercial portions of mixed-use developments. Mr. Ferris mentioned that for East Park, a stipulation was included about no Certificates of Occupancy being issued for the residential portion until they built the commercial, but that got changed. Mr. Simmons said that staff could research different methods that could be used to ensure the commercial pieces are completed in a timely manner.

Councilmember Jones asked about the residential units above the commercial section that are listed as for-sale/for-rent. Jason Kisz, owner of Kisz Construction, shared that for the residential above the commercial components in Phase 2, there is a minimum of about 3 or 4 rentals they believe they can include in the community. He further specified that along the front of the property, there is the possibility for some rental, but the majority of the property will be for-sale units.

Motion by Councilmember Viars to approve the concept for the Central Business District project application request for a mixed-use development on the parcel located at 3059 Cherokee Street (Parcel # 20012900940) a presented. Seconded by Mayor Pro Tem Ferris.

Vote taken, motion approved 4-0 [Councilmember Gutierrez absent]. Motion passed.

B. Resolution: Updated Master Fee Schedule

Consideration for approval of a Resolution to update fees on the Master Fee Schedule, reflecting changes to fees associated with Building Services and Planning and Zoning.

City Clerk Lea Alvarez presented a resolution to update fees associated with Building Services and Planning and Zoning on the master fee schedule. Ms. Alvarez noted that to comply with House Bill 461, Building Services fees must be updated to reflect the required recalculations of regulatory fees set forth in the bill.

Motion by Councilmember Jones to approve [Resolution No. 2025-07](#) updating fees on the master fee schedule as presented. Seconded by Councilmember Viars.

Vote taken, motion approved 4-0 [Councilmember Gutierrez absent]. Motion passed.

KENNESAW HISTORY

Moon Station

Moon Station Road gets its name from a small railroad stop once near where Jiles Road crosses the tracks. It is remembered for its role in the Great Locomotive Chase: at the station, James Andrews got tools to destroy the railroad, and William Fuller got a pushcart to chase the *General*. Very little else is known about its history. One of the few scraps of information to survive comes from 1853, when a train exploded on the tracks.

On August 18, 1853, an engine named “Bobuel” was stopped at the station, pulling a series of freight cars. Suddenly, it exploded, killing three individuals in the engine and wounding many others. One account said, “fragments of iron weighing seventy and eighty pounds” were thrown “eighty to a hundred yards.” The train’s engineer was arrested, and an inquest into the accident. At the inquest, it was determined that the engine had too much fuel between Acworth and Moon Station, resulting in its overheating. Due to a faulty safety valve and negligence from the engineer, the resulting buildup of pressure was not stopped. Well over a century and a half later, it remains one of the worst accidents inside the modern city limits of Kennesaw.

Accident on the State Road.

A locomotive exploded at Moon’s station, about 8 miles above Marietta, on the 18th inst., by which two firemen and the conductor (Mr. P. G. Greeson) were killed.—The persons killed belonged to the Highwassee road and those attached to the engine, were throw a considerable distance, but escaped with their lives, although severely wounded. The locomotive had stopped to take in water, and is said to have been nearly empty, which was the cause of the explosion.

THIS REPORT IS A NARRATIVE RESTRICTED APPRAISAL REPORT FOR THE PURPOSE OF DETERMINING VALUE FOR A PORTION OF RESIDENTIAL LOT.

THE OWNER/CLIENT HAS STATED THAT THE CITY OF KENNESAW HAS OFFERED TO SELL A PORTION OF ABANDONED RIGHT OF WAY AT THE FRONT SECTION OF THE SUBJECT LOT TO THE CLIENT (SEE ATTACHED PLAT). THE SUBJECT SITE FRONTS N. MAIN STREET AT THE CORNER OF PARK DRIVE. THE CLIENT OWNS 2995 AND 2997 N. MAIN ST. AS WELL 2574 PARK DR. WHICH IS A VACANT LOT TO THE REAR OF THESE HOMES. THE RIGHT OF WAY RUNS ACROSS THE FRONT OF BOTH 2995 AND 2997 N. MAIN STREET.

THE LOT SIZE OF 2995 N. MAIN ST. IS APPROXIMATELY 15,182 SQ. FT., THE LOT SIZE FOR 2997 N. MAIN ST. IS APPROXIMATELY 15,214 SQ. FT., AND THE LOT AT 2574 PARK DR. IS APPROXIMATELY 14,594 SQ.FT. THE RIGHT OF WAY IS APPROXIMATELY 2,350 SQ.FT. FOR 2995 N. MAIN ST. AND 2,613 SQ.FT. FOR 2997 N. MAIN ST.

N. MAIN ST. IS FELT TO BE A MINOR ARTERIAL ROAD AND EXPERIENCES GREATER THAN NORMAL TRAFFIC AND TRAFFIC NOISE. IT IS FELT THAT THESE FACTORS HAVE A NEGATIVE AFFECT ON MARKET VALUE AND MARKETABILITY AS A SINGLE FAMILY HOME.

IT IS FELT THAT THE BEST APPROACH TO INDICATE VALUE WOULD BE FROM THE EXTRACTION METHOD (DETERMINE VALUE OF THE SUBJECT LOT BY DETERMINING SUBJECT PROPERTY VALUE (HOME AND LAND) AND EXTRACTION LAND VALUE ON A PERCENTAGE VALUE BASIS. MARKET VALUE OF LOTS IS TYPICALLY A PERCENTAGE OF OVERALL PROPERTY VALUE. THE REPORT INCLUDED 3 SALES IN THE AREA THAT GIVE GOOD INDICATION OF MARKET VALUE FOR THE SUBJECT HOMES.

THE SUBJECT PROPERTY VALUE (HOME AND LAND PER HOUSE) IS FELT TO BE IN A RANGE FROM APPROXIMATELY \$295,000 - \$320,000 BASED UPON RECENT SALES AND LISTINGS IN THE SUBJECT MARKET AREA. A VALUE OF \$310,00 IS UTILIZED IN THIS REPORT BASED UPON THIS DATA.

WHEN EXTRACTING LOT VALUES BASED UPON TOTAL PROPERTY SALES PRICE OF SIMILAR HOMES IN THE SUBJECT AREA IT IS FELT THAT LOT VALUES FOR THE SUBJECT PROPERTY AREA WOULD BE IN RANGE OF APPROXIMATELY 25-27%. THIS IS OBVIOUSLY A RANGE AND MANY FACTORS DETERMINE LOT VALUE BUT THIS WOULD BE A TYPICAL LOT IN THE MARKET AREA.

BASED UPON THIS INFORMATION, IT IS FELT THAT THE SUBJECT **LAND VALUE** WOULD BE IN A RANGE FROM APPROXIMATELY **\$75,000 - \$80,000**. FOR PURPOSES OF THIS REPORT A VALUE OF **\$77,000** WILL BE UTILIZED AS SUBJECT LOT VALUE.

BASED UPON THE SIZE OF THE LOTS (15,000 SQFT +/-) AND THE SIZE OF THE ABANDONED RIGHT AWAY (2,350-2,613) THE PERCENTAGE WOULD BE APPROXIMATELY 15% OF TOTAL SITE SIZE.

AN ADDITIONAL NEGATIVE AFFECT ON VALUE WOULD COME FROM IT BEING LOCATED ON A MINOR ARTERIAL ROAD (TRAFFIC NOISE GREATER THAN TYPICAL). THE SITE ALSO HAS A STEEP GRADE WHICH MAKES IT DIFFICULT TO MAINTAIN (OWNER WILL INCUR ADDITIONAL COST TO LANDSCAPE AND GRADE SITE).

IT IS FELT THAT THE APPROXIMATE VALUE OF THE ABANDONED RIGHT OF WAY SECTION BASED UPON METHODS DESCRIBED ABOVE WOULD BE APPROXIMATELY \$9,000.
