NOW, THEREFORE, BE IT ORDAINED BY the Mayor and City of Kennesaw hereby amends Section 4.04.05 by deleting the existing provisions of Section 4.04.05 and replacing same as follows:

4.04.05 Standards for Home Occupations

A. *Intent and Purpose.* Certain occupational uses termed "home occupations" are allowed in dwelling units on the basis that such uses are incidental to the use of the premises as a residence. ~~They~~ Such uses have special regulations that apply to ensure that home occupations will not be a detriment to the character and livability of the surrounding neighborhood. The regulations ensure that the accessory home occupation remains subordinate to the residential use and the residential viability of the dwelling is maintained. The regulations recognize that many types of jobs can be done in a home with little or no effect on the surrounding neighborhood and, as such, may be permitted provided such uses:

1. Are incidental to the use of the premises as a residence;
2. Are conducted within the bona fide residence of the principal practitioner;
3. Are compatible with residential uses;
4. Are limited in extent and do not detract from the residential character of the neighborhood.

B. *Definition of Accessory Home Occupations.* There are 2 types of home occupations, Type A and Type B. Permit requirements and uses allowed in each type vary and are allowed only if they comply with all of the requirements of this ordinance. Deviation from any standard requires approval of a land use permit from the City Council. For purposes of ~~the~~ this section, ~~Virtual Home Office~~ *Virtual Home Office* means a single computer and related accessories dedicated to business use.

1. In Type A home occupations, resident(s) use their home as a Virtual Home Office only. Employees, clients, or customers are prohibited from coming to the residence. Examples include writers, consultants and graphic designers.
2. In Type B home occupations, resident(s) use their home for work, home office, sales, deliveries, or business mailing address ~~which~~ that ~~requires or~~ results in one (1) additional employee, consultant, agent, subcontractor, customer, or delivery personnel coming to the residence. Type B home occupations are also required for any activity that involves the physical production or creation of a product at subject residential property. Examples are counseling, production of cottage food items and merchandise such as shirts, candles, crafts and any other physical items assembled at the residential location, tutoring, and certain office uses. Type B home occupations must obtain a land use permit from the Mayor and City Council. ~~due to their greater possible impact on the surrounding neighborhood as a result of individuals and visitors from outside the neighborhood coming to the property.~~

C. *General Provisions and Prohibited Uses.* All home occupations shall meet the following:

1. A home occupation shall be incidental and accessory to the use of a dwelling as a residence. No more than 750 square feet or 25% of the floor space of the principle building ~~dwelling unit~~, whichever is less (including attached garages), may be used for the occupation.
2. There shall be no exterior evidence of the home occupation or alteration of the residence and/or accessory buildings to accommodate the home occupation. Internal or external changes ~~which~~ that will make the dwelling appear less residential in nature or function are prohibited. Examples of such prohibited alterations include construction of parking lots, paving of required setbacks, or adding commercial-like exterior lighting. Any alteration or addition which expands the floor area of the principal structure dedicated to the home occupation use shall void the existing business license and require a new business license be obtained, subject to property compliance verification by the Planning and Zoning Department.
3. There shall be no outside operations or exterior storage of inventory or materials to be used in conjunction with a home occupation.

4. ~~Off-site employees of the resident shall not congregate on the premises for any purpose concerning the home occupation nor park their personal vehicles at the location.~~ Personal vehicles of off-site employees shall be parked only in off-street spaces consistent with the residential character of the property and designated for the home occupation.

5. No article, product, or service used or sold in connection with such activity shall be other than those ~~normally found on the premises.~~ consistent with the established residential use of the premises.

6. No more than 1 vehicle associated with the home occupation may be parked at the site. Such vehicle is limited to 1½-ton carrying capacity and must be used exclusively by the resident and parked on a valid improved surface.

7. No use or activity may create a nuisance, including but not limited to, noise, dust, glare, vibration, smoke, smell, electrical interference or any fire hazard.

8. All home occupations shall be subject to periodic inspections by the Business License Department or Code Enforcement.

9. Any type of repair or assembly of vehicles or equipment with internal combustion engines (such as autos, motorcycles, marine engines, lawnmowers, chain saws and other small engines) or of large appliances (such as washing machines, dryers, and refrigerators) or any other work related to automobiles and their parts is prohibited.

10. Group instruction, assembly, or activity shall be prohibited.

11. Accessory home occupations may not serve as headquarters or dispatch centers where employees come to the site and are dispatched to other locations.

12. ~~Such use shall be conducted entirely within the dwelling unit, and only persons living in the dwelling unit shall be employed in such occupation.~~

13. ~~The Business License Department must approve all business licenses which shall be recertified annually.~~

D. *Specific Criteria for Type A Home Occupations.* In addition to the general criteria established in Subsection C., Type A home occupations are subject to the following restrictions:

1. No clients, non-resident employees, or customers are allowed on the premises.

2. No signage regarding the home occupation is permitted on the property.

3. No advertisement shall be placed in any media (including flyers soliciting business) containing the address of the property.

4. ~~No more than one Type A home occupation per dwelling is permitted.~~

5. Type A home occupation applications shall be submitted to the Business License Manager for approval. The denial of an application by the Business License Manager may appeal to the Mayor and City Council.

E. *Specific Criteria for Type B Home Occupations.* In addition to the general criteria established in Subsection C., Type B home occupations are subject to the following restrictions:

1. A Land Use Permit must be obtained through approval from Mayor and City Council following a public hearing, which shall follow the same procedures and fees set forth in Chapter 10 of the UDC and be advertised in the same manner as applications for rezoning, and that public hearing will be held thereon in the same manner as applications for rezoning are so conducted. City Council shall consider the desires of the immediate neighborhood, the nature of the proposed business, the availability of parking, traffic generation, and any other issue that may detract from the residential character of the area and property values.
2. No more than one Type B home occupation per dwelling is permitted.
3. Uses that may be permitted as Type B home occupations include those in which only the occupants of the dwelling and 1 additional employee or consultant or agent or subcontractor shall be authorized to work on the premises. Visitation by clients in conjunction with a home occupation shall be limited to 2 per week; provided however, that the following exception is made for purposes of meeting overriding public goals of education: Tutoring or the instruction of music, dance, arts and crafts and similar subjects, limited to 2 students in home at 1 time.
4. The following uses are specifically prohibited as Type B home occupations (list not all-inclusive): auto sales or auto repair; restaurants; ~~or~~ any preparation of food or drink not permitted under the cottage food operator provisions as outlined in sections 1.09.02 and 2.01.03 the Unified Development Code; animal hospitals; veterinary clinics; kennels or the keeping of animals; funeral homes; retail or wholesale shops; personal service establishments; or special events facilities. ~~lodging services; or day care~~.
5. Customers may visit the site only between the hours of 8:00 a.m. and 8:00 p.m.
6. In no event shall the Mayor and City Council grant a land use permit for a period in excess of 24 months; upon expiration of the initial term, continued operation as a Type B home occupation shall require formal renewal of the permit. ~~except on re-application, re-advertisement, and public hearing.~~
7. In addition to the approval of a land use permit, the Business License Department must approve all business licenses associated with the business which shall be recertified annually.

F. *Renewals of Home Occupation uses.*

1. Planning and Zoning Administrator will have administrative authority to approve the renewal of Type B home occupation previously approved through the Land Use Permit process under the prescribed conditions:
    a. No nuisance was created during the initial approval period under the Land Use Permit approved by the Mayor and City Council.
    b. The business ownership, corporate structure, and the service or product offered have not expanded or changed in scope beyond what was originally issued under the Land Use Permit approved by the Mayor and City Council.
2. In no event shall the Planning and Zoning Administrator grant an administrative renewal for a previously approved land use permit in excess of 24 months.

3. In the event that the conditions for administrative renewal are not satisfied, the applicant shall have the right to appeal the decision to the Mayor and City Council in accordance with the procedures outlined in Section 10.05.00 of the Unified Development Code.

G. Standards for decision. The Mayor and City Council shall consider, at a minimum, the following in its determination of whether or not to grant a land use permit:

1. Safety, health, welfare, and moral concerns involving the surrounding neighborhood;
2. Parking and traffic considerations;
3. Number of nonrelated employees;
4. Number of commercial and business deliveries;
5. The city's general presumption that residential neighborhoods should not allow non-compatible business uses;
6. Compatibility of the business use to the neighborhood;
7. Hours of operation;
8. Existing business uses in the vicinity;
9. Effect on property values of surrounding property;
10. Circumstances surrounding neighborhood complaints;
11. Intensity of the proposed business use; and
12. Location of use within the neighborhood.

H. A land use permit is a privilege permit and may be revoked by the Mayor and City Council following notice and hearing should the use be deemed to be a nuisance or create a safety hazard.

I. A land use permit does not guarantee that the proposed use by the applicant complies with homeowners associations' declarations and covenants or lease agreements. Said covenants or lease agreements may contain additional provisions that limit the applicant's ability to operate a home occupation. It shall be the sole duty of the applicant to determine whether said declaration or agreements allow a home occupation. This section is not intended to interfere with any contractual provision contained in said covenants or agreements.

BE IT FURTHER ORDAINED THAT this ordinance shall be effective on and after its adoption and execution by the mayor, pursuant to Section 2.11 of the City Charter of the City of Kennesaw.

PASSED AND ADOPTED by the Kennesaw City Council on this ____ day of _____, 2025.

With Council consensus, Mayor Easterling recommended placing the item on the Consent Agenda for the regular meeting.

B. **Resolution: Intergovernmental Agreement for Fire Dispatch Services** Consideration for approval of a Resolution authorizing the Mayor to sign an Intergovernmental Agreement with Cobb County for Fire Dispatch Services.

City Manager Jeff Drobney presented Items 7. B through 7. D concurrently, noting that the resolutions are part of the House Bill 489 process. The City of Kennesaw has five intergovernmental agreements (IGAs) requiring approval, and Items 7. B–7. D represent the first three. These agreements are already in place but have been updated to include new time extensions.Dr. Drobney provided clarification on the Cooperative Purchasing IGA, explaining that the agreement allows the City to “piggyback” onto existing county agreements or contracts for goods or services that have gone through the competitive bidding process.

DRAFT

Councilmember Jones asked whether cooperative purchasing could be used for any item. Dr. Drobney responded that if Cobb County has an active cooperative purchasing agreement for a particular good or service, then the City may utilize it.

Dr. Drobney also referenced Agenda Item 9.A., noting that one of the remaining IGAs involves animal control services. Before that agreement can be presented, the City must adopt an updated ordinance that mirrors the County’s regulations so they can be enforced within the City of Kennesaw. The final IGA, pertaining to the maintenance of traffic signals, will be brought forward at a future meeting.

With Council consensus, Mayor Easterling recommended placing the item on the Consent Agenda for the regular meeting.

C. **Resolution: Intergovernmental Agreement for Fire Marshal Services** Consideration for approval of a Resolution authorizing the Mayor to sign an Intergovernmental Agreement with Cobb County for Fire Marshal services.

9. Public Hearing(s)

A. **Ordinance: Chapter 10 Amendments**
Consideration for approval of an Ordinance to amend Chapter 10, entitled, "Animals" of the Code of Ordinances of the City of Kennesaw, Georgia.

Mayor Easterling reiterated that the purpose of the public hearing is to adopt an ordinance that aligns the City's animal control regulations with those of Cobb County.

Mayor Pro Tem Ferris noted that Cobb County had recently updated its ordinance and that the State had also revised its laws regarding animals, including prohibiting the sale of animals along the side of the road. He asked whether adopting this ordinance would bring the City into full compliance with both County and State requirements. Dr. Drobney confirmed that the proposed ordinance references the current County ordinance and that the City Attorney has reviewed it.

Councilmember Orochena asked about a reference in the ordinance to a County dog park. Since the provision does not apply to the City of Kennesaw, she asked whether the City could add language to address its own dog parks. Dr. Drobney explained that this is the County's ordinance and the City is adopting it essentially as written, substituting "Kennesaw" where appropriate. If a section references the County, it remains part of the ordinance as adopted.

DRAFT

Mayor Pro Tem Ferris requested that Legal review the ordinance once more to ensure all references appropriately reflect the City before Monday.

Councilmember Orochena further clarified her concern, pointing to an exception in the County ordinance regarding restraints within a County dog park. She asked whether a similar exception should be added for Swift-Cantrell Park. Dr. Drobney stated that he did not believe additional references to Swift-Cantrell Park were necessary. However, he said staff would review the provision and advise the Council of any recommended changes before Monday.

KENNESAW HISTORY

Railroad Survey

In December 1836, the State of Georgia chartered the Western and Atlantic Railroad. The new rail line would be owned by the state, rather than a private corporation, setting it apart from many of the other contemporary railroads across the nation. The line's southern terminus was set at an unspecified point south of the Chattahoochee River (now Atlanta), while the other end of the line was Chattanooga on the Tennessee River.

Just after the railroad was chartered, the state hired surveyor Colonel Stephen Harriman Long to survey the new route. Long was a part of the US Army Corps of Engineers, and was best known for his railroad work and his surveys of the West.

DRAFT

His final report was published in December 1837, and is one of the first printed accounts of our area. His description of North Cobb is spartan: "The road crosses the Chattahoochee and ascends to Marietta, the seat of justice for Cobb County. It then crosses the Kennesaw summit on the north side of the mountain… and descends towards the Etowah." Long anticipated this would be the easiest portion of the railroad to build. Ultimately, the railroad was built along Long's route, and was completed from Atlanta to Cartersville by 1845, with the entire route finished in 1850.

(b) *Confiscation of biting animals.* Upon receiving notice that an animal has bitten or attacked a person, an authorized person from CCAS shall investigate the incident. The payment of reasonable confiscation costs and the return of a vicious animal shall not bar or affect an action against the owner for violation of this chapter.

(2) The owner of any classified dog that has been confiscated pursuant to subsection (c) of this section may recover such dog upon payment of all reasonable confiscation and housing costs and proof of compliance with section 10-10, unless such confiscation is deemed to be in error by the dog control officer or the Animal Services Board. However, a person may house the animal for five business days while attempting to locate and/or contact the owner. Once in the custody of the CCAS shelter, the shelter shall hold and dispose of such animal in the same manner as though such animal had been running at large and impounded by officers of CCAS.

(d) Upon receipt for impoundment of any domesticated animal found to have any means of identification, the CCAS shall immediately make diligent efforts to ascertain the identity of the animal's owner. (3) Any CCAS officer who finds an animal in need of immediate medical care or treatment due to a life-threatening illness or injury or finds an animal in danger, may remove the animal from public or private property if the removal is for the purpose of seeking immediate medical care for the animal, or is in the immediate best interest of the animal. If the animal is removed from a private residence, notice shall be left at the owner's residence advising the owner of the impoundment and reason for impoundment.

(b) It shall be a violation of this chapter for any person who, knowing the identity of an animal's owner, without permission of said owner does any of the following:

Sec. 10-68. Redemption; abandonment.

(a) The owner of any impounded animal may regain possession of the animal upon payment of all applicable fees specified in section 10-37 and compliance with the terms of this chapter. Such redemption shall not affect any criminal liability of the owner, which may exist with respect to any violation of this chapter and

shall not preclude proceedings against the owner for the purpose of pursuing sanctions under this chapter. The following exceptions apply:

(1) Any animal impounded as a result of cruelty, abuse, neglect, or any other reason defined by this chapter as inhumane treatment may be retained by CCAS until such time as the case is disposed of in a court competent to hear such matters.

(2) Any impounded animal adopted from CCAS that was not spayed or neutered per the adoption agreement may immediately be reclaimed by CCAS, and the owner may not be permitted to reclaim said animal.

(b) Any impounded animal not redeemed within the period specified in sections 10-13(d) or 10-67, whichever is applicable, shall be considered abandoned to CCAS, in which event all rights of ownership shall vest in CCAS; and the owner shall have no further claim to such animal.

(d) No transfer of any animal held at the animal shelter shall be valid without the written approval of CCAS.

(e) All animals adopted from the animal shelter shall be neutered or spayed. Upon completion of neutering or spaying, within the period specified by CCAS, the veterinarian performing such operation shall submit to CCAS signed certification of such operation. The adopter shall be responsible for providing proof that the animal has been sterilized within seven days of the surgery or will ensure that the licensed veterinarian responsible for the spay/neuter surgery submits signed verification to CCAS that the sterilization process has been accomplished.

(f) No person residing in the same household, nor any corporation, institute or other entity, may adopt more than three animals within any 12-month period; however, nothing shall prohibit CCAS discretion to donate more than three animals in a 12-month period, if the donation is in the best interest or welfare of the animal or it is in the best interest of public safety.

(g) Notwithstanding any other provisions of this chapter, CCAS shall have the right to keep any animal which could otherwise be adopted or sold.

(Ord. of 6-11-85; Ord. of 10-24-89; Res. of 11-9-93; Ord. of 5-24-05; Amd. of 10-24-23)

(3) Any animal, which presents a danger or exhibits a propensity for aggressive behavior towards any person or other animal, without regard to whether the period of confinement designated in section 10-67 has expired.

(b) A superior court judge may order the euthanasia of a classified dog if the court finds, after notice and opportunity for hearing as provided by O.C.G.A. § 4-8-23, that the classified dog has seriously injured a human or presents a danger to humans not suitable for control pursuant to section 10-11 and:

misrepresentation, breach of warranty or covenant, or other violation of this Agreement by Seller.

6.2 **Indemnification By Buyer.** Buyer shall indemnify and hold harmless Seller and its partners, officers, directors, employees, shareholders, agents and affiliates against all Losses arising out of or related to (i) any Third Party Claim concerning the Business, Assets and/or Lease to the extent arising from events that occur after the Closing, or (ii) any misrepresentation, breach of warranty or covenant, or other violation of this Agreement by Buyer.

6.3 **Indemnity Claims.** (a) To make an indemnification claim under this Agreement (an "Indemnification Claim"), the party seeking indemnification (the "Indemnitee") must deliver written notice to the other party (the "Indemnitor") requesting indemnification and specifying the basis on which indemnification is sought and the amount of asserted Losses. (d) Upon determination of the amount of an Indemnification Claim (whether by agreement between the Indemnitor and the Indemnitee or by settlement or final adjudication), the Indemnitee shall pay such amount within 10 days of determination.

STANDARD SHOPPING CENTER LEASE

See Lease Face Page(s) for the definitions of certain capitalized terms used in this Lease. All terms, conditions and definitions on the Lease Face Page(s) and in the Exhibits attached hereto are incorporated herein by reference as if fully set forth at this point in the text of the Lease.

1. PARTIES.

This Standard Shopping Center Lease and the Exhibits attached hereto (collectively the "Lease") entered into by and between the Landlord and Tenant is made as of the Effective Date.

2. DEMISED PREMISES.

2.1 Landlord hereby demises unto Tenant and Tenant hereby leases from Landlord the Demised Premises (which is located within the Plaza), for the Lease Term and specifically upon the terms and conditions set forth in this Lease. The square footage of the Demised Premises is measured by including the exterior faces of the Exterior Walls (as defined in Section 10.3 below) and the centers of any party walls. Certain calculations used in this Lease are based on the square footage as represented on the Lease Face Page(s).

2.2 The use and occupation by the Tenant of the Demised Premises shall include the right to the non-exclusive use, in common with others, of all such driveways, truck and service courts, walks, automobile parking areas designated for common use, and other facilities designed for common use, as have been or may be installed by Landlord, and of such other and further facilities as may be provided or designated from time to time by Landlord for common use, subject expressly, however, to the terms and conditions of this Lease and to reasonable rules and regulations for the use thereof, as prescribed from time to time by Landlord and enforced on a non-discriminating basis. Landlord reserves, and Tenant agrees that Landlord has the right to change the size, layout and location of any and all buildings or Common Areas (as defined in Section 8.1) and facilities of the Plaza as well as to reduce or expand the size of Plaza. In addition, Landlord reserves the right to relocate Tenant to another location of comparable size within the Plaza at its sole discretion. In the event of such relocation, Tenant may 1) relocate to the specified location, in which event Landlord shall reimburse Tenant for its reasonable expenses directly attributable to said relocation, or 2) terminate this Lease, in which event all provisions regarding security deposits and past due rents shall remain in effect.

3. POSSESSION.

3.1 Delivery of possession within the meaning of this Lease shall be accomplished by Landlord's delivery to Tenant of the key(s) to the Demised Premises which shall be delivered in substantial compliance with the Landlord's Work provisions outlined in Exhibit B of this Lease.

3.2 Tenant agrees that it shall, with diligence, perform all work for which it is responsible, as described and in accordance with the specifications on Exhibit C ("Tenant's Work"), in order to prepare Demised Premises for the opening of business including where applicable but not limited to the following: (a) Tenant shall submit plans to all applicable governmental authorities for building permits no later than thirty (30) days after the Effective Date hereof; (b) Tenant shall use commercially reasonable and diligent efforts to obtain said permits; (c) Tenant shall commence construction of Tenant's work within five (5) days after issuance of said permits, or if no permits are required for Tenant's Work, then within ten (10) days after the Beginning Date; (d) Tenant shall use commercially reasonable and diligent efforts to complete Tenant's Work; and (e) Tenant shall stock the Demised Premises and open for business within fifteen (15) days after Tenant completes Tenant's Work. In the event that, for whatever reason, Tenant does not open in the Demised Premises for the conduct of its business, as described on Lease Face Page(s) within ninety (90) days after the Beginning Date and/or in the event that Tenant fails to comply with the requirements of this section 3.2, then Landlord, in addition to all other remedies for an Event of Default as provided herein, shall have the option of terminating this Lease pursuant to section

21.1.2 hereof by giving Tenant written notice of such termination; and in such event, this Lease shall be terminated and Tenant shall immediately deliver possession of the Demised Premises to Landlord.

(Tenant's Work made in accordance with Exhibit C as well as all structural and nonstructural alterations, betterments, improvements, demolitions or additions made in accordance with Section 11 and Section 15 herein shall hereinafter collectively be referred to as "Tenant Improvements"), provided, however, that any and all Tenant's Work, alterations, betterments, improvements, demolitions and/or additions made by Tenant but paid for by Landlord in accordance with the "Construction Contribution" section of Exhibit "B" hereto (if any), and therefore owned by Landlord, shall be excluded from the definition of Tenant Improvements, except with respect to Section 11 herein.

3.3 By virtue of occupying the Demised Premises as a Tenant or installing fixtures, facilities or equipment, or performing finishing work, whether in any such instance, directly or through its contractor(s), or agent(s), and subject to any "punch list" items, Tenant shall conclusively be deemed to have accepted the Demised Premises and to have acknowledged that the Landlord has satisfied all of its obligations as required by this Lease.

4. USE.

4.1 Tenant shall use and occupy the Demised Premises solely and exclusively for the conduct of Tenant's Use and solely and exclusively under the Tenant's Business Name and for no other purpose whatsoever.

4.2 Tenant covenants and agrees that it will not use or suffer or permit any person, persons, corporation or other such entity to use any of the Demised Premises for any use or purpose in violation of the laws, ordinances, regulations and requirements of any governing body, including but not limited to, country, state, county, city, or any bodies under the jurisdiction of one of these entities. Tenant covenants that it has verified Tenant's Use is permitted in the Plaza by the applicable governmental and/or quasi-governmental authority and is in conformity with all covenants, conditions and restrictions which the Plaza is subject to, and expressly takes the Premises subject to all governmental and/or quasi-governmental rules and regulations and all covenants, conditions and restrictions by which the Plaza and its occupants are subject to.

4.3 Tenant shall continuously and uninterruptedly, operate during the Lease Term, the entire Demised Premises for the use permitted by this Lease.

4.4 Tenant covenants and agrees (insofar as and to the extent that it is lawful so to agree) that for the period commencing with the execution of this Lease and continuing for the Lease Term, none of the Tenant, any guarantor (if applicable), any principal of or partner in the Tenant, any of their affiliates, parent or subsidiaries, or any franchisee or licensee of any of them, or any successor and/or assignee (collectively, the "Tenant Parties") will operate, either directly or indirectly, another store having the same of similar trade name to that used at the Demised Premises and/or the same or similar business to that used at the Demised Premises, within a three (3) mile radius of the Demised Premises, without the prior written consent of the Landlord. If any of the Tenant Parties currently operates a store in violation of this paragraph, then Tenant hereby represents and warrants to Landlord that such Tenant Party has the legal right to and shall cease such operation in such other store(s) on or before the Beginning Date hereof. In addition to any other remedy otherwise available to Landlord, it is specifically agreed that Landlord may at Landlord's election terminate this Lease in the event of any violation by a Tenant Party of any of the covenants, agreements, representations and/or warranties contained in this paragraph.

5. TERM.

The Lease Term shall commence on the date as set forth on Lease Face Page(s) and shall end (unless sooner terminated or extended as provided herein) at 11:59 P.M. on the date of the expiration of the last day of the Initial Lease Term, as set forth on the Lease Face Page(s).

6. RENT.

6.1 Tenant covenants and agrees to pay Landlord the Base Rent (as set forth below) plus all Additional Rent (as defined below) and all other monthly fees, and sales and other applicable taxes in the coin or currency of the United States of America payable in advance in equal monthly installments without deduction or set-offs and without prior demand therefor on the first day of each calendar month during the Lease Term. If the Rent Commencement Date is not the first day of the month, the rent for that month shall be prorated.

6.2 If Tenant shall fail to pay when the same is due and payable, any Base Rent or any Additional Rent (as defined in Section 6.3 below), or amounts or charges of the character described in this Lease, such unpaid balance shall bear interest at the lesser of: (i) [redacted] or (ii) the maximum lawful rate from the date due to the date of payment. In addition to such interest, Tenant acknowledges that the late payment by Tenant of any monthly installment of Base Rent or other charges will cause Landlord to incur certain expenses not contemplated under this Lease, the exact amount of which costs being extremely difficult or impractical to fix. Such costs and expenses will include, without limitation, administrative and collection costs, and processing and accounting expenses. Therefore, if any such installment is not received by Landlord from Tenant postmarked by the fifth (5th) day of the month for which such installment is due, Tenant shall immediately pay to Landlord a late charge equal to [redacted] of such installment or [redacted] whichever is greater.

Landlord and Tenant agree that this late charge represents a reasonable estimate of such costs and expenses in light of the then-anticipated harm caused by such non-payment and is fair compensation to Landlord for its loss suffered by such late payment by Tenant. Acceptance of this late charge shall not constitute a waiver of Tenant's default with respect to such late or nonpayment by Tenant nor prevent Landlord from exercising all other rights and remedies available to Landlord under this Lease.

6.3 In addition to the foregoing Base Rent, all other payments or fees to be made by Tenant under this Lease, including any applicable sales tax, shall be deemed to be and shall become additional rent ("Additional Rent") hereunder notwithstanding whether or not the same be designated as such and be due and payable upon demand or with the next monthly installment. If Landlord shall pay any monies or incur any expenses, including attorney's fees and costs, in connection with the enforcement of any violation of any covenant, undertaking, obligation or agreement of Tenant as set forth in, and due by Tenant, under this Lease, the amounts so paid or incurred, shall be considered Additional Rent payable by Tenant with the next installment of rent thereafter to become due and payable and may be collected or enforced as by provided law with respect to payment of rent. Landlord shall have same remedies for failure to pay Additional Rent as for nonpayment of Base Rent.

6.4 Insurance Rent. As Additional Rent, Tenant agrees to pay to Landlord, with payment to be made simultaneously with the respective monthly payments of Base Rent, 1/12th of Tenants Proportionate Share (hereinafter defined as a fraction, the numerator being the square footage of the Demised Premised and the denominator being the square footage of leasable space in the Plaza less any outparcels) of the aggregate amount of insurance premiums for the then current Lease year for insurance provided by Landlord covering all buildings and improvements in the Plaza, provided however, that should Landlord cease to provide insurance for any portion of the Plaza then Tenant's Proportionate Share for purposes of Insurance Rent shall be defined as a fraction, the numerator being the square footage of the Demised Premises and the denominator being the square footage of the insured leasable space less any outparcels. Such insurance shall include liability insurance, casualty insurance for fire and extended coverage rental value, rent insurance, errors and omissions, extended windstorm coverage, environmental,

and other insurance, with reasonable deductibles. Landlord shall have absolute discretion as to the types of coverage and the limits of each policy, however, Landlord shall carry full replacement value insurance on the Demised Premises and the building of which it is a part. The minimum amount of insurance rent due per month upon the Demised Premises shall be included in the Est. Common Area Operating Expenses as defined and set forth on the Lease Face Page(s).

6.5 Common Area Maintenance. As Additional Rent, Tenant agrees to pay to Landlord, with payment to be made simultaneously with the respective monthly payments of Base Rent, 1/12th of the Tenant's Proportionate Share of the total annual operating costs of the Plaza, provided however, that should Landlord cease to provide common area maintenance for any portion of the Plaza, then Tenant's Proportionate Share for purposes of Common Area Maintenance shall be defined as a fraction, the numerator being the square footage of the Demised Premises and the denominator being the square footage of the leasable space for which Landlord provides Common Area Maintenance less any outparcels. Landlord may choose at any time during this Lease whether to change Tenants contribution towards Est. Common Area Operating Expenses to a charge arrived at by using the calculation outlined in Paragraph 8.3.

6.6 Real Estate Taxes. As Additional Rent, Tenant agrees to pay to Landlord, with payment to be made simultaneously with the respective monthly payment of Base Rent, 1/12th of the Tenant's Proportionate Share of the total Real Estate Taxes and assessments, for the preceding calendar twelve months, levied against the Plaza by all tax authorities and all other governmental agencies, provided however, that should a separate tax bill be issued for any portion of the Plaza then Tenant's Proportionate Share for purposes of Real Estate Taxes shall be defined as a fraction, the numerator being the square footage of the Demised Premises and the denominator being the square footage of the leasable space covered by the tax bill that applies to the portion of the Plaza that contains the Demised Premises less any outparcels.

6.7 The above Paragraphs 6.4, 6.5, and 6.6 shall be collectively referred to as the "Common Area Operating Expenses" (which shall be adjusted within ninety (90) days following the end of each calendar year, based upon the actual costs incurred for the respective items, in the most recent calendar twelve (12) month period). In the event the total monthly payments made by Tenant for such items exceeds Tenant's applicable Proportionate Share for said period, then Landlord will apply any such overages towards the next succeeding monthly payments. In the event total monthly payments made by Tenant are less than Tenant's applicable Proportionate Share for said period, then Tenant shall pay any such deficiency to Landlord within ten (10) days after receipt of written request for same. The monthly payments for the succeeding year will be increased so that the total monthly payments for such Lease year will equal Tenant's expected applicable Proportionate Share.

6.8 Tenant shall promptly pay all Base Rents, Additional Rents, and other charges and render all statements herein prescribed at Landlord's Management Agent Address, as set forth on the Lease Face Page(s) hereof, or to such other person or corporation, and at such other place as may be designated from time to time by Landlord in writing.

6.9 Anything contained in this Lease to the contrary notwithstanding, it is specifically agreed that Landlord shall in no event be construed or deemed to be a partner or engaged in a joint venture with, or an associate of, Tenant in the conduct of its business and the Landlord shall absolutely not be liable for any debts or other liabilities of any kind or sort whatsoever incurred by Tenant in the conduct of its business or otherwise. Nothing contained in this Lease shall be deemed or construed to confer upon Landlord any interest in the business of the Tenant. The relationship of the Parties during the Lease Term shall at all times be solely that of Landlord and Tenant.

6.10 Security Deposit. Landlord acknowledges receipt, subject to clearance if by check, from Tenant of an amount (as specified on Lease Face Page(s)) as the Security Deposit, such amount as partial consideration for Landlord to enter into this Lease, and which is to be held as collateral security for the payment of any rentals and other sums of money payable by Tenant under this Lease and for the faithful performance of all other covenants and agreements of Tenant hereunder; amount of said Security Deposit

without interest to be repaid to Tenant after the termination of this Lease and any renewal thereof, provided Tenant shall have made all such payments, performed all such covenants and agreement and left Demised Premises in same physical condition as when Tenant first occupied Demised Premises, normal wear and tear excepted, and has made no modifications requiring a building permit without first obtaining such permit and consent of Landlord. Further, Tenant acknowledges that its failure to return the key(s) to the Demised Premises and/or the mailbox (if applicable) will result in a [redacted] deduction from the Security Deposit. Upon any default by Tenant hereunder, after expiration of any applicable notice or cure period set forth herein, all or part of said Security Deposit may at Landlord's sole option, be applied on account of such defaults, and thereafter Tenant shall promptly restore the resulting deficiency in Security Deposit. Tenant hereby irrevocably waives the benefit of any provision of law requiring such Security Deposit to be held in escrow or by a third party, and said Security Deposit shall be deemed to be the property of Landlord and may be co-mingled by Landlord (with its own funds). In the event that Landlord's interest in the Demised Premises be sold, Landlord may deliver or merely credit the funds deposited hereunder by Tenant to the purchaser of Landlord's interest; and, thereupon, Landlord shall by virtue of such circumstance and these terms fully, finally, and absolutely be discharged from any further liability with respect to such Security Deposit; and this provision shall also apply to the benefit of any and all other deposits; and this provision shall also apply to the benefit of any and all subsequent transferees. Tenant agrees that Tenant will look solely to the Landlord or its successor(s) in interest, as applicable, for the return of its Security Deposit, and not in any event to any mortgagee who has assumed Landlord's position, either by mortgagee in possession, foreclosure or the acceptance of a deed in lieu thereof, unless said mortgagee shall have first in writing actually acknowledged receipt of that specific Security Deposit. Tenant further agrees that Security Deposit cannot be used as last month's rent.

6.11 In the event any payments to Landlord are returned for insufficient funds or otherwise not paid by Tenant's bank, such event shall constitute an Event of Default by Tenant and, at Landlord's option, in addition to the remedies provided in Section 6.2 hereof with respect to late rent, Tenant shall pay an overhead charge of the greater of [redacted] if the face value of the check does not exceed [redacted] if the face value exceeds [redacted] but does not exceed [redacted], [redacted] if the face value exceeds [redacted] or [redacted] of the face value, whichever is greater (or in the case of the Security Deposit being returned, this Lease shall at the sole option of the Landlord be declared immediately null and void and have no further force or effect). Provided any payment is returned for insufficient funds or otherwise not paid by Tenant's bank, all payments due under this Lease shall be made at Landlord's option, in cash or by cashier's check issued by a national banking association.

6.12 The Base Rent shall be adjusted as follows (each "Lease Year" shall be three hundred and sixty five (365) days long (except for leap years which shall be 366 days long) and the first "Lease Year" shall commence on the Beginning Date):

Lease Year	Base Rent per sq. ft. per annum
1	[redacted]

6.13 If any part of the Base Rent, Additional Rent or other money payments due hereunder shall remain due and unpaid for fifteen (15) days next after same shall become due and payable on two (2) or more occasions during the Lease Term, Tenant shall, at Landlord's request, pay to Landlord a sum equal to one (1) month's rent for each late period thereafter, which said sum shall be received and held by the Landlord as additional security deposit as described herein.

6.14 Tenant's obligation to pay rents and other amounts due hereunder are covenants independent of Landlord's obligations hereunder.

7. **UTILITIES SERVICES.**

In addition to all rents herein specified, Tenant shall pay, if directly billed, as and when they shall be due and payable, all water bills, meter charges, sewer charges, garbage charges, and utility charges such as, but not limited to, electric or others, consumed within the Demised Premises. Landlord shall not be liable in the event of any interruption in the supply of any utilities. Tenant agrees that it will not install any equipment which will exceed or overload the capacity of any utility facilities and that if any equipment installed by Tenant shall require additional utility facilities, the same shall be installed at Tenant's expense in accordance with plans and specifications to be approved in writing by Landlord. In the event Tenant shall fail to make the payments, Landlord shall have the rights as if Tenant had failed to pay the rent hereunder. If Tenant is not directly billed, Tenant agrees to pay its Proportionate Share as provided herein, defined as "the numerator being the square footage of the Demised Premises and the denominator being the total square footage of the Plaza (less tenants which are either separately billed by the city or separately metered by the Landlord)", or at Landlord's sole discretion Landlord may install a submeter for the Demised Premises in which event Tenant shall be billed based on its actual usage at rates charged to Landlord by the applicable utility company.

8. **COMMON AREAS.**

8.1 The term "Common Areas" refers to all areas within the exterior boundaries of the Plaza which are now or hereafter made available for general use, convenience and benefit of Tenant and other persons entitled to occupy floor area in the Plaza, including, without limiting the generality of the foregoing, automobile parking areas, including any parking structures, entrances and exits thereto, employee parking areas, truck ways, service courts, loading docks, stairways, driveways, open or enclosed malls, sidewalks, landscaped and planted areas. Landlord shall have the right, from time to time, to change the area, level, location, amount and arrangement of such parking areas and all other facilities referred to above, to restrict parking by Tenants and their employees to employee parking areas, and to make all rules and regulations pertaining to and necessary for, in Landlord's sole judgment, the proper operation and maintenance of said Common Areas. Nothing contained herein shall be deemed to create any liability upon Landlord for any damage to motor vehicles of customers or employees or for loss of property from within such motor vehicles.

Tenant and its employees and invitees are, except as otherwise specifically provided in the Lease, authorized, empowered and privileged to use the Common Areas in common with other persons during the Lease Term.

8.2 In each Lease year, Tenant shall pay to Landlord, as specified in Paragraph 6.5 herein, Tenant's Proportionate Share of the Plaza's operating costs. For the purpose of this paragraph and paragraph 6.5 herein, Plaza operating expenses shall mean the total cost and expense incurred in operating and maintaining the Common Areas as defined above, excluding only any items of expense, if any, attributable to principal and interest payments in respect of Landlord's mortgage financing, and specifically including but not being limited to: gardening and landscaping, repairs of all kinds, painting, facade maintenance, exterior and demising wall repairs, roof repairs, sanitary control, trash, rubbish, garbage and other refuse removal and services, management fees, security systems and services (excluding those security systems servicing individual Tenants), resurfacing and re-stripping of parking areas, sweeping and janitorial services, maintenance and repair of sidewalks, curbs, and Plaza signs, snow removal, sprinkler systems, lighting, maintenance and repair of any fire protection systems servicing the Common Areas, storm drainage systems, electrical expenses, energy expenses, the reasonable cost of marketing and/or promoting the Plaza for the benefit of the tenants, the cost of on-site personnel to implement such services, any governmental imposition or surcharge imposed upon Landlord or assessed against any portion of the Common Areas,. Nothing contained herein shall be construed to obligate Landlord to provide any such or differing items.

8.3 The foregoing estimated monthly charge may be adjusted by Landlord at the end of any calendar year on the basis of Landlord's experience and reasonably anticipated costs. Within ninety (90) days following the end of each calendar year, Landlord shall furnish Tenant a statement covering the

calendar year just expired, prepared by an authorized representative of Landlord, showing the total of the expenses in connection with said Common Areas, the amount of Tenant's share of the expenses in connection with said Common Areas for such period and the payments made by Tenant with respect to such period as set herein. If Tenant's share of expenses in connection with said Common Areas exceeds Tenant's payments so made, Tenant shall pay Landlord the deficiency within ten (10) days after receipt of such statement. If said payments exceed Tenant's share of the expenses in connection with said Common Areas, Tenant shall be entitled to offset the excess against succeeding Additional Rent payments to become due Landlord as set forth herein.

Within three hundred and sixty five (365) days following delivery to Tenant of such statement, Tenant shall be afforded the opportunity, upon thirty (30) days prior written notice from Tenant, during reasonable business hours, and at Landlord's office only, to review Landlord's books and record. In the event Tenant's audit indicates an excess charge in Landlord's statement and Landlord does not reasonably disagree with the results of Tenant's audit, then, Landlord shall reduce the sums due and payable by such amount. In the event there is a dispute between Tenant and Landlord with regard to the results of Tenant's audit, such dispute shall be submitted to arbitration by a panel of three (3) accountants sitting in the County in which the Premises is located, pursuant to the rules and regulations promulgated by the American Arbitration Association. The determination made by such arbitration panel shall be final and binding upon the parties. Should Tenant fail to review Landlord's books and records and dispute Landlord's statement and deliver reasonable proof of error within said three hundred and sixty five (365) day period, then Tenant shall be deemed to have forever waived its rights to object to said Landlord's statement.

8.4 Landlord reserves the right to charge Tenant for the cost of any extraordinary trash or garbage removal required by Tenant, including such removal as may be required in connection with the commencement or termination of Tenant's business in the Demised Premises. Furthermore, Landlord specifically reserves the right to require Tenant, or any other tenant in the center, to pay for trash removal services directly to the company or entity supplying same, and/or to contract directly for trash removal services with a company or entity selected or approved by Landlord.

9. TAXES.

9.1 Commencing on the Rent Commencement Date, Tenant agrees to pay to Landlord on a monthly basis, in addition to the Base Rent payable (pursuant to Section 6 hereof), its Proportionate Share of all real estate taxes and all assessments (also in accordance with Section 6 hereof) which may be levied against the Plaza (including the fee interest, the leasehold interest, and otherwise) by the tax authorities and all governmental agencies. Taxes and assessments for any partial year of the term hereof shall be prorated on a time basis. Landlord may adjust the minimum estimated monthly payment at the end of each calendar year on the basis of Landlord's experience and reasonably anticipated costs. Within ninety (90) days following the end of each calendar year, or at Landlord's option, each tax year, Landlord shall furnish Tenant a statement covering the year just expired showing the total of such tax payable by Tenant for such year and the payments made by Tenant with respect to such period as set forth above. If Tenant's share of expenses in connection with said taxes exceeds Tenant's payments so made, Tenant shall pay Landlord the deficiency within ten (10) days after receipt of such statement. If said payments exceed Tenant's share of the expenses in connection with said taxes, Tenant shall be entitled to offset the excess against succeeding Additional Rent payments to become due Landlord as set forth herein.

9.2 Tenant shall pay Landlord any and all sales or use tax or excise tax imposed or levied against any charge or payment required under this Lease to be made by Tenant which has been imposed or levied on or against the same by any governmental agency having or purporting to have, jurisdiction thereover.

9.3 Should Landlord contest any real estate taxes or assessments, then Tenant shall pay its proportionate share of the reasonable costs incurred by Landlord with respect to such contest, including reasonable attorney fees (the "Contesting Costs"). Should any taxes or assessments be reduced as a result

of such contest, then Tenant's Proportionate Share of taxes and assessments due for the corresponding period shall be based on the reduced charges plus the Contesting Costs.

10. REPAIRS.

10.1 Tenant agrees at all times, from and after substantial completion of the Demised Premises, at its own cost and expense, to repair, replace and maintain in good and tenantable condition the Demised Premises and every part thereof, (except that portion of the Demised Premises to be maintained by Landlord as hereinafter provided), and including without limitation the utility meters, pipes, backflow preventer, conduits, all fixtures, heating ventilating and air conditioning ("H.V.A.C.") equipment serving the Demised Premises and other equipment therein, including any equipment installed by Tenant or Landlord which is a part of said system, the store front plate glass, all Tenant signs, locks and closing devices, and all window sash, casement or frames, doors and door frames, all floor coverings, and all such items of repair, maintenance, alteration and improvement or reconstruction as may at any time or from time to time be required by a governmental agency having jurisdiction thereof. Tenant shall contract with a service company for the maintenance of the H.V.A.C. equipment as further provided in Section 10.4 below.

All glass, both exterior and interior, is at the sole risk of Tenant, and any glass broken shall be promptly replaced by Tenant with glass of the same kind, size and quality, unless caused by Landlord or its agents', contractors' or employees' gross negligence. If Tenant refuses or neglects to make repairs and/or maintain the Demised Premises, or any part thereof, in a manner reasonably satisfactory to Landlord and as required hereunder, Landlord shall have the right, upon giving Tenant reasonable written notice of its election to do so, to make such repairs or perform such maintenance on behalf of and for the account of Tenant. In such event the cost of such work, plus [redacted] administrative costs, shall be paid by Tenant as Additional Rent promptly upon receipt of a bill therefore. Upon any surrender of the Demised Premises, Tenant shall redeliver the Demised Premises to Landlord in good order, condition and state of repair, ordinary wear and tear excepted.

10.2 Tenant agrees to permit Landlord and/or authorized representatives to enter the Demised Premises at all times during usual business hours upon no less than 24 hours' prior notice for the purpose of inspecting the same. Tenant further covenants and agrees that Landlord or any authorized representative may enter Demised Premises at any time in order to make any necessary repairs to the Demised Premises and perform any work therein (i) which may be necessary to comply with any laws, ordinances, rules or regulations of any public authority or of the Insurance Services Offices or of any similar body or (ii) that Landlord may deem necessary to perform remodeling construction or other work incidental to any portion of the Plaza, including without limitation the demised premises of another Tenant. Nothing herein shall imply any duty on the part of the Landlord to do any such work which, under any provision of this Lease, Tenant may be required to do, nor shall it constitute a waiver of Tenant's default in failing to do the same. No exercise by Landlord or any rights herein reserved shall entitle Tenant to any damage for any injury or inconvenience occasioned thereby nor to any abatement of rent. In the event Landlord makes or causes any such repairs to be made or performed, as provided for herein, Tenant shall pay the cost thereof to Landlord, [redacted] as Additional Rent promptly upon receipt of a bill therefore, except for that work as provided in subparagraph (ii) above which will be at the sole cost and expense of Landlord.

10.3 Landlord shall make necessary structural repairs to the Exterior Walls (as defined below), to the roof, foundations, load bearing walls, plumbing, pipes and conduits located outside of the Demised Premises and in the Common Areas, and Landlord shall perform, or cause to be performed, necessary exterior painting and underground utility repairs. Landlord shall not be required to make any repairs where same were made necessary by any act, omission, or negligence of Tenant, or its employees, agents, invitees, or contractors, or by fire or other casualty or condemnation except as provided elsewhere in this Lease. "Exterior Walls" shall mean all exterior walls of the Demised Premises and the Plaza but shall not be deemed to include store front or store fronts, plate glass, window cases or window frames, doors or door frames, security grilles or similar enclosures. Exterior Walls shall not be included in the definition of Demised Premises and shall be considered Landlord's property at all times during the Lease Term. In addition, Landlord shall not be required to make any repairs (or replacements) to any items specifically

identified in Section 10.1 of this Lease. Should Tenant inform Landlord of the need for certain Landlord repairs, and should a subsequent investigation by Landlord and/or its agents and/or contractors reveal that Tenant is actually responsible for such repairs pursuant to the terms of this Lease, then Tenant shall reimburse Landlord for Landlord's actual costs and expenses incurred in examining the Demised Premises and/or the Plaza and/or in performing such repairs; and in such event Landlord shall deliver to Tenant a copy of the bill or bills for such examination and/or repairs and Tenant shall reimburse Landlord within ten (10) days of receipt of such bill(s).

10.4 Heating and Air Conditioning Unit(s): As a part of its air conditioning maintenance obligation, Tenant shall enter into an annual contract with an air conditioning repair firm, fully licensed to repair air conditioning units in the State of Georgia, which firm shall:

(1) Regularly service the air conditioning unit(s) on the Demised Premises on a monthly basis, changing belts, filters, and other parts as required.

(2) Perform emergency and extraordinary repairs on the air conditioning unit(s).

(3) Keep a detailed record of all services performed on the Demised Premises and prepare a yearly service
report to be furnished to the Tenant at the end of each calendar year.

Tenant shall furnish to Landlord, at the end of each calendar year, a copy of said yearly service report. Not later than the Beginning Date and annually thereafter, Tenant shall furnish to Landlord a copy of the air conditioning maintenance contract described above, and proof that the annual premium for the maintenance contract has been paid. Nothing stated hereinabove shall limit Tenant's obligation to maintain the air conditioning unit(s) in good condition and repair throughout the term of this Lease.

11. TENANT'S RIGHT TO MAKE IMPROVEMENTS.

Tenant covenants and agrees that it shall not make any Tenant Improvements upon the structure of the Demised Premises during the Lease Term unless such improvements are made subsequent to receiving written consent of the Landlord, which consent may be withheld in the absolute discretion of the Landlord. In the event of such Landlord approval, Tenant shall be entitled to make such Tenant Improvements to the structure of the Demised Premises during the Lease Term if (i) such Tenant Improvements are made pursuant to plans and specifications approved by all governmental and quasi-governmental agencies having jurisdiction thereof, (ii) such work is performed in a good and workmanlike manner, free and clear of all liens, claims and encumbrances, and (iii) such work is made in accordance with Exhibit C attached hereto. In addition, Tenant shall deliver to Landlord true and complete copies of the approved plans and specifications associated with any such Tenant Improvements simultaneous with obtaining such approval from the governmental agency having jurisdiction.

Provided Tenant is in good standing under this Lease, and has performed and complied with all of the terms, covenants and conditions hereof, and no event has occurred that with the passage of time and/or the giving of notice would result in a default hereunder, Tenant shall be entitled to make nonstructural alterations, improvements or additions to or upon the Demised Premises during the Lease Term if (i) such nonstructural alterations, improvements or additions are made pursuant to plans and specifications approved by all governmental and quasi-governmental agencies having jurisdiction thereof, if applicable, (ii) such work is performed in a good and workmanlike manner, free and clear of all liens, claims and encumbrances and (iii) such work is made in accordance with Exhibit C attached hereto. In addition, if applicable, Tenant shall deliver to Landlord true and complete copies of the approved plans and specifications associated with any such alterations, improvements or additions simultaneous with obtaining such approval from the governmental agency having jurisdiction

All Tenant Improvements shall remain upon the Demised Premises and at the expiration or earlier termination of this Lease, shall become the property of Landlord unless Landlord shall, prior to the termination of this Lease, have given written notice and direction to Tenant to remove the same at

Tenant's sole cost and expense, in which event Tenant shall at its own expense remove such Tenant Improvements and restore the Demised Premises to the same good working order and condition in which it was at the commencement of the Lease term. Should Tenant fail so to do, Landlord may do so, at Landlord's option, collecting in such instance the cost and expense thereof, [redacted] administrative costs, from the Tenant as Additional Rent.

Further, in the event that Tenant Improvements are made or other changes to the Demised Premises which require governmental permits, without Tenant having first obtained said permits and then obtaining all necessary governmental inspections and approvals to close out said permits, then Tenant shall be liable to Landlord for all damages incurred by Landlord including but not limited to architect/engineering costs, contractor costs, permit and other governmental fees, and lost rent of future tenants during permitting, construction and/or inspection, and this obligation and liability shall survive the expiration and/or earlier termination of the Lease.

12. AFFIRMATIVE COVENANTS OF TENANT.

TENANT AGREES:

12.1 To comply with any and all requirements of any of the constituted public authorities having, or purporting to have jurisdiction and with the terms of any State, Federal, or local statute, ordinance, or regulation applicable to Tenant or its use of the Demised Premises and to save and hold Landlord harmless from, and by these terms to indemnify Landlord for all penalties, fines, costs, expenses or damages, including, without limitation, Landlord's reasonable attorney's fees resulting from Tenant's failure to do so, and

12.2 To give Landlord prompt written, full, complete, and specific notice of any accident, fire damage, or injury whatsoever occurring in, on or to the Demised Premises, and

12.3 That all loading and unloading of goods shall be done only at such times and in the areas and through such entrances as may be designated for such purposes by Landlord and that trailers or trucks shall not be permitted to remain parked overnight in any area of the Plaza whether loaded or unloaded, , provided however that subject to governmental laws, codes, rules and regulations (and Landlord in no way represents that such laws, codes, rules and/or regulations permit said overnight parking) Tenant may park one truck overnight at the Plaza in a location determined by Landlord, and

12.4 To keep all garbage and refuse in the kind of container specified by Landlord or garbage service designated by Landlord, and to place the same outside of the Demised Premises prepared for collection in the manner and at the times and places specified by Landlord or garbage service in accordance with all regulations of the public authorities having, or purporting to have, jurisdiction, and

12.5 To keep outside areas adjoining the Demised Premises clean and not to burn, place or permit any rubbish, obstruction, tables, chairs or merchandise in such areas, and

12.6 To keep the Demised Premises clean, orderly, sanitary and free from objectionable odors, and from insects, vermin and other pests and, with affirmative action, not to permit any usage or possession of any illegal substance in, on or upon the Demised Premises. If Tenant is a nail salon or otherwise generates odors from the Demised Premises, then in addition to all other requirements contained in this Lease, Tenant shall use all available methods to prevent the emanation of odors into the adjacent stores throughout the Lease Term, including but not limited to adequate ventilation (which, as a condition of this Lease must be installed prior to Tenant's opening for business), and (to the extent available) the use of odorless products. Tenant's ventilation plans must be provided to Landlord prior to Tenant's opening for business and are subject to Landlord's approval. Failure by Tenant to obtain Landlord's approval shall be deemed an Event of Default by Tenant hereunder. Further, Landlord's approval of said ventilation plans does not constitute a waiver of Landlord's future rights to enforce the provisions of this or any other applicable paragraph in this Lease (i.e. it shall be Tenant's obligation to

ensure that no odors emanate from the Demised Premises into adjacent stores, regardless of Landlord's approval of Tenant's ventilation plans), and

12.7 To require Tenant's principals and Tenant's employees to park their cars only in those portions of the parking areas that may be designated for that purpose by Landlord and that, if Tenant or Tenant's principals or employees violate this provision two (2) or more times in any twelve (12) month period during the Lease Term, Landlord shall first give Tenant written notice of Tenant's violation of this provision, and thereafter, Tenant shall pay Landlord [redacted] per day per car in each such instance. Landlord, also at its option, may have the car towed and Tenant shall be responsible for all costs involved. If in the opinion of Landlord, unauthorized persons are using any of said areas by reason of the presence of Tenant in the Demised Premises, Tenant, upon demand of Landlord, shall enforce such rights against all such unauthorized persons by appropriate proceedings, and

12.8 To keep Tenant's display windows, including window or shadow boxes, in or on the Demised Premises dressed, clean and illuminated and its signs and exterior lights well lighted and clean at all times during the Lease Term during the following hours: Mondays through Thursdays from 11 am through 11 pm; Fridays and Saturdays from 11 am through 1 pm; and Sundays from 12 pm through 8 pm ("Hours of Operation") and to keep the Demised Premises open for business during Hours of Operation and for such additional hours as Tenant may desire, and

12.9 To initially open and continuously operate (except for holidays when the center is closed) one hundred percent (100%) of the Demised Premises, maintaining a full staff of employees and a full and complete stock of merchandise, and if Tenant ceases such operations for a period in excess of thirty (30) days, except on account of casualty, condemnation or bona fide, periodic renovation, then Landlord may terminate this Lease upon thirty (30) days notice to Tenant.

12.10 To conduct its business in the Demised Premises in all respects in a dignified manner and in accordance with high standards of store operation, and

12.11 To comply with all reasonable rules and regulations of Landlord in effect at the time of the execution of this Lease and at any time or times and from time to time promulgated by Landlord, which Landlord in its reasonable sole discretion shall deem necessary or appropriate in connection with the Demised Premises, or the building(s) or the Plaza, and

12.12 The Tenant shall forthwith pay all liens of contractors, subcontractors, subsubcontractors, mechanics, laborers, and materialmen and all other items of like character and that Tenant does hereby indemnify Landlord against all legal costs and charges, bond premiums for release of liens, including all attorney's fees of Landlord incurred in and about the prosecution or defense of any suit in discharging the Demised Premises and, alternatively, the Plaza or any part or portion thereof from any liens, charges, judgments, or encumbrances caused or suffered to be caused, directly or indirectly, by Tenant, and that all the costs and charges above referred to shall be considered as rent due and shall be included in any lien for rent; Tenant acknowledges and agrees that (a) any Tenant Improvements to the Demised Premises to be performed by Tenant are per Tenant's desire only, and (b) although Landlord may consent to said Tenant Improvements, Landlord in no way requires that said Tenant Improvements be completed unless it is specifically provided herein that said Tenant Improvements are required by Landlord as a condition to this Lease and that an Event of Default shall be deemed to occur by Tenant for failure to complete same, and (c) Landlord's requirement that Tenant open for business shall not be deemed as a requirement to complete any of Tenant Improvements, and (d) Tenant is not in any way acting as Landlord's agent as to said Tenant Improvements, and Landlord shall not be deemed to have received any notices to Tenant unless Landlord shall have actually received a copy of said notice directly from the notifying party. Tenant shall give notice of the foregoing provisions to all parties contracting with Tenant who may otherwise claim potential lien rights against the Demised Premises, and

12.13 Neither Tenant nor anyone claiming by, through or under Tenant shall place any mechanic's lien of any kind or character on the Demised Premises and notice is hereby given that no contractor, subcontractor or anyone else that may furnish any material, service or labor to the Demised

All persons who may hereafter, during the continuance of this Lease, furnish work, labor, services or materials to the Demised Premises, or any portion of the Plaza upon the request or order of Tenant, or any person claiming under, by or through Tenant, must look wholly to the interest of Tenant and not to that of Landlord. Tenant shall provide notice of these restrictions in advance to any and all contractors, subcontractors, or other persons, firms or corporations that may furnish any such material, service or labor to the Demised Premises. If any such lien be claimed or filed, Tenant covenants, within the time now about to be limited, to cause the Demised Premises and the Plaza to be released from such claim or lien ("Claim"), either through the deposit into court pursuant to statute of the necessary sums of money, or in any other way which is competent legally to effect the release ("Release") of the Demised Premises and the Plaza from the Claim. The time within which Tenant must affect such Release of the Demised Premises and/or the Plaza, as aforesaid, is as follows:

(1) If the Claim shall have been evidenced through the giving of a written notice of lien claim, and if such notice be filed amongst the Public Records of the County in which the Premises is located, then Tenant shall affect such Release from such Claim within thirty (30) days after the time when such Claim shall have been filed amongst the Public Records.

(2) If the Claim be evidenced, without notice having been given as aforesaid, through the filing of a suit in any court having jurisdiction of the subject matter, in which suit the Claim is asserted and sought to be enforced, then Tenant must effect the Release within ten (10) days after the time when service of process shall have been completed against Tenant or Landlord in the suit.

In the event that the Tenant shall violate the terms and provisions of this section 12.12, such violations shall constitute an immediate Default under this Lease.", and

12.14 To warehouse, store, and/or stock in the Demised Premises only such goods, wares, and merchandise as Tenant intends to offer for sale at retail, in, from or upon the Demised Premises (but that the foregoing shall not preclude occasional emergency transfers of merchandise to the other stores of Tenant not located in the Plaza) and that Tenant shall use for office, clerical or other non-selling purposes only such limited space in the Demised Premises as is from time to time reasonably required for Tenant's business in the Demised Premises (unless Tenant's primary use is as an office), and

12.15 To be responsible for and to pay before delinquency all municipal, county or state taxes, assessments, license fees assessed or imposed during the Lease Term against any leasehold interest, trade fixtures, merchandise or personal property of any kind, owned or placed in, upon or about Demised Premises by Tenant, and

12.16 To comply fully with all fire, safety and handicap codes, rules, and regulations, in effect from time to time during the Lease Term, of the public authorities having or purporting to have jurisdiction and to install, keep, and maintain at Tenant's cost and expense any and all systems, equipment and the like or differing required by any of the same, including without limitation, the installation of such fire extinguishers and other safety equipment as Landlord may reasonably require. Notwithstanding the foregoing, the Landlord shall be liable for any such compliance regarding the Americans with Disabilities Act with regard to all aspects of the Plaza outside of the Demised Premises, and similarly, Tenant shall be responsible for such compliance within the Demised Premises. Tenant further agrees, at its own expense, to comply with all laws, orders and regulations of federal, state and municipal authorities and with any lawful direction of any public officer that shall impose any duty upon Tenant with respect to the use of the Demised Premises.

Tenant shall and hereby does indemnify Landlord and save it harmless from and against any and all claims, causes of action, actions, damages, liabilities and expenses, including without limitation reasonable attorney fees and costs, in connection with or arising out of or relating to (a) Tenant's failure to comply with any and all federal, state and local laws and ordinances within the Demised Premises, or

(b) Tenant's failure to comply with the Americans With Disabilities Act within the Demised Premises. Tenant shall at its own expense, obtain all required licenses or permits necessary for the compliance with the terms of this paragraph, and

12.17 That upon the sale or exchange of the Plaza, not to look to the original Landlord for accountability for or return of any security deposit, unless said sums were not turned over to new owner of Plaza, and

12.18 That it shall, and hereby does by these terms fully absolutely and unconditionally subordinate its rights hereunder to the lien of a mortgage(s), now or hereafter placed against Landlord's or its successor's interest, and alternatively, any or all the buildings now or hereafter built in the Plaza by Landlord and to any and all advances without limitation, made or to be made thereunder and to the interest thereon and to all renewals, modifications, substitutions, replacements, consolidations and extensions thereof and future advances thereunder and that Tenant will in the event of the sale, transfer or assignment of Landlord's interest in the Demised Premises, or all or any portion of the Plaza, or in the event any proceedings are brought for the foreclosure of or for the exercise of any power of sale under any mortgage on the Demised Premises or the Plaza, at the option of the mortgagee the Tenant shall attorn to the respective transferee, assignee or purchaser and recognize such party as Landlord under this Lease (to the extent applicable). Tenant further agrees that upon demand by Landlord that it shall enter into and execute a subordination and attornment agreement. Further, Tenant will from time to time promptly execute upon demand and without charge such documents and instruments in such form and substance as Landlord or its mortgagees or its other lenders may require implementing further, the foregoing subordination and attornment agreement. If Tenant fails to execute and deliver any such documents or instruments within ten (10) days after written request therefore, at Landlord's option, such shall be considered to be an Event of Default by Tenant under this Lease. Further, in the event Tenant fails to timely execute and deliver same to Landlord, then, in that event, Tenant irrevocably constitutes and appoints Landlord with an irrevocable power as Tenant's special attorney in fact to execute and deliver any such documents or instruments, with such power coupled with an interest; and

12.19 To notify Landlord in writing immediately upon any signs of mold or mildew becoming visible and/or otherwise apparent in the Demised Premises, including but not limited to water stains on ceiling tiles and/or discoloration of walls. In the event that such mold or mildew is caused by any acts or omissions of Tenant, its employees, contractors and/or agents, including but not limited to a failure to comply with Tenant's maintenance, repair and/or replacement obligations under this Lease, then Tenant shall immediately remedy said acts and/or omissions and shall be liable to Landlord for the consequences of said acts and/or omissions. In the event Tenant fails to immediately notify Landlord upon any signs of mold or mildew, such shall be considered an Event of Default by Tenant hereunder; and

12.20 To carry all applicable insurance as required under Section 16 hereinafter; and

12.21 To comply with all Rules and Regulations set forth on Exhibit "D" attached hereto.

12.22 That it hereby represents and warrants to Landlord that it is currently and will at all times during the Lease Term be in compliance with any and all applicable laws and regulations concerning its organization, good standing, existence and qualification with respect to the transaction of its business. Tenant further represents that the undersigned is authorized to execute this Lease on behalf of Tenant and that the Tenant will deliver and perform all obligations under the Lease.

13. NEGATIVE COVENANTS OF TENANT.

Tenant agrees that it will not do any of the following without the express, specific prior consent in writing from the Landlord:

13.1 Use or operate any machinery or equipment that, in Landlord's reasonable opinion, is harmful to the building or disturbing to other tenants in the building or the Plaza of which the Demised Premises is a part; nor shall Tenant use any loudspeakers, televisions, phonographs, radios or other like or

differing devices in a manner so as to be heard outside of the Demised Premises, or display or store merchandise on the exterior of the Demised Premises either for sale, promotion or other purpose, and/or

13.2 Do, or suffer to be done, any act, manner or thing objectionable to the fire insurance companies whereby the fire insurance or other insurance now in force or hereafter to be placed on the Demised Premises or any part thereof, or on the building or Plaza of which the Demised Premises is a part shall become void or suspended, or whereby the same shall be rated at a more hazardous risk than at the date when Tenant received possession hereunder; in case of a breach of this covenant, in addition to all other remedies of Landlord hereunder, Tenant agrees to pay to Landlord as Additional Rent any and all increases of premiums on insurance carried by Landlord on the Demised Premises, or any part thereof, and on the building and Plaza of which the Demised Premises is a part caused by the occupancy or use of Tenant, and/or

13.3 Attach any awnings, antenna or other projections to the roof or the Exterior Walls of the Demised Premises of the building or Plaza of which the Demised Premises is a part, and/or

13.4 Conduct any auction, fire bankruptcy, liquidation, selling-out or like sale, in or about the Demised Premises, and/or

13.5 Execute or deliver any security interest in any trade fixtures or other property placed in or on the Demised Premises, without the prior written consent of Landlord, which consent shall not be unreasonably withheld or delayed provided Tenant is in good standing under this Lease, has complied with all terms, covenants and conditions hereof, and no event has occurred that with the passage of time, and/or the giving of notice would result in a default hereunder. Notwithstanding the foregoing, however, in no event shall the Demised Premises, the Plaza or the land upon which such improvements are built upon be subordinate or inferior to any leasehold mortgage as aforementioned. In that regard, Tenant, and its leasehold mortgagee, shall be obligated to execute any and all documents reasonably necessary by Landlord or its mortgagee to confirm the superiority of such interests over that of the Tenant and any leasehold mortgagee as contemplated hereby, and/or

13.6 Solicit business or distribute any handbills or other advertising matter in the Common Areas of the Plaza including without limitation, sidewalks, pedestrian walkways, parking areas, and public pay phones within Common Areas, and/or

13.7 Operate more than an aggregate of two of the following: vending machines, pinball machines and/or electronic games and/or similar devices within or without the Demised Premises, except solely for the exclusive use of Tenant's employees, and/or

13.8 Penetrate the roof of the Demised Premises without Landlord's prior written consent. Tenant shall be responsible for the repair of roof leaks caused by such penetration notwithstanding whether Tenant has obtained Landlord's prior written consent thereto, and/or

13.9 To handle, store or dispose of any hazardous or toxic waste or substance upon the Demised Premises which is prohibited by any federal, state or local statutes, ordinances or regulations. Tenant hereby covenants to indemnify and hold Landlord, its successors and assigns, harmless from any loss, damage, claims, costs, liabilities or cleanup costs arising out of Tenant's use, handling, storage or disposal of any such hazardous or toxic waste or substances on the Demised Premises.

14. SIGNS.

Tenant is required to place a sign on the building fascia above the storefront, unless the design and/or location of the Demised Premises are not conducive to the erection of same. Said sign shall be installed within thirty (30) days following the date Tenant opens for business. Tenant shall not exhibit, inscribe, paint, or affix any sign, advertisement, notice or other lettering on any part of the Exterior Walls or the outside of the Demised Premises or of the building or the Plaza of which the Demised Premises is a part without first obtaining Landlord's prior, specific written approval thereof; and Tenant further agrees

to maintain each and every sign, lettering and the like as may be approved by Landlord in good condition, working order, and repair at all times. If Tenant does not keep sign in good condition, working order and repair at all times, upon giving Tenant ten (10) days written notice of its election to do so, Landlord will have sign repaired and restored to good working order and invoice Tenant for all charges incurred, [redacted] administrative costs, as Additional Rent. Upon request, Landlord shall deliver to Tenant the "Sign Criteria" acceptable to Landlord. Tenant agrees that Tenant's sign(s) shall comply with the contents of such Sign Criteria. If Tenant erects sign without proper written approval from Landlord, Landlord can remove sign and invoice Tenant for all costs incurred, [redacted] administrative costs, and same shall become due as Additional Rent.

Notwithstanding anything contained in this Paragraph 14 to the contrary, such signage shall be subject to all governmental and quasi-governmental consents, approvals and permits as may be necessary in order to erect such sign. In that regard, Landlord makes no representation or warranty as to Tenant's ability to obtain such signage or the availability thereof for Tenant, provided Landlord agrees to reasonably cooperate with Tenant, at no cost to Landlord, in filing any required applications for governmental approvals for signage (but not with respect to any variance). Unless otherwise instructed by Landlord, Tenant shall, upon the expiration or earlier termination of this Lease, remove its fascia sign(s) and repair all damage to the fascia at Tenant's sole cost and expense. The foregoing does not apply to so-called "box signs" which should remain affixed to the building. Should Tenant fail so to remove said sign and effect said repairs, Landlord may do so, at Landlord's option, collecting in such instance the cost and expense thereof, [redacted] administrative costs, from the Tenant as Additional Rent or as a deduction from Tenant's Security Deposit.

15. DAMAGES TO DEMISED PREMISES.

15.1 In the event of any damage or destruction to the Demised Premises at any time during the Lease Term (whether by casualty or condemnation), and Landlord elects to rebuild the Demised Premises or Plaza, as applicable, in order to enable the Tenant to occupy the Demised Premises in accordance with Exhibit B as contemplated hereby (including all Tenant Work, alterations, betterments, improvement, demolitions and/or additions made by Tenant but paid for by Landlord in accordance with Exhibit B), then, and in that event, Tenant shall repair or rebuild all Tenant Improvements in conformity with the requirements of this Lease, subject to the terms of Paragraph 15.4 hereof. Tenant Improvements shall have the same meaning ascribed to them as in Section 3.2 herein.

15.2 If the Demised Premises are rendered temporarily untenantable as a result of any damage or destruction by fire or other casualty (unless caused by Tenant or its employees or agents' negligence or willful actions), the Base Rent and Additional Rent shall be equitably adjusted to the extent that the Demised Premises are tenantable, and the Base Rent and Additional Rent shall be abated to the extent that the Demised Premises are untenantable, for the period from the date of such damage or destruction until the earlier to occur of: (i) sixty (60) days following the date the Demised Premises are tendered to Tenant to repair Tenant Improvements; or (ii) Tenant opens for business in any portion of the Demised Premises.

15.3 If the Plaza or Demised Premises are substantially damaged or destroyed by fire or other casualty, then Landlord may terminate this Lease by giving Tenant notice ("Casualty Termination Notice") to such effect within one hundred twenty (120) days after the casualty causing such damage. Further, should Landlord fail to deliver possession of the Premises back to Tenant within three hundred and sixty five (365) days after such substantial damage or destruction, then Tenant may terminate this Lease by giving Landlord Casualty Termination Notice at any time thereafter but prior to said delivery. Notwithstanding anything to the contrary herein, the Lease Term shall terminate and expire upon the thirtieth (30th) day after the Casualty Termination Notice is given and Tenant shall vacate the Demised Premises and surrender same to Landlord, on or before said date. The Demised Premises or the Plaza (whether or not the Demised Premises are damaged) shall be deemed substantially damaged or destroyed; (i) if the costs of repair and restoration after insurable casualty occurs is fifty (50%) percent or more of the then full replacement cost of the Demised Premises or Plaza, as applicable; or (ii) if the cost of repair and restoration after any non-insurable casualty occurs is ten (10%) percent or more of the then full replacement costs of the Demised Premises or Plaza, as applicable.

Kennesaw

15.4 If Landlord does not elect to terminate this Lease after a casualty, (a) Landlord shall repair or rebuild the Demised Premises or Plaza, or provide for the repair or rebuilding of the Demised Premises, as applicable, in order to enable Tenant to occupy the Demised Premises as provided in Exhibit B with reasonable dispatch after notice to it of the damage or destruction and the collection of the insurance proceeds attributable to such damage, and (b) Tenant shall restore the Demised Premises and diligently pursue the completion of such restoration in accordance with Exhibit C simultaneous with receipt of tender of possession of the Demised Premises from Landlord, subject to the terms of this Section 15.4. Further, all such work by Tenant shall be deemed Tenant Improvements for purposes of Paragraph 11.1 hereof. The proceeds of policies providing coverage for Tenant Improvements shall be held in trust by Tenant and utilized for the repair, rebuilding or restoration of the Demised Premises. Tenant's obligations hereunder shall include the application of any deductible under the policy insuring the Tenant Improvements towards the repair or restoration of the Demised Premises. Notwithstanding the foregoing, in the event any action or omission by, through or under Tenant results in the denial of coverage by such insurance company, then the condition regarding receipt of insurance proceeds shall not be applicable and Tenant shall be obligated to repair, rebuild or restore the Demised Premises irrespective of the availability of such insurance proceeds.

16. INDEMNIFICATION, PUBLIC LIABILITY AND OTHER INSURANCE.

16.1 Tenant shall and hereby does indemnify Landlord and save it harmless from and against any and all claims, causes of action, action, damages, liability and expense including, without limitation, reasonable attorney's fees in connection with any and all of loss of life, personal injury and damage to property occurring in or about, or arising out of or relating to, directly or indirectly in any manner whatsoever, the Demised Premises occasioned wholly or in part by any negligent act or omission of Tenant, its agents, contractors, customers, principals, directors, officers, or employees.

16.2 Tenant shall at all times during the Lease Term keep and maintain in full force and effect at its sole cost and expense broad form comprehensive general public liability insurance with companies reasonably acceptable to Landlord sufficient to cover such indemnification and naming as insured both Landlord and Tenant with minimum limits of [redacted] dollars on account of bodily injuries to or death as the result of any one accident, occurrence or disaster, and Tenant shall promptly deposit a copy of the original policy or policies or certificates of such insurance with Landlord evidencing such coverage. Further, if, as and to the extent acceptable to Landlord's mortgagee, if any and from time to time, Tenant may carry such insurance under blanket policies.

16.3 Tenant shall at all times during the Lease Term keep and maintain in full force and effect at its sole cost and expense an all risk policy of insurance upon all of the plate glass in the Demised Premises, and upon all Tenant Improvements in and on the Demised Premises, in an amount equal to the replacement costs of such Tenant Improvements. Such policies shall name both Landlord and Tenant as parties covered thereby as their respective interests may appear and to the policy's full extent. Tenant shall furnish Landlord with a certificate of insurance or other evidence acceptable to Landlord that such insurance is in force and evidence acceptable to Landlord that the premiums have been paid by Tenant at least ten (10) days prior to the date Tenant is to open its business in the Demised Premises and show renewal certificates ten (10) days prior to each expiration date of such policies.

16.4 Tenant shall furnish Landlord, prior to Tenant taking occupancy, copies of original policies or certificates of insurance evidencing the coverages required by this Lease. All policies required hereunder shall contain an endorsement providing that the insurer will not cancel or materially change the coverage of such policies without giving ten (10) days prior written notice thereof to Landlord. Tenant shall furnish Landlord a copy of a renewal certificate prior to the expiration of each policy. All carriers must have a rating by A.M. Best of A-V111 or higher.

16.5 Each party shall include in each of its insurance policies covering loss, damage or destruction by fire or other insured casualty a waiver of the insurer's right of subrogation against the other party, or if such waiver should be unobtainable or unenforceable, (a) an express agreement by each party's

insurance company that such policy shall not be invalidated if the insured waives or has waived before the casualty or liability the right of recovery against any party responsible for a casualty or liability covered by the policy, or (b) any other form of permission by each party's insurance company for the failure of the other party. If such waiver, agreement or permission shall not be, or shall cease to be, obtainable, the insured party shall so notify the other party promptly after learning thereof. During any period while the foregoing waiver of right of recovery is in effect, Landlord shall look solely to the proceeds of its property insurance policies to compensate Landlord for any loss occasioned by fire or other insured casualty. During any period while the foregoing waiver of right of recovery is in effect, Tenant shall look solely to the proceeds of such policies to compensate Tenant for any loss occasioned by fire or other insured casualty.

16.6 In addition to the requirements regarding plate glass and Tenant Improvement insurance under Section 16.3 herein, the foregoing insurance policy shall also cover all of Tenant's: trade fixtures, furnishings, wall coverings, interior partitions, carpeting, drapes and equipment for the full insurable value thereof. In the event of loss, Tenant agrees that the proceeds of such insurance shall be used for the repair or replacement of the items so insured.

17. WAIVER OF CLAIMS.

17.1 Landlord and Landlord's agents, employees and contractors shall not be liable for, and Tenant hereby irrevocably and unconditionally releases all claims for, damage to person(s) or property sustained by Tenant or any person claiming by, through, or under Tenant resulting from a fire, accident, occurrence or condition in or upon the Demised Premises or the building(s) of which it shall be a part, including but not limited to such claims for damage resulting from (i) any defect in or failure of plumbing, heating or air conditioning equipment, electric wiring or installation thereof, water pipes, stairs, railing or walks, (ii) any equipment or appurtenance becoming out of repair, (iii) the bursting, leaking or running of any tank, washstand, water closet, waste pipe, sprinkler head or pipe, drain or any other pipe or tank in, upon or about such building or the Demised Premises, (iv) the backup of any sewer pipe or downspouts, (v) the escape of steam or hot water, (vi) water being upon or coming through the roof or any other place upon or near such building or Demised Premises or otherwise, (vii) the falling of any fixtures, plaster or stucco, (viii) broken glass and (ix) any act or omission of co-tenants or other occupants of said building or adjoining or contiguous property or buildings, unless said damage is the direct result of an act of gross negligence on the part of Landlord, Landlord's agents, employees or contractors.

17.2 Landlord shall not be deemed negligent and shall not be liable for damages caused to Tenant as a result of Landlord's failure to install, or Landlord's improper installation of, hurricane shutters and Landlord has no responsibility whatsoever for such installation. Landlord may, at its sole option, deliver hurricane shutters to Tenant for the Demised Premises, and in such event then Tenant shall be responsible for storing said shutters within the Demised Premises and for returning said shutters to Landlord in good working order, normal wear and tear excepted, upon the expiration or earlier termination of this Lease.

18. TRADE FIXTURES AND PERSONAL PROPERTY

18.1 Any trade fixtures, signs and other personal property of Tenant not permanently affixed to the Demised Premises shall remain the property of Tenant. Landlord agrees that Tenant shall have the right, provided Tenant is in good standing under this Lease, and has performed and complied with all of the terms, covenants and conditions hereof, and no event has occurred that with the passage of time and/or the giving of notice would result in an Event of Default by Tenant hereunder, and provided (at Landlord's option) Tenant restores the Demised Premises to the condition it was in prior to Tenant occupying the Demised Premises, to remove any and all of its trade fixtures, signs and other personal property which it may have stored or installed in the Demised Premises, including without limitation, counters, shelving, showcases, mirrors and other movable personal property. All trade fixtures, signs and other personal property installed in or attached to the Demised Premises by Tenant must be in conformance with all applicable building codes and city regulations.

18.2 All improvements to the Demised Premises by Tenant, including but not limited to mechanical systems, light fixtures, floor coverings and partitions and any other items comprising Tenant's work but excluding removable trade fixtures and signs, shall (at Landlord's option) become the property of Landlord upon expiration or earlier termination of this Lease.

19. ESTOPPEL CERTIFICATE.

19.1 Tenant shall at any time and from time to time, without charge, within ten (10) days after receipt of written notice from Landlord or any mortgagee of Landlord, execute, acknowledge and deliver to Landlord or such mortgagee, a statement in writing (i) certifying that this Lease represents the entire agreement between Landlord and Tenant, and is unmodified and in full force and effect (or, if modified, stating the nature of such modification and certifying that this Lease, as so modified, is in full force and effect) and the dates to which the rental and other charges are paid in advance, if any; (ii) certifying that there has been no assignment or other transfer by Tenant of this Lease, or any interest therein; and (iii) acknowledging that there are not, to Tenant's knowledge, any uncured defaults on the part of Landlord hereunder and that Tenant has no right of offset, counterclaim or deduction against rental, or specifying such defaults if any are claimed together with the amount of any offset, counterclaim or deduction alleged by Tenant. Any such statement may be relied upon by any prospective purchaser or lender upon the security of the real property of which the building and their Demised Premises are a part. In the event Tenant fails to execute and deliver any such documents or instruments, Tenant irrevocably constitutes and appoints Landlord as Tenant's special attorney in fact to execute and deliver any such documents or instruments.

19.2 Provided Tenant is in good standing under the terms of this Lease and has complied with each and every covenant and condition hereof, and no event has occurred that with the passage of time and/or the giving of notice would result in a default hereunder, Landlord agrees, upon written notice from Tenant, to execute, acknowledge and deliver to Tenant a statement in writing certifying that this Lease represents the entire agreement between Landlord and Tenant, and is unmodified and in full force and effect, if appropriate (or, if modified, stating the nature of such modification and certifying that this Lease, as so modified, is in full force and effect, if appropriate) and the dates to which rental and other charges are paid in advance, if any.

20. EVENTS OF TENANT DEFAULT.

In addition to certain events specified under this Lease, the occurrence of any one or more of the following, not cured within an applicable cure period, if any, shall constitute an "Event of Default" by Tenant hereunder:

20.1 Failure of Tenant to commence business within the time period specified herein, alternatively,

20.2 Substantial discontinuance by Tenant of the conduct of its business in the Demised Premises, alternatively,

20.3 The filing of a voluntary petition by Tenant under any chapter of the United States Bankruptcy Code; or the filing of an involuntary petition by one or more creditors against the Tenant under any chapter of the United States Bankruptcy Code; or the appointment of a receiver or trustee of Tenant's property; an assignment by Tenant for the benefit of creditors; or the taking possession of all or substantially all of the property of Tenant by any governmental officer or agency pursuant to the statutory authority for the dissolution or liquidation of Tenant, alternatively,

20.4 Failure of Tenant to pay when due any installment of Base Rent or Additional Rent hereunder or any other sum hereunder required to be paid by Tenant after all applicable grace periods set forth herein, if and as applicable, alternatively,

20.5 Vacation, abandonment or desertion of the Demised Premises or permitting the same to be empty and unoccupied (excluding routine closing periods), alternatively,

20.6 Tenant's removal or attempt to remove, or manifesting an intention to remove, Tenant's goods or property from or out of the Demised Premises otherwise than in the ordinary and usual course of business without having first paid and satisfied Landlord for all rent which may become due during the Lease Term, alternatively,

20.7 Tenant's failure to perform or abide by any other term, provision, covenant, agreement, undertaking or condition of this Lease within fifteen (15) days after notice, shall constitute an Event of Default. In the event that Tenant, in good faith, shall begin to remedy a non-monetary default within such fifteen (15) day period and shall proceed immediately, expeditiously, continuously, and diligently to cure fully and completely, then Tenant shall have an additional forty-five (45) days to so cure. In any event, should Tenant fail to fully and completely cure within sixty (60) days after notice, then such failure shall constitute an Event of Default.

21. RIGHTS OF LANDLORD UPON AN EVENT OF DEFAULT BY TENANT.

21.1 If an Event of Default by Tenant occurs, then the Landlord, in addition to all rights and remedies granted under the laws of the State of Georgia shall have any and all of the following rights:

21.1.1 After service of notice and by legal process, and without Landlord or its agents being deemed guilty of trespass, or becoming liable for any loss or damage which may be occasioned hereby, Landlord may re-enter and remove all persons and property from the Demised Premises, and such property may be removed and stored in a public warehouse, sidewalk or elsewhere at the cost of and for the account and sole risk of Tenant. Tenant hereby absolutely waives all claims for damages related, directly or indirectly, to any of the same, and/or

21.1.2 To terminate the Lease and re-let the Demised Premises for the account of the Landlord or within the sole discretion of Landlord the Demised Premises may be re-let for the account of the Tenant, and/or

21.1.3 If any part or portion of the Base Rent or Additional Rent payments agreed to be treated as rent shall remain due and unpaid for five (5) days or if an Event of Default by Tenant has occurred under the Lease and all applicable cure periods have expired, then Landlord shall have the option of terminating this Lease and declaring the balance of the entire unpaid Base Rent or Additional Rent for the Lease Term to be accelerated and to be immediately due and payable. Landlord may then proceed immediately to collect all of the unpaid rent called for by this Lease by distress or otherwise, without prejudice to Tenant's obligation for all such accelerated rent should Tenant fail then to pay the balance of the entire rent for the entire rental term. For purposes of this Paragraph, said balance means the entire Base Rent and Additional Rent for the balance of the Lease Term.

21.1.4 If Tenant receives any concessions from Landlord at the commencement of the Lease Term, whether such concessions are in the form of free or reduced rent from any time after the Beginning Date and/or construction contributions in the form of cash or rent credits, then in the event of an uncured Event of Default by Tenant in addition to any and all other remedies available to Landlord, such concessions shall be deemed as Additional Rent immediately due and payable to Landlord.

21.1.5 To receive reimbursement by Tenant of all unamortized brokerage fees incurred by Landlord in entering into this Lease (i.e. (a) the total brokerage fee paid by Landlord multiplied by (b) one minus (i) the number of monthly rental payments received by Landlord divided by (ii) the number of rental payments due to Landlord over the Initial Lease Term) and all legal fees incurred by Landlord in negotiating and entering into this Lease.

21.2 Tenant agrees to pay all reasonable costs, whether or not otherwise considered "court costs", and reasonable expenses of collection and reasonable attorneys fees, including any costs and/or attorneys

fees incurred prior to commencing suit, during litigation, at all appellate levels, in connection with any bankruptcy filing by Tenant and for all efforts and methods of collecting any unpaid debt or judgment against the Tenant.

21.3 The parties hereto shall, and they hereby do, irrevocably waive trial by jury in any and every action or proceeding brought by either of the parties hereto against the other on any matters whatsoever arising out of or in any way connected with this Lease, the relationship of Landlord and Tenant, Tenant's use or occupancy of the Demised Premises, and any claim for injury or damage. In the event Landlord commences any proceeding, whether or not for nonpayment of rent, any Additional Rent, or otherwise, Tenant shall not interpose, and hereby irrevocably waives the right to, any counterclaim of whatever nature or description in any such proceeding(s). The provision in the immediately foregoing sentence shall not, however, be construed as a waiver of the Tenant's right to assert claims, if any, in any separate action or actions brought by Tenant.

21.4 Tenant hereby expressly waives any and all rights of redemption granted by or under any present or future laws in the event of Tenant being evicted or dispossessed for any cause or in the event of Landlord obtaining possession of the Demised Premises, by reason of an Event of Default by Tenant of any of the terms, covenants or condition of this Lease.

21.5 In any action for eviction instituted by Landlord hereunder, Tenant may not assert any defense to such eviction until such time as Tenant has paid into the Registry of the Court all accrued and unpaid rents. Tenant must then continue throughout the litigation to pay all rents as they became due into the Registry of the Court.

22. CUSTOM AND USAGE.

22.1 It is hereby covenanted and agreed, any law, usage or custom to the contrary notwithstanding, that Landlord shall have the right at all times to enforce each and every one of the terms, provisions, covenants, agreements, undertakings, and conditions of this Lease in strict accordance with the terms hereof, notwithstanding any conduct or custom on the part of the Landlord in refraining from so doing at any time or times.

22.2 The waiver by Landlord of any breach of any term, provisions, covenant, agreement, undertaking, or condition contained in this Lease shall absolutely not be deemed to be a continuing waiver of any such or of any subsequent breach of the same or any other like or differing term, provision, covenant, agreement, undertaking, or condition contained in this Lease. The subsequent acceptance of rent hereunder by Landlord shall not be deemed to be a waiver of any preceding breach by Tenant of any term, provision, covenant, agreement, undertaking, or condition of this Lease other than the failure of Tenant to pay the particular rent so accepted, absolutely regardless of Landlord's knowledge of such preceding breach at the time of acceptance of such rent. No term, provision, covenant, agreement, undertaking, or condition of this Lease shall be deemed to have been waived by Landlord, unless such waiver be specifically set forth in writing and signed by Landlord.

22.3 In the event that in this Lease it is provided that the exercise of any right by Tenant or the performance of any obligations of Tenant shall be subject to the consent or approval of Landlord and that the consent or approval of Landlord shall not be unreasonably withheld or delayed, Landlord shall respond to Tenant's written request within thirty (30) days. Any such determination by Landlord shall be conclusive upon Tenant unless, however, Tenant shall within twenty (20) days after notice from Landlord of is determination, file an equitable action in the appropriate court in the county in which the Plaza is located seeking injunctive relief from Landlord's determination, which such injunctive relief shall be the sole remedy of Tenant for any such denial or withholding of consent or approval by Landlord. In the event that any action for injunctive relief shall be filed by Tenant pursuant to the provisions of this paragraph, the sole issue to be submitted to the court shall be the determination as to whether the denial or withholding of consent or approval was reasonable, it being the intention of the parties hereto (as to which they are conclusively bound) that in no event shall any such denial or withholding of consent or approval by Landlord, or any decision of any court with respect thereto (i) impose any financial liability upon or

result in any damages being recoverable from Landlord, and/or (ii) create any right cognizable or remedy enforceable in favor of Tenant and against Landlord in law or equity (except as aforesaid) or under any special statutory proceeding or at all.

23. SURRENDER AND HOLDING OVER.

23.1 Tenant, upon expiration or termination of this Lease, whether by lapse of time or otherwise, agrees to surrender peaceably to Landlord the keys and the Demised Premises in broom clean condition and in good working order and repair and as required by this Lease. In the event that Tenant shall fail to surrender the Demised Premises upon demand, Landlord, in addition to all other remedies available to it hereunder, shall have the right to receive, for all the time Tenant shall so retain possession of the Demised Premises or any part or portion thereof, an amount equal to the two hundred percent of the Base Rent specified herein, as applied to such period, as well as all other Additional Rents, as specified herein.

23.2 If Tenant remains in possession of the Demised Premises with Landlord's written consent but without a new Lease reduced to writing and duly executed, Tenant shall be deemed to be occupying the Demised Premises as a Tenant at Will from month to month, subject otherwise to all terms, provisions, covenants, agreements, undertakings, and conditions of this Lease.

23.3 If Tenant remains in possession of the Demised Premises without Landlord's consent, Tenant shall be deemed to be occupying the Demised Premises as a Tenant at Sufferance, subject otherwise to all terms, provisions, covenants, agreements, undertakings, and conditions of this Lease.

24. CONDEMNATION.

Tenant hereby waives any claim of loss or damage to Tenant or right or claim to any part of the award as the result of the exercise of the power of eminent domain of any governmental body, whether such loss or damage results from condemnation of part or portion of all of the Demised Premises or any part or portion of the parking area or of the service entrances or exits of the Plaza or any part thereof. Should any power of eminent domain be exercised after Tenant is in possession, such exercise shall not void or impair this Lease unless and until the building or Plaza in which the Demised Premises is located shall be substantially demolished. Upon the occurrence of such event, the rents herein provided shall proportionately abate. Tenant shall have no claim against Landlord or the condemning authority for the value of any unexpired portion of this Lease Term or otherwise. Notwithstanding the above, Tenant may bring a separate claim for a separate award against the condemning authority so long as such claim or award does not diminish or affect Landlord's award.

25. LANDLORD'S LIABILITY.

Notwithstanding any provision contained in this Lease or elsewhere now or hereafter to the contrary, Tenant agrees and acknowledges that Tenant shall look solely and only to Landlord's interest in the Plaza in the event of any default or breach by Landlord with respect to any of the terms and provisions of this Lease on the part of the Landlord to be performed or observed; and no other assets whatsoever of Landlord shall be subject to liability, levy, execution, or other judicial process or award for the satisfaction of Tenant's claim(s) of any kind or sort whatsoever.

26. NOTICES.

Wherever in the Lease it shall be required or permitted that notice or demand be given or served by either party to this Lease to one or the other, such notice or demand shall be given or served, and shall not be deemed to have been duly given or served unless in writing and forwarded by certified or registered mail, or by hand, or by a nationally recognized overnight courier (for example but not limited to: UPS/Federal Express/DHL) addressed to the addresses of the parties set forth on the Lease Face Page(s). Notices shall be deemed given upon receipt or upon refusal to accept same or if either party moves without notice, then upon the date delivery was first attempted. Either party may change such address by written notice by certified or registered mail to the other.

27. SEVERABILITY.

If any term or provision of this Lease or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Lease and the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable shall not be affected thereby, and each term and provision of this Lease shall be valid and enforceable to the fullest extent permitted by law.

28. SUCCESSORS AND ASSIGNS.

28.1 All rights, obligations and liabilities herein given to or imposed upon the respective parties hereto shall extend to and bind the several and respective heirs, executors, administrators, successors, permitted sublessees and permitted assigns of said parties, and if there shall be more than one Tenant, they shall all be bound jointly and severally by the terms, covenants, and agreements herein; and the word "Tenant" shall be deemed and taken to mean each and every person or party mentioned as a Tenant herein, be the same one or more; and if there shall be more than one Tenant, any notice required or permitted by the terms of this Lease may be given by or to any one thereof, and such notice shall have the same force and effect as if given by or to all thereof. No rights, however, shall inure to the benefit of any assignee of Tenant unless the assignment to such assignee has been specifically approved by Landlord in writing as set forth elsewhere herein.

28.2 Notwithstanding anything contained herein to the contrary, Tenant will not assign this Lease in whole or in part, nor sublet all or any part of the Demised Premises without the prior written consent of Landlord in each instance, which consent shall be subject to the terms and conditions hereinafter set forth, but not to be unreasonably withheld or delayed. Landlord's consent shall be reasonably withheld if, among other things, Landlord is not assured that substantially the same type, class, nature and quality of business, merchandise, services and management, including, without limiting the generality of the foregoing, similarity and nature, type, quality, retail price structure and volume of merchandise, goods or services sold or offered for sale, and prestige, reputation and financial soundness of ownership and management, is maintained and will continue to be furnished in a manner compatible with the high standards contemplated by this Lease, and provided further that each and every right, remedy or benefit offered Landlord by this Lease, is not or will not be impaired or diminished. Notwithstanding assignor's continuing liability hereunder, the financial ability of any proposed assignee, and of the required sureties, shall be deemed to be material in Landlord's consideration of any proposed assignment. The consent by Landlord to any assignment or subletting shall not constitute a waiver of the necessity for such consent to any subsequent assignment or subletting. This prohibition against assigning or subletting shall be construed to include a prohibition against any assignment or sublet or transfer by operation of law. If this Lease be assigned, or if the Demised Premises or any part thereof be underlet or occupied by anyone other than Tenant, Landlord may collect rent from the assignee, undertenant or occupant, and apply the net amount collected to the rent herein reserved, but no such assignment, underletting, occupancy or collection shall be deemed a waiver of this covenant, or the acceptance of the assignee, undertenant or occupant as tenant, or a release of Tenant from further performance by Tenant of covenants on the part of Tenant herein contained. Notwithstanding any assignment or sublease (even if consented to by Landlord or permitted by the terms of this Lease), Tenant shall remain fully liable on this Lease and shall not be

released from performing any of the terms, covenants and conditions of this Lease and any such assignee or subtenant shall be bound by all of the terms, covenants and conditions of this Lease, including but not limited to the restrictions as to Tenant's Use.

If Tenant is a corporation (other than one whose shares are regularly and publicly traded on a recognized stock exchange), then for purposes of this Lease, any sale, transfer or assignment of a majority of the issue of outstanding stock of Tenant or the sale, transfer or assignment of a majority of Tenant's assets shall be deemed an assignment under this Lease.

Any attempted assignment, pledge or encumbrance of this Lease or subletting of all or a portion of the Demised Premises by Tenant without the prior written consent of Landlord, or as otherwise expressly provided for and permitted by the terms of this Lease, shall be null and void and any attempt by Tenant to assign, pledge or encumber this Lease or sublet a portion or all of the Demised Premises without the prior written consent of Landlord shall constitute an Event of Default by Tenant of this Lease.

In the event Tenant shall desire to sublet the Demised Premises, in whole or in part, or assign Tenant's interest under this Lease, in whole or in part, Tenant shall give Landlord not less than thirty (30) days prior written notice. Such notice shall set forth all pertinent business terms of the proposed assignment or subletting as well as the name and address of the proposed assignee or sublessee, information as to financial condition of such assignee or sublessee and proposed use which assignee or sublessee desires to make of the Demised Premises. Such notice shall bear the signature of the proposed lessee or assignee attesting to its accuracy. Tenant shall in addition, at Landlord's request, furnish such other information as Landlord may reasonably request concerning such proposed assignment or subletting. All requests for assignment and/or sublet shall be accompanied by a [redacted] fee to cover, amongst other things, Landlord's costs of reviewing such request, obtaining mortgagee approval of such request, and Landlord's legal fee. Such [redacted] fee shall be returned to Tenant should Landlord deny such assignment or sublet. Such refund shall occur on or about the twenty-first (21st) day following such denial (unless Tenant shall provide written notice to Landlord of its waiver of rights to bring an equitable action under Section 22.3 hereof, in which case the fee shall be promptly returned thereafter) provided, however, that if Tenant shall exercise its rights under Section 22.3 hereof then Landlord shall retain such [redacted] pending a final determination and shall return the fee only if Tenant's request for assignment and/or sublet is ultimately denied.

29. QUIET ENJOYMENT

Upon payment by the Tenant of the rent herein provided, and upon the observance by Tenant of each and every one of the terms, provisions, covenants, agreements, undertakings, and conditions on Tenant's part to be observed and performed, Tenant shall peaceably and quietly hold and enjoy the Demised Premises for the Lease Term without hindrance or interruption by Landlord or any other person or persons lawfully or equitably claiming by, through or under the Landlord, subject, nevertheless, to each and every one of the terms, provisions, covenants, agreements, undertakings and conditions of this Lease.

30. FORCE MAJEURE.

30.1 Landlord shall be excused for the period of any delay in the performance of any obligation hereunder when prevented from so doing by cause or causes beyond Landlord's absolute control which shall include, without limitation, all labor disputes, civil commotion, civil disorder, riot, civil disturbance, war, war-like operations, invasion, rebellion, hostilities, military or usurped power, sabotage, governmental regulations, delays, orders, moratoriums or controls, significant tropical disturbances, fire or other casualty, inability to obtain any material, services or financing or through Acts of God.

30.2 The terms of Paragraph 30.1 hereof regarding force majeure shall be applicable to Tenant solely with regard to non-monetary issues. For all monetary issues, there shall be no events of force majeure and no excuse for delay permitted in connection with the obligation of Tenant to pay any sums required hereunder.

31. SCOPE AND INTERPRETATION OF THE LEASE AND THE EXHIBITS.

31.1 This Lease and the Exhibits attached hereto constitute the entire understanding and agreement of the Landlord and Tenant with respect to the Demised Premises, and there are no agreements, understandings, restrictions, representations or warranties between or among the parties other than those set forth in this Lease and the Exhibits attached hereto. All negotiations and oral agreements acceptable to both parties are included herein. There are no verbal understandings not contained herein. The laws of the State in which the Plaza is situated shall govern the validity, interpretation, performance and enforcement of this Lease. Neither this Lease nor any memorandum or synopsis hereof may be recorded, and any recording in violation hereof shall be but a nullity and shall constitute an Event of Default by Tenant hereunder. The parties intend that there be no third party beneficiaries to this Lease, except only for Landlord's mortgagee(s) or other lender(s).

31.2 Landlord reserves the absolute right to effect such other tenancies in the Plaza as Landlord, in the exercise of its sole business judgment, shall determine to best promote the interest of the Plaza. Tenant does not rely on the fact, nor does Landlord represent, that any specific tenant or number of tenants shall during the Lease Term occupy space in the Plaza.

32. LANDLORD'S FINANCING.

Financial Statements: From time to time, upon written request by Landlord, Tenant shall deliver to Landlord financial statements certified by Tenant's chief financial officer and in compliance with GAAP accounting practices. Landlord shall not disclose such financial statements to any other parties with the exception of Landlord's mortgagee, potential mortgagee, potential purchaser of the Plaza, and/or their respective attorneys.

33. Intentionally omitted

34. HAZARDOUS WASTE.

34.1 Tenant hereby agrees that they will not cause or permit to occur, and shall not permit to exist, any condition which may cause a discharge of any hazardous substance at, upon, or within the Plaza, or any contiguous real estate. Tenant further agrees that they will not be involved in any operations at or near the Plaza, which operations could lead to, (i) the imposition of liability under the Hazardous Waste Laws on owner, Landlord, mortgagee(s) of the Property or their subsequent successors or assigns, or (ii) the creation of a lien on the Property under the Hazardous Waste Laws or under any similar laws or regulations.

34.2 In the event a hazardous discharge occurs, Tenant shall comply strictly and in all respects with the requirements of the Hazardous Waste Laws and related and similar regulations. Tenant agrees to forward copies of all orders, notices, permits, applications, or other communications and reports in connection with any discharge, suspected discharge or presence of any hazardous substance or any other matters relating to the Hazardous Waste Laws or any similar laws and regulations, as they may affect the Demised Premises or the Plaza, to the Landlord.

34.3 In the event Landlord, with reasonable cause, suspects a violation of this clause, Tenant agrees, upon written request from Landlord, to submit an engineers report, at Tenant's sole expense, from a certified environmental engineer, acceptable to Landlord, showing that Tenant is conducting its operations in a manner most effective in avoiding any violations to any and all Hazardous Waste Laws and related and similar laws and regulations, and that no violation has taken place.

34.4 Tenant hereby indemnifies, saves, defends and holds harmless, Landlord, Owner, mortgagee(s), representatives of each, and their subsequent successors and assigns (Indemnified Persons), from and against the full amount of any and all losses, liabilities, obligations, damages, penalties, claims, actions, suits, costs and expenses, including but not limited to, clean-up of hazardous substances, attorney's fees and all other professional or consultants expenses incurred in investigating, or preparing

for or defending against any action or proceeding, whether actually commenced or threatened, which may be asserted against any Indemnified Persons due to any violation of this covenant.

34.5 In the event that any current or future mortgagee of Landlord requires precautionary monitoring, testing or their measures with respect to hazardous materials due to Tenant's use of the Demised Premises, then Tenant shall cooperate fully with such monitoring, testing and/or other measures and shall reimburse Landlord for the costs of such monitoring, testing and/or other measures.

35. OPTIONS.

Provided the Lease is in good standing and no Event of Default by Tenant exists hereunder and no event has occurred that with the passage of time and/or the giving of notice would result in an Event of Default by Tenant hereunder, Landlord hereby gives and grants to Tenant the right, privilege and option of extending this Lease in accordance with the Option(s) to Renew set forth on the Lease Face Page(s). The first extended term shall commence from the date of the expiration of the Initial Lease Term. In order to exercise the option herein granted, Tenant must give Landlord written notice of Tenant's intention to exercise the option to extend not less than six (6) months prior to the expiration of the then expiring term. Failure to give any such notice shall be deemed a waiver of Tenant's right to exercise this option and shall conclusively make the remaining option(s) to extend, if any, null and void. All of the terms, covenants and conditions of this Lease shall apply during the Initial Lease Term and the extended term(s), and the Base Rent during the Initial Lease Term and extended term(s) shall continue to be adjusted on the "Rent Adjustment Dates" as provided for in this Lease. All renewals and extensions under this Lease shall be deemed to be included in the definition of Lease Term as set forth herein.

36. BROKERS.

36.1 Tenant and Landlord represent and warrant each to the other that there are no claims for brokerage commissions or finder's fees in connection with the execution of this Lease, and agree to indemnify each to the other against, and hold the other harmless from, all liabilities arising from any such claim, including reasonable attorney's fees as a result of any action taken by the offending party. This does not apply to Retail Leasing Advisors, LLC, representing Landlord, who as the recognized broker in this transaction, is to be compensated by Landlord as per a separate agreement.

37. CAPTIONS.

Any heading preceding the text of several paragraphs and subparagraphs hereof are inserted solely for the convenience of the reference and shall not constitute a part of this Lease nor shall any of the same affect its meaning construction, or effect.

38. ATTORNEYS FEES.

Tenant agrees to pay all reasonable costs, whether or not otherwise considered "court costs", and reasonable expenses of collection and reasonable attorneys fees, including any costs and/or attorneys fees incurred prior to commencing suit, during litigation, at all appellate levels, in connection with any bankruptcy filing by Tenant and for all efforts and methods of collecting any unpaid debt or judgment against the Tenant.

In the event of any litigation (including all appeals) arising out of this Lease and involving Landlord and Tenant, the prevailing party shall be entitled to receive all costs incurred, including reasonable attorney's fees.

39. GOVERNING LAW; SUBMISSION TO JURISDICTION; SELECTION OF FORUM WAIVER OF JURY TRIAL.

This Lease shall be deemed to be made in and in all respects shall be interpreted, construed and governed by and in accordance with the laws of the State of Georgia without regard to the conflict of law

principles thereof. Each party hereto agrees that it shall bring any action or proceeding in respect of any claim arising out of or related to this Lease, or in respect of the transactions contemplated thereby, whether in tort or contract or at law or in equity, exclusively in the circuit court of The County in which the Premises is located (the "Chosen Court"). Solely in connection with such actions, proceedings and claims, the parties irrevocably submit to the jurisdiction of the Chosen Court, and agree not to assert as a defense in any such action, suit or proceeding that such party is not subject to the jurisdiction of the Chosen Court, that such action, proceeding or claim may not be brought or is not maintainable in the chosen courts, that venue is not appropriate in the Chosen Court, or that this Agreement may not be enforced in the Chosen Court.

Each party acknowledges and agrees that any controversy that may arise under this Lease is likely to involve complicated and difficult issues, and therefore each such party hereby irrevocably and unconditionally waives any right such party may have to a trial by jury in respect of any litigation directly or indirectly arising out of or relating to this Lease or the transactions contemplated by this Lease. Each party certifies and acknowledges that (i) no representative, agent or attorney of any other party represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce the foregoing waiver, (ii) each party understands and has considered the implications of this waiver, (iii) each party makes this waiver voluntarily, and (iv) each party has been induced to enter into this Lease by, among other things, the mutual waivers and certifications in this section.

40. BINDING EFFECT.

The presentation of this Lease to Tenant does not constitute an offer. This Lease shall not be valid or binding against any party unless and until it is executed by all parties.

41. NO REPRESENTATIONS.

Tenant hereby acknowledges and agrees that neither Landlord nor Landlord's agents (including Landlord's managing or management agents, leasing agents, contractors and/or Landlord's attorney) or employees has made any representations, promises or other inducements to Tenant's execution of this Lease except as specifically provided herein, and no future statements, representations or warranties of Landlord, its agents or employees shall be binding upon Landlord unless they are in writing and executed by Landlord.

Tenant further acknowledges and agrees that in all cases, if any, in which Landlord's consent and/or approval has been provided to Tenant in this Lease, except where otherwise specifically provided in writing in the Lease, said consent and/or approval is subject to Tenant (at its sole cost and expense) obtaining all necessary governmental and quasi-governmental approvals, and Landlord makes no representation whatsoever as to, and this Lease is in no way contingent upon the governmental and/or quasi-governmental approval process or as to Tenant's ability to obtain all necessary governmental and/or quasi-governmental approvals, and Landlord shall not be liable for Tenant's inability to obtain such approvals.

42. **ANTI-TERRORISM REPRESENTATIONS.**

42.1 Tenant is not, and shall not during the term of the Agreement become, a person or entity with whom Landlord is restricted from doing business with under the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001, H.R. 3162, Public Law 107-56 (commonly known as the "USA Patriot Act") and Executive Order Number 13224 on Terrorism Financing, effective September 24, 2001 and regulations promulgated pursuant thereto (collectively, "Anti-Terrorism Laws"), including without limitation persons and entities named on the Office of Foreign Asset Control Specially Designated Nationals and Blocked Persons List (collectively "Prohibited Persons").

42.2 To the best of its knowledge, Tenant is not currently engaged in any transactions or dealings, or otherwise associated with, any Prohibited Persons in connection with the use or occupancy of the

demised premises. Tenant will not in the future during the term of the Agreement engage in any transactions or dealings, or be otherwise associated with, any Prohibited Persons in connection with the use or occupancy of the demised premises.

42.3 Breach of these representations constitutes a material breach of this Lease and shall entitle Landlord to any and all remedies available hereunder, or at law or in equity.

EXHIBIT "F" - EXCLUSIVE CLAUSE

Notwithstanding anything to the contrary contained herein, provided Tenant is in good standing and has not at any time during the course of this Lease been in default, whether or not cured, of the terms, covenants or conditions of this Lease, Landlord agrees that it shall not, during such period of time as Tenant is open, operating, and fully stocked for business, enter into any lease with any other tenant in the Plaza wherein such lease shall provide that such other tenant shall have the right to operate an Italian restaurant and/or pizza restaurant as its main line of business. The provisions hereof shall be subject and subordinate to the terms, covenants, and conditions of any existing leases and renewals thereof and any governmental rules, statues, ordinances or law (including "case" law) which shall prohibit or prevent the Landlord from carrying out or enforcing the provisions hereof or of any other tenant's lease. Neither the provisions of this paragraph nor the prohibitions on Landlord as contained herein shall be applicable with respect to any lease previously entered into by Landlord or with respect to any renewal of such lease or modification or amendment of such lease or the execution of a new lease with such existing tenant or such tenant's successors or assigns, or with respect to a new tenant that purchases the stock or the assets of an existing tenant, or their successors or assigns. Tenant's sole and exclusive remedy in the event of a violation of this Exclusive Clause shall be to terminate the lease by providing written notice of termination to Landlord within fifteen (15) days of Tenant first becoming aware of such violation. Further, the provisions of this paragraph do not apply to any property within the Plaza owned by any entity other than Landlord, nor to any Tenant leasing at least fifteen thousand (15,000) square feet in the Plaza. Tenant hereby acknowledges that the Use clause on the Lease Face Page and the Exclusive Clause granted in this Exhibit "F" are independent of each other, and that any definition of Use, clarification of Use, example of Use or other aspect of Use has absolutely no relevance or bearing on the exclusive rights granted above.

EXHIBIT "E"

GUARANTY

In consideration for the execution of the Lease by Landlord, the undersigned Guarantor(s), hereinafter with its successors, assigns and legal representatives, jointly and severally, unconditionally and irrevocably guarantee the full payment of all indebtedness coming due from time to time under the Lease as well as the full, prompt, punctual and faithful performance of all other covenants and obligations of Tenant under the Lease. If Tenant holds over beyond the term of the Lease, Guarantor's obligations hereunder shall extend and apply with respect to the full and faithful performance and observance of all of the covenants, terms, and conditions of the Lease and of any such modification thereof.

(1) **Payment and Performance Guaranty.** In the event that Tenant fails to pay any sums due under the Lease, or perform, satisfy, or observe the terms and conditions required to be performed under the Lease, the Guarantor(s) will promptly and fully pay, perform, satisfy, and observe the obligations in the place of the Tenant. In such event, the obligations hereby guaranteed shall become immediately due and payable by Guarantor(s) to Landlord.

(2) **Unconditional Obligations.** The liability of the Guarantor(s) is direct, immediate, absolute, continuing and unconditional and the Landlord shall not be required to pursue any remedies it may have against the Tenant as a condition to enforcement of this Guaranty, nor shall the Guarantor(s) be discharged or released by reason of the discharge or release of the Tenant for any reason, including any amendment, assignment, modification, renewal or extension of the Lease, a discharge of Tenant in bankruptcy, receivership or other proceedings, a disaffirmation or rejection of the Lease by a trustee, custodian or other representative in bankruptcy, a stay or other enforcement of limitation of the liability of the Tenant or any remedy of the Landlord. The Guarantor(s) assumes all responsibility for being and keeping himself informed of Tenant's financial condition and assets and of all other circumstances, bearing upon the risk of nonperformance by the Tenant, and Guarantor(s) expressly agrees that the Landlord shall have no duty to advise the Guarantor(s) of information known to it regarding such circumstances or risks.

The Guarantor(s) hereby waive: (a) notice of the acceptance of this Guaranty by the Landlord; (b) all notices or demands which may be given or are required to be given under the Lease by Landlord to Tenant including any notice of default or of non-payment of rent or any other monetary obligation of Tenant under the Lease or any other obligation of Tenant under the Lease; and (c) the right to require Landlord first to proceed against Tenant prior to proceeding against Guarantor(s) for enforcement of Guarantor's obligations hereunder.

This Guaranty is irrevocable and shall inure to the benefit of, and may be assigned and enforced in whole or in part by, the Landlord and/or its legal representatives, successors and assigns (including, without limitation, any mortgagee now or hereafter holding any lien on or interest in the Lease, any purchaser of the Demised Premises at a foreclosure sale, any transferee who acquires the Demised Premises by deed in lieu of foreclosure, and the successors and assigns of any such mortgagee, purchaser or transferee), and shall be binding upon, and enforceable against, Guarantor and Guarantor's legal representatives, successors and assigns.

(3) **Subordination**. Until all the covenants and conditions in the Lease on Tenant's part are fully performed and observed, Guarantor does hereby subordinate any and all liability or indebtedness of Tenant now or hereafter held by Guarantor(s) to the obligations of Tenant to Landlord under the Lease.

(4) **Litigation**. In the event of any litigation among Landlord, Tenant and/or the Guarantor(s) arising from the Lease and/or the Guaranty, the prevailing party shall be entitled to receive all costs incurred, including reasonable attorney's fees, including any costs and/or attorneys fees incurred prior to commencing suit, during litigation, at all appellate levels, in connection with any bankruptcy filing by Tenant or Guarantor and for all efforts and methods of collecting any unpaid debt or judgment against the

Tenant or any Guarantor and this clause shall survive the expiration or earlier termination of the Lease and this Guaranty. This Guaranty shall be governed by, construed and enforced in accordance with the laws of the state of Georgia. The parties herein waive trial by jury and agree to submit to the personal jurisdiction and venue of a court of subject matter jurisdiction located in the County in which the Premises is located.

(5) **Severability.** Any provision of this Guaranty which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction only, be ineffective only to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof.

(6) **Modification.** This Guaranty may not be changed, modified, discharged or terminated in any manner other than by agreement in writing executed by both Guarantor(s) and Landlord.

(7) **Authority.**The Guarantor(s) represent and warrant that the execution and delivery of this Guaranty has been duly authorized, executed and delivered and constitutes a valid, legal and binding obligation of the Guarantor(s) enforceable in accordance with the terms herein.

(8) **Marital Status**. Guarantor hereby represents and warrants that he is currently a single, unmarried man.

(9) **Limitation.** Provided that Tenant is not in default of the Lease at the expiration of the twenty-forth (24th) month following the Rent Commencement Date, then Guarantor's financial obligation to pay Base Rent, Common Area Maintenance, Real Estate Taxes and Insurance only (together "Rent") shall thereafter be limited to the amount equal to the sum of the six (6) rental payments (base and additional) that would be due following Tenant's default, and in the event of a default during the last six (6) months of the Lease Term.

(COMMON AREA SIDEWALKS)

PRU KENNESAW, LLC, a Delaware limited liability company ("Licensor"), for [redacted] and other good and valuable consideration, does hereby grant to BIG PIE IN THE SKY PIZZERIA, LLC ("Licensee"), a revocable license to use for sit-down table service in the common area sidewalks adjacent to, and immediately outside the leased premises ("Patio Area") as referred in that certain Lease between Licensor (as Landlord) and Licensee (as Tenant), dated August 24, 2006, (the "Lease") at Kennesaw Walk Shopping Center, Cobb County, Georgia (the "Shopping Center"), subject to the following conditions:

1. Compliance with Laws. Licensee's use of the Patio Area shall be in accordance with all federal, state and local laws, statutes, ordinances or regulations. Handicap access must be provided in accordance with the Americans With Disabilities Act of 1990. All requisite governmental approvals, permits or licenses shall be obtained by the Licensee prior to its proposed use of the Patio Area as contemplated by this Agreement. The Licensee's use of the Patio Area shall be limited to those hours when the Licensee's leased premises are open for business.

2. Submission of Plans. The Licensee shall not submit plans or permit applications to the local governmental agency, unless such plans and applications shall have first been approved in writing by Licensor, in its sole discretion. All submittals to the Licensor shall show the area to be utilized, and shall specifically describe the type and number of tables, chairs and fixtures to be used by the Licensee in the Patio Area.

3. Compliance with Zoning. Licensor shall have the right to revoke this License in the event that the Licensee's use of the Patio Area shall create a zoning, floor area ratio or similar violation, or in the event that Licensee's use of the common area sidewalks shall result in (I) a violation of any public or private parking criteria or requirements, or (II) a requirement that Licensor provide additional parking spaces in the Shopping Center.

4. Insurance. The liability insurance required by the Lease to be kept in force by the tenant must include coverage for the Licensee's use of the Patio Area, and proof of such insurance shall be furnished to Licensor. Said insurance shall list Licensor and managing agent as additional named insureds.

5. Maintenance. Licensee shall be responsible for daily cleaning of the area, which must also be pressure cleaned no less than one time per month. Should the Licensee fail to do so, the Licensor may cause such cleaning to be performed at the Licensee's cost which shall be deemed to be additional rent. Any canopies, curtains or enclosures shall be removable, and must be removed and securely stored each night along with all personal property.

6. Operation of Licensed Area. The Licensee hereby agrees that it shall not:
   a) Restrict access to the Shopping Center or impede pedestrian traffic through or within the common areas.
   b) Erect or place any canopy or other enclosure or covering without Licensor's prior written approval.
   c) Permit any music or other similar sounds to be heard within the Patio Area without Licensor's prior written approval, which Licensor may revoke if Licensor determines, in its sole discretion, that the music or decibel level of the music is objectionable.
   d) Permit loitering in the Patio Area by persons who are not customers of Licensee.
   e) Leave unattended any tables with alcoholic beverages.

7. Repairs by Licensor. Licensor reserves the right to temporarily move any personal property situated within the Patio Area in conjunction with repairs or maintenance to the Patio Area, and Licensor shall not be liable for any damages or negligent acts, including those of its agents, employees or contractors, relating to such activity.

8. Termination. The Licensor may, in its sole and absolute discretion, upon five (5) days' written notice, revoke Licensee's rights to utilize the Patio Area for the purposes contemplated in this Agreement, and Licensee shall immediately stop using the Patio Area and remove all of its property from the Patio Area, restoring it to the condition that existed prior to the beginning of this Agreement. The Licensor, in its sole discretion, and at Licensee's expense, may remove, store, or dispose of any personal property left on the Patio Area, without further notice to the Licensee, after the Licensee's right to utilize the Patio Area has been revoked.

9. Reimbursement; Indemnification. Licensee shall reimburse Licensor immediately upon Licensor's demand therefor, the cost of repairs or restoration of any of the areas of the Center, including but not limited to other tenants' spaces, arising out of Licensee's use of the Patio Area or acts of negligence of Licensee, its customers and employees, agents, contractors or invitees of Licensee. Licensee hereby agrees to indemnify, defend and hold Licensor harmless from and against all loss, cost, damage and expense (including reasonable attorneys' fees) incurred by Licensor or its agents by reason of Licensee's use of the Patio Area or any breach of this Agreement by Licensee. Any default by Licensee under the Lease shall constitute a default under this Agreement, and any default by Licensee under this Agreement shall also constitute a default under the Lease.

10. No Assignment. The Licensee's right to utilize the Patio area is neither transferable nor assignable.

W I T N E S S E T H:

WHEREAS, Tenant and Landlord entered into that certain Lease Agreement, dated as August 24, 2006, as amended by that certain Addendum to Lease dated as of August 31, 2009 (as so amended, the "Lease"), with respect to therein described space (the "Premises") being approximately 2,209 square feet known as Store No. A-103 and located as more particularly described in the Lease in the shopping center known as Kennesaw Walk Shopping Center located in Cobb County, Georgia (the "Building"); and

WHEREAS, Landlord and Tenant desire to amend the Lease pursuant to the terms and conditions hereinafter set forth in this Amendment.

NOW, THEREFORE, in consideration of the foregoing and the mutual premises and covenants contained herein and in the Lease, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Landlord and Tenant hereby agree as follows:

1. **Extended Term.** The last day of the Lease Term is hereby extended from August 31, 2014 until August 31, 2017 (the "Extended Term"). This extension of the Lease Term supersedes and replaces any existing extension or renewal option contained in the Lease.

2. **Base Rent.** Tenant's obligation to pay Base Rent under the Lease shall continue as set forth in the Lease during the Extended Term, except that commencing as of September 1, 2012, Base Rent shall be calculated in accordance with the following schedule:

Time Period	Base Rent per Annum	Monthly Base Rental
9/1/12-8/31/14	[redacted]	[redacted]
9/1/14-8/31/15	[redacted]	[redacted]

5. **Acknowledgement.** Tenant hereby acknowledges that Landlord is not in default of its obligations arising pursuant to the Lease as of the date of this Amendment and that Landlord has fully performed any tenant improvement, buildout or construction allowance obligations set forth in the Lease. Further, Tenant hereby acknowledges that it has accepted and will accept the Premises for the Extended Term "As Is" and that, except as set forth in Paragraph 4 above, Landlord is not obligated to provide any tenant improvements or tenant improvement allowances with respect thereto.

and holds harmless Landlord from any and all claims, losses, costs and damages (including reasonable attorneys' fees) arising in connection with any claims against Landlord for any other broker commissions, fees, or other compensation.

7. **Authority.** Landlord and Tenant affirm and covenant that each has the authority to enter into this Amendment, to abide by the terms hereof, and that the signatories hereto are authorized representatives of their respective entities empowered by their respective entities to execute this Amendment. Except as expressly amended or modified herein, all other terms, covenants and conditions of the Lease shall remain in full force and effect and this Amendment shall be binding upon the parties hereto and their respective successors and assigns. This Amendment shall be governed by the laws of the State in which the Building is located. Any terms used in this Amendment as defined terms, but which are not defined herein, shall have the meanings attributed to those terms in the Lease. The submission of this Amendment to Tenant for examination or consideration does not constitute an offer to amend the Lease, and this Amendment shall become effective only upon the execution and delivery thereof by both Landlord and Tenant. The Lease, as amended hereby, contains the entire agreement between the parties with respect to the space demised by the Lease, as amended, and no representations, inducements, promises, agreements, oral or otherwise, between the parties not embodied in the Lease, as amended hereby, shall be of any force and effect. Time is of the essence as to all of the obligations of Tenant under the Lease and this Amendment. This Amendment has been negotiated "at arm's length" by Landlord and Tenant, each having the opportunity to be represented by legal counsel. Therefore, this Amendment shall not be more strictly construed against either party by reason of the fact that one party may have drafted this Amendment. This Amendment may be executed by the parties signing different counterparts of this Amendment, which counterparts together shall constitute the agreement of the parties.

9. **Landlord Liability.** Notwithstanding anything to the contrary contained in the Lease, Landlord's obligations and liability with respect to the Lease, as amended from time to time, shall be limited solely to Landlord's interest in the Building, as such interest is constituted from time to time, and neither Landlord nor any officer, employee, agent, director, shareholder, partner or affiliate of Landlord shall have any personal liability whatsoever with respect to the Lease, as amended from time to time. No owner of the Building, whether or not named herein, shall have liability hereunder after it ceases to hold title to the Building.

Following any re-measurement of the Premises, upon Landlord's request, Tenant shall execute an amendment to the Lease confirming said re-measurement, but the failure of the parties to execute such an amendment shall not invalidate the Lease, as amended hereby, or the obligations of the parties hereunder.

3. Base Rent.

(a) Commencing on the Expansion Date, Tenant shall pay Base Rent with respect to the Current Premises as follows:

Time Period	Annual Base Rent Per Square Foot	Monthly Installment of Base Rent

4. Additional Rent. From and after the date hereof and continuing through March 31, 2019, Tenant shall continue to pay Additional Rent, including without limitation Common Area Operating Expenses, in accordance with the terms of the Lease, as amended hereby; provided, however, that effective as of the earlier to occur of (i) the date on which Tenant commences operating its business in the Expansion Space and (ii) August 1, 2014, Tenant's Proportionate Share shall be increased to take into account the square footage of the entire Premises (i.e. the Current Premises and the Expansion Space).

5. Acceptance of the Premises. **TENANT ACKNOWLEDGES THAT TENANT CURRENTLY OCCUPIES THE CURRENT PREMISES AND, EXCEPT AS SET FORTH IN SECTION 7 BELOW, HEREBY ACCEPTS THE CURRENT PREMISES, THE EXPANSION SPACE, THE BUILDING, AND THE PLAZA (INCLUDING THE SUITABILITY OF THE CURRENT PREMISES AND EXPANSION SPACE FOR THE TENANT'S USE) IN "AS IS" CONDITION WITH ANY AND ALL FAULTS AND LATENT OR PATENT DEFECTS AND WITHOUT RELYING UPON ANY REPRESENTATION OR WARRANTY (EXPRESS OR IMPLIED) OF LANDLORD OR ANY REPRESENTATIVE OF LANDLORD. LANDLORD HAS NOT MADE AND DOES NOT HEREBY MAKE AND HEREBY SPECIFICALLY DISCLAIMS ANY REPRESENTATIONS OR WARRANTIES OF ANY KIND OR CHARACTER WHATSOEVER, EXPRESS OR IMPLIED, WITH RESPECT TO THE CURRENT PREMISES, THE EXPANSION SPACE, THE BUILDING, AND THE PLAZA, AND THEIR CONDITION (INCLUDING WITHOUT LIMITATION ANY REPRESENTATION OR WARRANTY REGARDING QUALITY OF CONSTRUCTION, STATE OF REPAIR, WORKMANSHIP, MERCHANTABILITY, HABITABILITY, SUITABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE) AND TENANT HAS NOT RELIED ON ANY SUCH REPRESENTATIONS OR WARRANTIES.** Except as expressly set forth Section 7 below, Tenant acknowledges and agrees that (i) Landlord has no obligation to perform any work, to install or construct any improvements or to make any alterations, renovations or modifications to the Current Premises or Expansion Space, and (ii) Landlord has no obligation to pay, disburse or advance to Tenant any moving allowance, construction allowance, tenant-finish reimbursement or other amount in respect of any improvements, alterations or additions constructed, or to be constructed, by or on behalf of Tenant in the Current Premises or Expansion Space.

6. Equipment. Landlord and Tenant acknowledge that the Expansion Space will be delivered to Tenant with certain equipment therein as listed on Exhibit D attached hereto (collectively, the "Equipment"). Commencing on the Expansion Date, Tenant shall have the right during the Lease Term, as extended hereby, to use, at no additional charge to Tenant, the Equipment. Tenant takes possession of the Equipment in an "AS IS" and "WHERE IS" condition upon the Expansion Date. **LANDLORD HAS NOT MADE AND DOES NOT MAKE ANY REPRESENTATIONS AS TO THE PHYSICAL CONDITION, OPERATION OR ANY OTHER MATTER AFFECTING OR RELATED TO THE EQUIPMENT, AND TENANT HEREBY EXPRESSLY ACKNOWLEDGES THAT NO**

SUCH REPRESENTATIONS HAVE BEEN MADE. LANDLORD EXPRESSLY DISCLAIMS, AND TENANT ACKNOWLEDGES AND ACCEPTS THAT LANDLORD HAS DISCLAIMED TO THE MAXIMUM EXTENT PERMITTED BY LAW ANY AND ALL REPRESENTATIONS, WARRANTIES OR GUARANTIES OF ANY KIND, EXPRESS OR IMPLIED, CONCERNING THE EQUIPMENT, INCLUDING WITHOUT LIMITATION, THE CONDITION, MERCHANTABILITY, SUITABILITY OR FITNESS FOR A PARTICULAR USE OR PURPOSE OF THE EQUIPMENT. Commencing on the Expansion Date and continuing during the Lease Term, as extended hereby, the risk of loss for loss, theft, damage or destruction of the Equipment shall be borne by Tenant and Tenant shall include the Equipment in the property insurance policies required to be carried by Tenant pursuant to the Lease. Commencing on the Expansion Date, Tenant shall be solely responsible for all costs associated with the storage, maintenance, cleaning and repair of the Equipment during the Lease Term, as extended hereby. At the end of the Lease Term, as extended hereby, Tenant will deliver the Equipment to Landlord in its condition as of the Expansion Date, reasonable and ordinary wear and tear excepted.

7. Expansion Space Improvements.

(a) Landlord will deliver the Expansion Space to Tenant with all electrical, lighting, plumbing, and HVAC systems serving the Expansion Space in good working order, failing which, Landlord shall, as Tenant's sole and exclusive remedy, cause the same to be in such condition.

(b) Provided Tenant is not in default under the Lease, as amended hereby, Landlord shall provide an allowance of up to [redacted] (the "Improvement Allowance") toward the cost of leasehold improvements and related construction management, engineering and architectural fees incurred by Tenant in connection with improvements to be performed by Tenant in the Expansion Space (the "Tenant's Work"). Landlord shall reimburse Tenant for such costs (up to the amount of the Improvement Allowance) within thirty (30) days after all of the following have occurred: (i) Tenant commences operating its business in the Expansions Space, (ii) Landlord's receipt of receipted bills covering all labor and materials expended and used in Tenant's Work and full and final waivers of lien from all contractors and subcontractors performing any work in connection therewith, (iii) Tenant's delivery to Landlord of a certificate of occupancy for the Expansion Space, and (iv) Landlord's receipt of the Base Rent payment due for the period of August 1, 2014 through August 31, 2014, with respect to the Expansion Space, and the first Additional Rent payment due with respect to the Expansion Space. Any portion of the Improvement Allowance for which Tenant has not requested reimbursement prior to the date that is nine (9) months after the Expansion Date shall be the sole property of Landlord and Tenant shall not be entitled to any credit, payment or abatement on account thereof. Any construction, alterations, or improvements to the Expansion Space shall be performed by Tenant at its sole cost and expense, subject to reimbursement through the Improvement Allowance, and shall be governed in all respects by the terms of the Lease, including, without limitation, the provisions of Section 11 of the Lease Agreement. Notwithstanding anything herein to the contrary, Landlord shall not be obligated to disburse any portion of the Improvement Allowance during the continuance of an uncured default under the Lease, as amended hereby, and Landlord's obligation to disburse shall only resume when and if such default is cured.

8. Insurance and Waiver of Subrogation.

(a) In addition to Landlord, the general liability insurance required to be carried by Tenant under the Lease shall name Landlord's lender, Landlord's property manager, and such other parties as Landlord may designate, as additional insureds.

(b) Notwithstanding any provision to the contrary in the Lease, as amended hereby, each party hereto hereby releases any and every claim which arises or may arise in favor of such party and against the other party hereto and/or such other party's officers, directors, partners, members, managers, employees and agents during the Lease Term, as extended hereby, or any extension or renewal thereof for any and all loss of or damage to any of its property (regardless of whether such loss or damage is the result of or caused by the negligent acts or omissions of the released party or any strict liability) arising from any cause that (a) would be insured against under the terms of any property insurance required to be carried under the Lease, or (b) is insured against under the terms of any property insurance actually carried, regardless of whether it is required hereunder. Said waivers shall be in addition to, and not in limitation or derogation of, any other waiver or release contained in the Lease with respect to any loss or damage to property of the parties hereto. Each party hereto agrees immediately to give to each insurance company which has issued to it policies of property insurance written notice of the terms of said mutual waivers, if necessary, and to have said insurance policies properly endorsed, if necessary, to prevent the invalidation of said insurance coverages by reason of said waivers. For the purpose of the foregoing waiver, the amount of any deductible applicable to any loss or damage shall be deemed covered by, and recoverable by the insured under the insurance policy to which such deductible relates.

9.Legal Description. The legal description of the land on which the Plaza sits is set forth on Exhibit C attached hereto and incorporated herein.

10. Renewal Option. Section 35 of the Lease Agreement, the "Option to Renew" portion of the first Section 3 of the First Amendment, and Section 6 of the First Amendment are hereby deleted in their entireties and of no further force or effect, and Tenant shall have the following renewal option to extend the Lease Term, as extended hereby:

(a) If, and only if, upon the expiration of the Lease Term, as extended hereby, and the date Tenant notifies Landlord of its intention to renew the Lease Term, as extended hereby (as provided below), (i) Tenant is not in default under the Lease, as amended hereby, and no event has then occurred which with notice or the passage of time or both will become a default, (ii) Tenant then occupies and the Premises then consist of at least all the Premises, as amended hereby, and (iii) the Lease, as amended hereby, is in full force and effect, then Tenant, but not any assignee or subtenant of Tenant, shall have and may exercise an option to renew the Lease for one (1) additional term of five (5) years (the "Renewal Term") commencing on the first day following the expiration of the Lease Term, as extended hereby, upon the same terms and conditions contained in the Lease, as amended hereby, with the exceptions that (x) the Lease shall not be further available for renewal after the expiration of the Renewal Term, (y) Tenant shall not be entitled to receive any allowances or concessions applicable to the Lease Term, as extended hereby, and (z) Base Rent for the Premises, as amended hereby, shall be as follows:

Time Period	Annual Base Rent Per Square Foot	Monthly Installment of Base Rent
4/1/19 – 3/31/20	[redacted]	[redacted]
4/1/20 – 3/31/21	[redacted]	[redacted]
4/1/21 – 3/31/22	[redacted]	[redacted]
4/1/22 – 3/31/23	[redacted]	[redacted]
4/1/23 – 3/31/24	[redacted]	[redacted]

All such Base Rent shall be payable in accordance with the terms of the Lease, as amended hereby.

(b) If Tenant desires to renew the Lease, Tenant must notify Landlord in writing of its intention to renew on or before October 1, 2018. If Tenant timely notifies Landlord of Tenant's exercise of its applicable renewal option hereunder, the Lease, as amended hereby, shall be extended as provided herein and Landlord and Tenant shall enter into the Renewal Amendment (hereinafter defined). If Tenant does not notify Landlord in writing of Tenant's exercise of its applicable renewal options as provided herein, the renewal option shall be of no further force or effect and the Lease shall end on expiration of the Lease Term, as extended hereby.

(c) If Tenant is entitled to and properly exercises the renewal option, Landlord and Tenant shall execute an amendment (the "Renewal Amendment") to reflect changes in the Base Rent, Lease Term, and other appropriate terms; provided that an otherwise valid exercise of an renewal option shall be fully effective whether or not the Renewal Amendment is executed.

11. ERISA Matters. It is understood that from time to time during the Lease Term, as extended, Landlord may be subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA") and as a result may be prohibited by law from engaging in certain transactions. Tenant represents and warrants after due inquiry that at the time this Amendment is entered into and at any time thereafter when its terms are amended or modified, neither Tenant nor its "affiliates" (as defined in Part VI(c) of Department of Labor Prohibited Transaction Exemption 84-14 ("PTE 84-14"), as amended) has the authority to appoint or terminate The Prudential Insurance Company of America ("Prudential") as an investment manager to any employee benefit plan invested in PRISA III Fund LP, nor the authority to negotiate the terms of any management agreement between Prudential and any such employee benefit plan for its investment in PRISA III Fund LP. Tenant hereby waives and releases all demands, charges, claims, accounts or causes of action of any nature against Landlord or Landlord's employees or agents, including without limitation, both known and unknown demands, charges, claims, accounts, and causes of action that have previously arisen out of or in connection with the Lease.

12. Ratification of Lease. As amended hereby, the Lease shall remain in full force and effect in accordance with its terms and is hereby ratified. In the event of a conflict between the Lease and this Amendment, this Amendment shall control. In no event shall Landlord be liable for any consequential, special or punitive damages as a result of any breach of or default under the Lease (as amended hereby or as hereafter amended) by Landlord.

A determination that any provision of this Amendment is unenforceable or invalid shall not affect the enforceability or validity of any other provision hereof and any determination that the application of any provision of this Amendment to any person, entity, or circumstance is illegal or unenforceable shall not affect the enforceability or validity of such provision as it may apply to any other persons, entities, or circumstances.

18. Governing Law. This Amendment shall be governed by the laws of the State of Georgia.

19. Submission of Amendment Not Offer. The submission by Landlord to Tenant of this Amendment for Tenant's consideration shall have no binding force or effect, shall not constitute an option, and shall not confer any rights upon Tenant or impose any obligations upon Landlord irrespective of any reliance thereon, change of position or partial performance. This Amendment is effective and binding on Landlord only upon the execution and delivery of this Amendment by Landlord and Tenant and receipt by Landlord of that certain Second Amendment and Ratification of Guaranty, of even date herewith, executed by Dirk H. GUARANTY

THIS GUARANTY OF LEASE (this "Guaranty") is made as of 4/22/2024 | 10:15 AM PDT, 2024, by Dirk H. Tendick, an individual resident of the State of Georgia ("Guarantor"), to and for the benefit of SO-Kennesaw Walk JV, LLC ("Landlord").

Landlord, as landlord, and Big Pie in the Sky Pizzeria, LLC, a Georgia limited liability company ("Tenant"), as tenant, are parties to a certain Standard Shopping Center Lease dated August 24, 2006, as amended by an Addendum to Lease dated August 31, 2009, a Second Amendment to Lease dated April 2012, a Third Amendment to Lease dated April 2014, and a Fourth Amendment to Lease dated December 5, 2018, and a Fifth Amendment to Lease dated on or about the date of this Guaranty ("Fifth Amendment") (as hereafter supplemented, amended, restated, renewed, extended, replaced or modified, collectively, the "Lease"), pursuant to which Tenant leases or will lease from Landlord certain premises in the shopping center known as Kennesaw Walk, located in Kennesaw, Georgia, all as more particularly described in the Lease. All capitalized terms that are not expressly defined in this Guaranty shall have the same meanings herein as are ascribed to such terms in the Lease.

A. Landlord has required, as a condition to its execution and performance of the Fifth Amendment, that Guarantor execute and deliver this Guaranty of all obligations of Tenant arising and all sums due by Tenant under the Lease. The execution and delivery of this Guaranty by Guarantor is a material inducement to Landlord for the execution and performance of the Lease.

B. Guarantor has a financial interest in Tenant and will be benefited by the Lease. Accordingly, Guarantor has agreed to execute, deliver and perform this Guaranty.

NOW, THEREFORE, in consideration of the Recitals set forth above and in consideration of Landlord executing and performing its obligations under the Lease and for other good and valuable consideration, the receipt, adequacy and sufficiency of which are hereby acknowledged, Guarantor covenants and agrees as follows:

1. **Recitals**. The Recitals set forth above are incorporated herein and shall be deemed terms and provisions hereof.

2. **Guaranty**. For the term of the Lease, subject to Section 3 below, Guarantor absolutely, unconditionally and irrevocably guarantees to Landlord:

(a) The full and prompt payment when due, whether upon acceleration or otherwise, and at all times thereafter, of any and all rentals, debts and obligations of Tenant for the payment of money, however created, arising or evidenced, whether direct or indirect, absolute or contingent, now or hereafter existing, due or to become due, known or unknown to Guarantor at the time of the execution of this Guaranty, including, without limitation, all Base Rent, Additional Rent, late fees, payments in respect of real estate taxes, assessments, governmental charges, premiums for insurance policies, amounts required to discharge mechanics' and materialmen's liens and claims therefor, and any other sums which may now be or hereafter become due by Tenant under the Lease;

(b) The payment of all Enforcement Costs (as hereinafter defined); and

(c) The full, complete and punctual observance, performance and satisfaction of all covenants, terms, conditions, obligations, duties and agreements of Tenant under the Lease.

DocuSign Envelope ID: E52B7EBE-2244-44CE-8582-57685BF42DD1

All amounts due and debts, liabilities and payment obligations described in subparagraphs (a) and (b) of this Paragraph 2 are referred to herein as the "Liabilities". All obligations described in subparagraph (c) of this Paragraph 2 are referred to herein as the "Obligations".

3. Limitations. Guarantor's obligations under this Guaranty shall be limited to the sum of (a) all rent due and payable under the Lease through the date upon which Tenant has vacated the Premises or Landlord has obtained possession of the Premises, whichever is later, (b) an amount equal to 12 full calendar months of rent due and payable or which accrues under the Lease from and after the date upon which Tenant has vacated the Premises or Landlord has obtained possession of the Premises, whichever is later, (c) the Unamortized Tenant Allowance (as defined in Section 6(d) of the Fifth Amendment), and (d) the Enforcement Costs.

4. Landlord's Remedies.

(a) This Guaranty is an absolute, irrevocable, present and continuing guaranty of payment and performance and not merely a guaranty of collection. In the event of any default by Tenant under the Lease or under any other obligation to Landlord, after the expiration of any cure period applicable thereto, Guarantor agrees, on demand by Landlord, to pay all Liabilities then due hereunder. In the event that there shall be any default by Tenant, Guarantor or any other party under the Lease in the due and timely performance and observance of the Obligations or any of them after the expiration of any cure period applicable thereto, then, in such event, Guarantor agrees, on demand by Landlord: (i) to perform the Obligations; and (ii) to indemnify and hold Landlord and the other Indemnified Parties (hereinafter defined) harmless from and against any and all loss, damage, cost, expense, injury or liability Landlord or the Indemnified Parties may suffer or incur in connection with the exercise of the rights under the Lease, this Guaranty or otherwise in respect of the Demised Premises. If Guarantor fails to commence and pursue diligently the performance of the Obligations after the expiration of any cure period applicable thereto as provided in the immediately preceding sentence and if such failure continues for five (5) days after receipt by Guarantor of written notice from Landlord demanding the performance of Guarantor, then, either before or after pursuing any other remedy of Landlord against Guarantor or Tenant and regardless of whether Landlord shall ever pursue any such other remedy, Landlord shall have the right (but not the obligation) to perform the Obligations or to call upon any other reputable parties to perform the Obligations, and shall have the right to expend such sums as Landlord in its reasonable discretion deems proper in order so to complete the performance of the Obligations. During the course of the performance of any Obligations undertaken by Landlord or by any other party on behalf of Landlord, Guarantor shall pay on demand any amounts due to third parties in connection therewith. All amounts required to be paid by the terms hereof shall be included within the term "Liabilities", and all obligations required to be performed by the terms hereof shall be included within the term "Obligations".

(b) Notwithstanding anything to the contrary herein contained, in any action to enforce any of the liabilities or obligations of the Guarantor under this Guaranty, Landlord, at its election, may proceed against the Guarantor with or without: (i) joining Tenant in any such action; (ii) commencing any action against or obtaining any judgment against Tenant; or (iii) commencing any proceeding to enforce or realize upon any collateral or other security (including, without limitation, any security deposit or other guaranties) which may be given to secure Tenant's obligations under the Lease, or to obtain any judgment, decree or foreclosure sale with respect thereto. Nevertheless, the maintenance of any action or proceeding by Landlord to recover any sum or sums that may be or become due under the Lease or to secure the performance of any of the other terms, covenants and conditions of the Lease shall not preclude Landlord from demanding and receiving the payment of such sums and the performance of such other terms, covenants and conditions from Guarantor, or from thereafter instituting and maintaining subsequent actions or proceedings for any subsequent default or defaults of Tenant under the Lease. Guarantor does hereby

DocuSign Envelope ID: E52B7EBE-2244-44CE-8582-57685BF42DD1

consent that, without affecting the liability of Guarantor under this Guaranty and without notice to Guarantor, time may be given by Landlord to Tenant for payment of rent and such other sums and performance of said other terms, covenants and conditions, or any of them, and such time extended and indulgence granted from time to time, or Tenant may be dispossessed or Landlord may avail itself of or exercise any or all of the rights and remedies against Tenant provided by law or by the Lease, and may proceed either against Tenant alone or jointly against Tenant and Guarantor or against Guarantor alone without first proceeding or exhausting any remedy or claim against Tenant.

5. **Return of Payments**. Guarantor agrees that, if at any time all or any part of any payment theretofore applied by Landlord to any Liabilities is rescinded or returned by Landlord for any reason whatsoever (including, without limitation, the insolvency, bankruptcy, liquidation or reorganization of any party), such Liabilities shall, for the purposes of this Guaranty, be deemed to have continued in existence to the extent of such payment, notwithstanding such application by Landlord, and this Guaranty shall continue to be effective or be reinstated, as the case may be, as to such Liabilities, all as though such application by Landlord had not been made. Guarantor does hereby further agree that with respect to any payments made by Guarantor hereunder, Guarantor shall not have any rights based on suretyship, subrogation or otherwise to stand in the place of Landlord so as to compete with Landlord as a creditor of Tenant, and Guarantor hereby waives all such rights to the fullest extent permitted by law.

6. **No Discharge**. Guarantor agrees that the obligations, covenants and agreements of Guarantor under this Guaranty shall not be affected or impaired by any act of Landlord, or any event or condition except the full, final and unavoidable performance of all Obligations and payment of all Liabilities and any other sums due hereunder. Guarantor agrees that the liability of Guarantor hereunder shall not be discharged by, and Guarantor hereby irrevocably consents to: (i) any subsequent change, modification or amendment of the Lease in any of its terms, covenants and conditions, or in the rent or any other sums payable thereunder, or in the term thereof (the "Term"), or in the Demised Premises demised thereby (whether said Demised Premises be expanded, contracted, relocated, substituted or otherwise altered), and to any assignments of the Lease and to any sublettings of the Demised Premises, and to any extensions or renewals of the Lease or its Term; (ii) the renewal or extension of time for the payment of the Liabilities or performance of the Obligations under the Lease or any other agreement relating to the Demised Premises; (iii) any failure, omission, delay or inadequacy, whether entire or partial, of Landlord to exercise any right, power or remedy regarding the Lease or to enforce or realize upon (or to make any guarantor a party to the enforcement or realization upon) any of Landlord's security for the Lease, including, but not limited to, any impairment or release of such security by Landlord; (iv) the existence of any set off; claim or counterclaim or the reduction or diminution of the Liabilities, or any defense of any kind or nature, which Guarantor may have against Tenant or which any party other than Tenant has against Landlord; (v) the application of payments received from any source to the payment of any obligation other than the Liabilities, even though Landlord might lawfully have elected to apply such payments to any part or all of the Liabilities; (vi) the addition or release of any and all other guarantors, obligor and other persons liable for the payment of the Liabilities and/or performance of the Obligations, and the acceptance or release of any and all other security for the payment of the Liabilities and/or performance of the Obligations; or (vii) any distress or reentry by Landlord or dispossession of Tenant or any action or remedy taken by Landlord under the Lease, or any failure to notify Guarantor of any default by Tenant; all whether or not Guarantor shall have had notice or knowledge of any act or omission referred to in the foregoing clauses (i) through (vii) inclusive of this Paragraph.

In the event that the Lease is modified, renewed or extended in any respect by agreement between Landlord and Tenant either pursuant to an option granted in the Lease or otherwise, or in the event that Tenant holds over beyond the Term of the Lease, then the obligations hereunder of Guarantor shall extend to the full and faithful performance and observance of all of the covenants, terms and conditions of the Lease and of any such modification, renewal or extension thereof Guarantor intends that Guarantor shall remain liable hereunder as a principal until the full, final and unavoidable performance of all of the Obligations and the

DocuSign Envelope ID: E52B7EBE-2244-44CE-8582-57685BF42DD1

full, final and unavoidable payment of all Liabilities, notwithstanding any fact, act, event or occurrence which might otherwise operate as a legal or equitable discharge of a surety or guarantor.

7. **Application of Amounts Received**. Any amounts received by Landlord from whatsoever source on account of any Liabilities may be applied by Landlord toward the payment of such Liabilities, and in such order of application, as Landlord may from time to time elect.

8. **Waiver**. Guarantor expressly waives: (i) notice of the acceptance by Landlord of this Guaranty; (ii) notice of the existence, creation, payment or nonpayment of the Liabilities; (iii) presentment, demand, notice of dishonor, protest and all other notices whatsoever; and (iv) any failure by Landlord to inform Guarantor of any facts Landlord may now or hereafter know about Tenant, the Lease or the Demised Premises, it being understood and agreed that Guarantor has and will maintain personal knowledge of and is familiar with Tenant's financial condition and business affairs and has the ability to influence Tenant's decision-making processes, and that Landlord has no duty so to inform, and that Guarantor is fully responsible for being and remaining informed by, Tenant of all circumstances bearing on the Lease and this Guaranty. No modification or waiver of any of the provisions of this Guaranty will be binding upon Landlord except as expressly set forth in a writing duly signed and delivered on behalf of Landlord.

9. **Enforcement Costs**. If (i) the Lease or this Guaranty is placed in the hands of an attorney for enforcement or collection or is enforced or collected through any legal proceeding; (ii) an attorney is retained to represent Landlord in any proceeding (including, without limitation, any bankruptcy, reorganization, receivership or other proceeding affecting creditors' rights) involving a claim under or related to the Lease or this Guaranty, then Guarantor shall pay to Landlord upon demand all reasonable attorneys' fees, costs and expenses, including, without limitation, court costs and filing fees, and all other costs and expenses incurred in connection therewith (all of which are referred to herein as "Enforcement Costs"), in addition to all other amounts due hereunder, provided Landlord prevails in such legal proceeding.

10. **Transfer of Lease**. Notwithstanding any assignment or transfer of the Lease or any interest therein by Landlord, for collateral purposes or otherwise, each and every immediate and successive assignee, transferee or other successor in interest with respect to Landlord's interest under the Lease shall, to the extent of the interests assigned or transferred, be entitled to the benefits of this Guaranty to the same extent as if such assignee or transferee were Landlord.

11. **Governing Law Interpretation**. This Guaranty shall be governed by the laws of the State of Georgia without reference to the conflicts of law principles of that state. The headings of Paragraphs in this Guaranty are for convenience only and shall not be construed in any way to limit or define the content, scope or intent of the provisions hereof. As used in this Guaranty, the singular shall include the plural, and masculine, feminine and neuter pronouns shall be fully interchangeable where the context so requires. If this Guaranty is executed by more than one person or entity, then references to "Guarantor" herein shall be deemed to refer to each such person or entity and the liability of each such person or entity shall be joint and several, and the release by Landlord of any of them shall not release or affect in any manner the obligations of any other of them, and this Guaranty shall not be revoked, discharged or impaired as to any such persons or entities by reason of the death or incapacity or insolvency of any other of them. If any provision of this Guaranty, or any paragraph, sentence, clause, phrase or word, or the application thereof, in any circumstances, is adjudicated by a court of competent jurisdiction to be invalid, the validity of the remainder of this Guaranty shall be construed as if such invalid part were never included herein. Time is of the essence of this Guaranty. All payments to be made hereunder shall be made in currency and coin of the United States of America, which is legal tender for public and private debts at the time of payment.

12. **Entire Agreement**. This Guaranty constitutes the entire agreement between Guarantor and Landlord with respect to the subject matter hereof and supersedes all prior such agreements and understandings, both written and oral. This Guaranty may not be modified or amended except by a written instrument signed by Landlord and Guarantor. If this Guaranty is executed in several counterparts, each of those counterparts shall be deemed an original, and all of them together shall constitute one and the same instrument.

13. Successors and Assigns.

(a) This Guaranty shall bind Guarantor and the heirs, assigns, successors, executors, administrators and legal and personal representatives of Guarantor; provided that Guarantor shall not be entitled to transfer or delegate its obligations hereunder. Regardless of whether this Guaranty is executed by more than one person or entity, it is agreed that the undersigned's liability hereunder is several and independent of any other guaranties or other obligations at any time in effect with respect to the Liabilities, the Obligations or any part thereof and that each Guarantor's liability hereunder may be enforced regardless of the existence, validity, enforcement or non-enforcement of any such other guaranties or other obligations.

(b) This Guaranty shall inure to the benefit of and be enforceable by Landlord and Landlord's officers, agents, employees, partners, directors and shareholders, each of their respective successors and assigns, and each present or subsequent mortgagee of the Demised Premises and its successors and assigns (all such persons and entities shall be "Indemnified Parties" herein).

14. Certain Waivers by Guarantor. Guarantor hereby waives the benefit of (a) any statutes of limitation or repose affecting Tenant's liability under the Lease or Guarantor's liability under this Guaranty, and (b) the right to trial by jury in any action or proceeding that hereafter may be instituted in respect of the Lease or this Guaranty.

Landlord and Tenant desire to amend the Lease on the terms and conditions provided in this Amendment.

NOW THEREFORE, in consideration of the premises and other good and valuable consideration, the receipt of which is hereby acknowledged, the parties agree as follows:

1. Patio. During the Lease Term and subject to compliance with applicable law and the provisions of this Section 1, Tenant shall have the right to use the existing sidewalk area adjacent to the Premises and outlined on attached Exhibit A (the "Patio Area") for outdoor seating for Tenant's customers. Tenant will not have the right to make any improvements or alterations to the Patio Area without Landlord's prior written consent, provided that Tenant may install fencing around the Patio Area, subject to Landlord's review and approval of the fencing material. Tenant may place on the Patio Area movable chairs, tables, and umbrellas. The Patio Area will constitute a portion of the Premises, but the square foot area of the Patio Area will not be included in the square foot area of the Premises for purposes of calculating Base Rent or Tenant's Proportionate Share and no additional rent or charges are payable for Tenant's use of the Patio Area. Landlord will not have any obligations to repair, maintain, or build-out the Patio Area. Landlord will not have any obligation to monitor or police the Patio Area for use by persons other than Tenant and Tenant's customers. For the avoidance of doubt, the Patio Area does not include the exterior walls of the building adjacent to the Premises.
